Summary of Conclusions for the Sudan Country Reconstruction and Stabilization Group (CRSG) Meeting
Date: December 6, 2005
Location: State Department 7516
Time: 4:00 p.m. – 5:30 p.m.

It was agreed that:

- **The CRSG framework will be guided by the four USG policy priorities in Sudan: implementation of the CPA, political agreement in Darfur, provision of humanitarian assistance, and ensuring that security is provided to civilians. These policies will be inserted into and guide the CRSG framework. (Action: S/CRS)**
- **The CRSG Framework effectively identifies opportunities and provides a useful three-year planning tool with specific outcomes, institutional responsibilities and resource requirements in support of U.S. policy in Sudan. (No action necessary)**
- **State and USAID will outline a donor outreach strategy that includes talking points on the humanitarian shortfalls in particular, but also includes transitional security and (re)construction shortfalls – include a list of key senior officials to approach. (Action: State/AF and USAID)**
- **State and USAID will prioritize U.S. donor coordination efforts on humanitarian assistance and support for CPA implementation within the Sudan Consortium in support of the follow on meeting to Oslo scheduled to meet in February. (Action: State/AF and USAID)**
- **State will send demarche cables to all major donors (particularly the EU) drawing upon cleared talking points. (Action: State/AF)**
- **State will incorporate talking points into relevant meetings and phone calls with senior leaders identified. (Action: State, NSC, DOD)**
- **The CRSG will update the FY 2006 strategic planning budget figures with the recommended FY 2006 allocations from bureaus/agencies to show how the allocations affect the strategy, and reassess gaps. (Action: State AF – S/CRS, with interagency input)**
- **The CRSG will develop a performance monitoring plan based on the Major Mission Element-level indicators. (Action: CRSG Secretariat)**
