PROCEDURES

1. GENERAL ELIGIBILITY. Eligibility and administration of the Post-9/11 GI Bill are the responsibility of the VA. Policies and procedures for utilization of Post-9/11 GI Bill benefits are available from the VA. Those policies and procedures are codified in part 21 of ~~4~~ Title 38, Code of Federal Regulations (Reference ~~(hg)~~) and presented and updated at [www.gibill.va.gov](http://www.gibill.va.gov). <http://benefits.va.gov/gibill/>.

2. KICKERS

a. Enlistment Kickers. The use of enlistment kickers should be based on the criticality of the skill or the length of enlistment commitment and may be offered in amounts from \$150 to \$950 ~~a~~ *per* month in increments of \$100. Reporting codes for enlistment kickers are listed in References ~~(fe)~~ and ~~(gf)~~.

b. Affiliation Kickers. The use of affiliation kickers shall be based on the criticality of the skill and/or unit and the length of Selected Reserve commitment, and may be offered in amounts from \$150 to \$950 ~~a~~ *per* month in increments of \$100. If an individual is already eligible for an enlistment kicker, the amount of the affiliation kicker is limited to the amount that would take the total to \$950. For those individuals who are offered an affiliation kicker on top of an enlistment kicker, the increases above the enlistment kicker will be in \$100 increments. Reporting codes for affiliation kickers are the same as the codes for enlistment kickers listed in References ~~(fe)~~ and ~~(gf)~~.

c. Reenlistment Kickers. The use of reenlistment kickers should be based on the criticality of the skill and may be offered in amounts from \$100 to \$300 ~~a~~ *per* month in increments of \$100, based on length of additional service. Reporting codes for reenlistment kickers are listed in References ~~(fe)~~ and ~~(gf)~~.

d. Payment of Kickers. Kickers are paid by VA in conjunction with the monthly stipend paid pursuant to section 3313(c) of the Post-9/11 GI Bill.

3. TRANSFERABILITY OF UNUSED EDUCATION BENEFITS TO FAMILY MEMBERS.

Subject to the provisions of this enclosure, the Secretary concerned, to promote recruitment and retention in the Uniformed Services, may permit an individual eligible for Post-9/11 GI Bill educational assistance to elect to transfer to one or more of his or her family members all or a portion of his or her entitlement to such assistance. *DoD will continue to track recruit quality and retention metrics carefully, so as to adjust policy and force management tools to support any major shifts in recruitment trends. Transferability is neither an entitlement nor a transition or readjustment benefit. The Military Departments will not automatically approve a Service member's request to elect to transfer benefits. Before approving an individual's request to elect*

*to transfer benefits, the Secretary concerned must determine whether the Service member is eligible for retention under the Military Department or Service retention policies (e.g., high-year tenure) and is not precluded by either DoD, Military Department, Service policy, or statute from being retained for 4 additional years from the date of election. Service members may transfer education benefits only through the DoD TEB Web application at <https://www.dmdc.osd.mil/milconnect/>.*

*a. Eligible Individuals. Effective 1 year from the effective date of Change 1 to this issuance, any Service member on or after August 1, 2009, who is entitled to the Post-9/11 GI Bill at the time of the approval of his or her request to transfer that entitlement under this section, may request to transfer that entitlement provided he or she has at least 6 years of military service (active duty or Selected Reserve), NOAA Corps, or PHS on the date of election. Only members with at least 6 years, but not more than 16 years, of total creditable service in the Military Services (active duty service and/or Selected Reserve), NOAA Corps, or PHS will be eligible to transfer education benefits to eligible family members. The determination of Service members' total years of creditable service will be based on the date of the member's TEB application, not the date the request is approved by the Military Department concerned, NOAA Corps, or PHS. Service performed in the Uniformed Services University of Health Sciences will not be considered service calculated for 6 to 16 years of eligibility. As outlined in paragraphs 3.a.(1) and (2) of this Enclosure, the Service member must agree to serve four additional years in the Military Services, NOAA Corps, or PHS from the date of election. Eligibility does not guarantee approval.*

~~(1) Has at least 6 years of service in the Military Services (active duty or Selected Reserve), NOAA Corps, or PHS on the date of approval and agrees to serve 4 additional years in the Military Services, NOAA Corps, or PHS from the date of election.~~

~~(2) Has at least 10 years of service in the Military Services (active duty or Selected Reserve), NOAA Corps, or PHS on the date of approval, is precluded by either standard policy (Service or DoD) or statute from committing to 4 additional years, and agrees to serve for the maximum amount of time allowed by such policy or statute.~~

~~———(3) Is or becomes retirement eligible during the period from August 1, 2009, through July 31, 2012, and agrees to serve the additional period, if any, specified in subparagraphs 3.a.(3)(a) through 3.a.(3)(d) of this enclosure. A Service member is considered to be retirement eligible if he or she has completed 20 years of active Federal service or 20 qualifying years as computed pursuant to section 12732 of Reference (c). This subparagraph will no longer be in effect on August 1, 2013, and on or after that date all members must comply with subparagraphs 3.a.(1) or 3.a.(2) of this enclosure to be eligible for transfer of unused education benefits to family members.~~

~~(a) For individuals eligible for retirement on August 1, 2009, no additional service is required.~~

~~(b) For individuals eligible for retirement after August 1, 2009, and before August 1, 2010, 1 year of additional service is required.~~

~~(c) For individuals eligible for retirement on or after August 1, 2010, and before August 1, 2011, 2 years of additional service is required.~~

~~(d) For individuals eligible for retirement on or after August 1, 2011, and before August 1, 2012, 3 years of additional service is required.~~

~~(4) The provisions of subparagraph 3.a.(3) of this enclosure will apply to Service members recalled to active duty under the provisions of section 688 of Reference (c) or members of the Individual Ready Reserve ordered to active duty under the provisions of section 12301(d) of Reference (c) only when the active duty is for a period of at least 90 days.~~

*(1) Members must be eligible to be retained for 4 years from the date of election and not be precluded, prior to approval, by either standard policy (Service or DoD) or statute.*

*(a) Members who have not applied for TEB, who are on limited duty or involved in a Medical Evaluation Board, Physical Evaluation Board (PEB), or Disability Evaluation System process must wait until the process is complete before applying. If found fit for duty, the Service member will comply with the standard TEB application procedure;*

*(b) Members who applied to TEB, but were denied due to insufficient retainability as a result of being on limited duty or being involved in a Medical Evaluation Board, Physical Evaluation Board (PEB), or Disability Evaluation System process and are later cleared to re-enlist, must request transferability again once they are found fit for duty and commit to an additional 4 year service obligation. Members who applied to TEB before attaining 16 years of service, were denied for the reasons set forth in this paragraph, and were subsequently found fit for, and returned to duty, but only after having accrued more than 16 years of total creditable service, will be allowed to apply to TEB again, provided the member applies to TEB within 90 days of being informed of the fit for duty determination and meets all other eligibility criteria.*

*(c) Members who have been approved to TEB and have been subsequently found fit for duty may keep their TEB and fulfill their currently approved TEB obligation date.*

*(2) Members must revisit the TEB Web application at <https://www.dmdc.osd.mil/milconnect/> to check the status of their submission and the TEB obligation end date.*

**b. Eligible Family Members**

(4) Once an individual has designated a spouse as a transferee, subsequent divorce will not affect the transferee's eligibility to receive educational benefits; however, the eligible individual retains the right to revoke or modify the transfer at any time.

d. Transferee Usage

(1) Policies and procedures for family member use of Post-9/11 GI Bill transferred educational benefits are the responsibility of the VA. (2) *After approval of the TEB request, Commencement of use by a family member is subject to these conditions:*

2. An individual may not add family members after retirement or separation from the Military Services, USCG, NOAA Corps, or PHS, but may modify the number of months of the transferred entitlement or revoke transfer of entitlement after retirement or separation for those family members who have received transferred benefits prior to separation or retirement.

(2) Subparagraph 3.g.(1) of this enclosure shall not apply to an individual who fails to complete service agreement due to: *reasons listed in paragraphs 3.g.(2)(a) through (h) of this enclosure. The amount of any transferred entitlement that is used as of the date of such failure must be treated as an overpayment of educational assistance and will be subject to collection by VA.*

*(h) Failure to be selected for promotion as an enlisted Service member and being separated under Service high-year tenure or retention control point policies (or a change in these policies) unless separated at high-year tenure or retention control point subsequent to reduction in rank through non-judicial punishment or court martial.*

*1. A Service member with high-year tenure or retention control point mandatory separation/retirement date adjustment due to Service-mandated change (not due to fault of Service member) will have the TEB obligation end date adjusted to the new retention control point or high-year tenure mandatory retirement date.*
