Detainee Update

As of: 3 AUG 1130 hrs

(b)(1)

Military Commissions

Military Commissions (MCs) are used to prosecute enemy combatants who violate the laws of war

- **Issues**

- Commissions apply to non-US citizens subject to POTUS' 13NOV 01 military order. POTUS must find "reason to believe" individual was a member of al Qaida, committed acts of international terrorism against the US, or harbored such an individual
- POTUS has, so far, determined 15 detainees at Guantanamo (GTMO) are subject to commissions; 3 detainees have since been returned to their home country (2 to UK, 1 to Australia)
- Commissions provide a full and fair trial, while protecting national security and safety of all involved, including accused
- Commissions and their procedures are the subject of several federal court lawsuits brought by detainees
- **Way Ahead:** GTMO MCs currently suspended pending ongoing litigation. Federal appeals court declared them constitutional, but an appeal to the US Supreme Court is likely. Plan is to resume Commissions as soon as legally feasible

Internment Serial Number Policy

Internment Serial Numbers (ISNs) are issued to detainees as soon as possible, normally within 14 days of capture

- **Issues**

- Assignment of ISN triggers detention notification to International Committee of Red Cross, with appropriate follow-on access

(b)(1),(b)(5)

Guantanamo Way Ahead

Foreign and domestic critics have called for closure of GTMO and relocation or release of detainees

- **Issues**

- GTMO is specifically designed to support the detention and interrogation missions at the strategic level
- Over the past year the mission has evolved more into one emphasizing detention, with interrogations focused on a subset group of detainees

(b)(5)

(b)(1)

Public Diplomacy

Public Diplomacy (PD) efforts on detention operations are being spearheaded by Department of State (DOS); Department of Defense to support

- **Issues**

- DOS's PD efforts will provide information on topics such as results of abuse investigations, US Government (USG) position on mistreatment, legal basis for detention, value of intelligence derived from detainees, etc.

(b)(1)

Transfers from GTMO

Strong DOS efforts are necessary to transfer detainees out of GTMO

- **Issues**

Iraq Detention Operations Transition

Efforts are underway to transition Iraq detention operations from MNF-I to Iraqi control

- **Issues**

(b)(1)

Afghan Detainee Transfers

Efforts are underway to transfer detainees to Afghan government control
