- Request that one of two MP Detachments (IR Brigade Liaison Detachment) be replaced with a MP Detachment (IR Camp Branch Liaison Team). The I/R Camp Branch Liaison Team includes MOS 95C/31E soldiers not included in the I/R Brigade Liaison Detachment. The special corrections skills of these soldiers will add technical expertise in confinement operations. Attached one MP Detachment Brigade Liaison Team to plan and coordinate the security internee mission and one Camp Branch Liaison Team to provide the subject matter expertise in confinement operations lacking in a Combat Support Military Police Brigade.
- HQDA DODOIP Task: O1.2/O1.4

*Issue Title (Iraqi Criminals to ICS):
R-067 Ryder Long-term, Item 3, pg 31*

(U) RECOMMENDATION / OBSERVATION:

Ultimately all criminal detainees should be handed over to the Iraqi criminal system with monitoring and oversight performed by representatives from the CPA advisory staff. U.S. forces will solely be responsible for the internment of high value detainees and security internees until such a time as they have all been screened and released or other determination is made as to their status.

Issue Title (Effective Judicial System):
R-068 Ryder Near-term, Item 1a, pg 34

(U) RECOMMENDATION / OBSERVATION:

The success of the Iraqi prison system (IPS) is dependent upon the integrated and strategic planning through several phases of transition from military to Coalition Provisional Authority, to a self-sufficient Iraqi system. There are several main themes essential to the effective strategic planning for these transformations. System capacity, personnel plans and requirements, among these central themes. Attention to each of the interactive parts of the justice system is required for eventual effective transfer of the prison operations to an independent system.

(U) CURRENT ASSESSMENT:

● Similar finding part of National Strategy.

*Issue Title (Magistrate Hearings):
R-069 Ryder Near-term, Item 1b, pg 34*

(U) RECOMMENDATION / OBSERVATION:

The courts must begin processing larger numbers of magistrate hearings. These initial hearings could be conducted at the prison sites. Transportation and security requirements are greatly reduced and attendant force protection and security requirements can be better identified.

(U) CURRENT ASSESSMENT:

- Part of Justice national strategy. Working to improve capability of justice system to process cases.

Issue Title (Integration of IZ Leadership in Corrections System): R-070 Ryder Near-term, Item 1c, pg 34

(U) RECOMMENDATION / OBSERVATION:

Full integration of the Iraqi leadership in the planning and development of the corrections system and other areas of the Justice System is essential to comprehensive strategic planning. The weekly meeting should consider refocusing their discussions on policy, budget, planning, benchmarking and quality checks related to those benchmarks. Attendance should include only the stakeholders from the Prisons Department, Courts, Juvenile System Police, and their Iraqi counterparts. Weekly reports from the facility locations could be sent the day prior for discussion as part of a specific agenda. Educating the Iraqi system's eventual leadership in areas of system management, operations, security, custody, and control techniques is also necessary. There are several very good international corrections management-training locations available (for example, Kings College of England or the National Institute of Corrections). The system leadership should become involved in national and international corrections associations as a resource for information and future assistance. Planning and implementation must be an integrated process between the military, CPA and the emerging Iraqi Prison System.

(U) CURRENT ASSESSMENT:

● Continual process. Senior advisors to MOI in country and working to resolve training issues. Justice has included similar finding as part of national strategy.

(U) FIX / ACTION / CHANGE:

Fix: Need weekly meetings on strategic development of justice sector issues.

Action: Having meetings as needed.

Change: Justice developing national strategy – has advisors in Iraq to address issue directly.

*Issue Title (Self-Sustainment by ICS):
R-071 Ryder Near-term, Item 1d, pg 35*

(U) RECOMMENDATION / OBSERVATION:

Facility supervisory transitions cannot be driven by when a facility is "certified ready," but military necessity provides the first benchmark from which all other points of transition (training pace, facility renovation schedule and Iraqi prison personnel employment within the facilities) flow. There will be a natural tendency towards extended reliance on the military assets, however, planning must be accomplished on pace with the rotation rhythm of the military assets. To do otherwise creates potential for a lethargic dependency and gaps in coverage, both of which will slow the progress of the emerging system. CPA MOJ Prisons Department and 800th MP BDE planners should meet weekly, following the general Prison meeting, to integrate transition plan away from the military presence to CPA and an independent self-sustaining system.

(U) CURRENT ASSESSMENT:

- OBE. Military conducting force protection operations outside the facilities and DOJ is operating inside the facilities.

(U) FIX / ACTION / CHANGE:

*Issue Title (Required Number of ICS Officers):
R-073 Ryder Mid-term, Item 2b, pg 35*

(U) RECOMMENDATION / OBSERVATION:

CPA MOJ should conduct a staffing analysis, based upon the Iraqi cultural patterns. Once a required number of correctional officers is established, CPA should prioritize staff efforts to recruit and train, similar to those actions being taken with the Iraqi police. This becomes critical as the reconstruction projects are completed at the larger regional correctional facilities.

(U) CURRENT ASSESSMENT:

- Justice national strategy. Conducting necessary evaluation to determine appropriate staffing.

**OPR: OSD
OCR: OSD - Justice**

(U) FIX / ACTION / CHANGE:

Justice addressing in national strategy.

***Issue Title (Training Capacity for IIG Corrections):
R-074 Ryder Mid-term Item 2c, pg 35***

(U) RECOMMENDATION / OBSERVATION:

Background checks are a critical aspect of the prison employment process. The potential for abuse, corruption and threat to public safety is such that extreme attention must be paid. Due to the high number of cadre required, the length of the vetting process and the comprehensive training it is recommended that the training program must increase its graduation pace (i.e., greater capacity, not a shorter course). The training academy program should soon move from dependency upon military assets to a robust CPA program or consideration of a contract training program through one of the many companies who specialize in corrections training in order to meet present and future needs.

(U) CURRENT ASSESSMENT:

- To the extent training programs require, justice is conducting necessary checks and managing training programs.

(U) FIX / ACTION / CHANGE:

Justice addressing in national strategy.

Issue Title (Anticipated Criminal Population):
R-075 Ryder Item 3, pg 35

(U) RECOMMENDATION / OBSERVATION:

We cannot overstate the importance of strategic planning in relation to anticipated criminal population trends and facility needs. The experience within the current CPA MOJ Prisons Department is clearly capable of accomplishing a prospectus of needs and a proposed strategic 10-30 year plan. The Iraqi Prison System leadership must be involved in the development process so that they may undertake the task independently upon the CPA's transition of authority to the new Iraqi government. The CPA MOJ Prisons Department should assist the Iraqi Prison System leadership to establish its own professional organization and relationships with other nations' corrections associations (e.g., The American Correctional Association, International Corrections and Prisons Association, etc.).

(U) CURRENT ASSESSMENT:

National Justice Strategy.
