Complete this form only if you declined to permit a credit score for an individually billed travel card. Your APC will enter the Component FIPs (<https://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-87r2.pdf>) in item 20.

The Review Process:

The information you provide is considered to be truthful and accurate. You should provide your completed form to your supervisor for review. If your answers reflect no financial risk exists, your form will be maintained along with your application for the government charge card for which you are applying as a result of your official duties. Final Determination on Your Eligibility:

Final determination on your eligibility for credit worthiness and form acknowledgment is the responsibility of your commander/supervisor. The commander/supervisor acknowledges the need for a travel card and does not validate the financial responses provided. However, it is DoD policy that failure to agree to a credit score or self-certify to your creditworthiness is sufficient reason to deny issuance of any such card.

Penalties for Inaccurate or False Statements:

The U.S. Criminal Code (Title 18, Section 1001) provides that knowingly falsifying or concealing a material fact is a felony that may result in fines of up to \$10,000 and/or 5 years imprisonment, or both. In addition, Federal agencies usually remove from their employment, do not grant a security clearance, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Because the position you are in is considered necessary to require use of a government charge card, your trustworthiness and creditworthiness are important considerations in determining your eligibility for retention of a government charge card.
