c. Pursuant to Section 3326 of Title 5, U.S.C., appointments or transfers of retired members to positions covered under this issuance during the 180 days immediately after retirement may only be made when:

   (1) The minimum rate of basic pay for the position has been increased by the Office of Personnel Management (OPM), pursuant to Section 5305 of Title 5, U.S.C., or a special pay table was created for the position because of difficulties hiring for such positions; or

   (2) A waiver has been approved for the position in accordance with Section 3 of this issuance.

   b. Implements this issuance for SES, SL, ST, and equivalent personnel categories in the DoD Fourth Estate.

   c. Approves or denies requests to appoint retired members within 180 days after retirement to GS-14, GS-15, SES, SL, ST, and equivalent positions, in accordance with DoDI 1402.01 or the other criteria in accordance with Section 3326 of Title 5, U.S.C. This authority may be delegated no lower than the Deputy Director, WHS, as outlined in DoDI 1402.01.

2.2. CHIEF HUMAN RESOURCES OFFICER, HUMAN RESOURCES DIRECTORATE (HRD). Under the authority, direction, and control of the Director, WHS, the Chief Human Resources Officer, HRD:

   a. Approves or denies each proposed appointment of a retired member within 180 days of retirement at the grade level of GS-13 and below, or equivalent level or the other criteria pursuant to Section 3326 of Title 5, U.S.C., and in accordance with DoDI 1402.01 and the guidance in this issuance. This authority may be delegated as outlined in DoDI 1402.01.

   b. Verifies the rate and rank of eligible candidates or provides an OPM certificate of eligible candidates, or both, and refers the best qualified candidate to the WHS-serviced Component’s selecting official (referred to in this issuance as the “selecting official”).

   c. Verifies that the documentation submitted by the selecting official for all grades complies with applicable procedures and adheres to the requirements of DoDI 1402.01 and this issuance.

   d. In the absence of an exception in Section 3326 of Title 5, U.S.C., recommends each request for SES, SL, ST, and equivalent personnel to the Director, WHS, for concurrence or non-concurrence.

   e. Informs the selecting official of the decision and, if approved, begins the internal tentative job offer hiring process under WHS/HRD internal operating procedures.

   f. Retains all documentation in the active files for 2 years from the date of the appointment action. When documentation is needed in connection with an ongoing administrative, negotiated, quasi-judicial, or judicial proceeding, the documentation must be retained as long as necessary.

2.3. WHS-SERVICED COMPONENT HEADS. The WHS-serviced Component heads, through their appointed selecting official:
a. Ensure positions are filled through open recruitment and fair, job-related assessment of applicants.

b. Base decisions on merit and avoiding discrimination on the basis of race, color, religion, sex, and national origin.

c. Submit requests for waiver packages to the Chief Human Resources Officer, HRD.
SECTION 3: PROCESSING APPOINTMENT WAIVER REQUESTS

These principles must be observed before appointing retired members 180 days after retirement, unless one of the exceptions in Section 3326 of Title 5, U.S.C. applies as stated in Paragraph 1.2.c. of this issuance.

a. When the appointment is in the competitive service and selection is from an established Delegated Examining Unit (DEU) register, retired members will be afforded treatment in accordance with applicable OPM regulations.

b. When the selection for appointment, either inside or outside the competitive service, is other than from an established DEU register, recruitment for the position must be conducted in a way that:

   (1) Ensures reasonable efforts are made to publicize the vacancy and gives interested candidates an opportunity to apply.

   (2) Adheres to the principles of merit selection. These principles require that:

       (a) Qualifications reflect valid performance requirements for the position.

       (b) When selecting a retired member, HRD will validate that candidates were not available for consideration through the DoD Priority Placement Program, the Reemployment Priority List, or the Interagency Career Transition Assistance Plan for Displaced Employees. All other statutory priority placement requirements must be cleared, pursuant to Part 330 of Title 5, Code of Federal Regulations.

       (c) The retired member is the best of the highly qualified candidates as compared to all highly qualified in-service candidates on the referral lists.

   c. Positions may not be held open in anticipation of a Service member’s retirement in order to provide that individual with a preferential opportunity to apply for or be appointed to the position. Active recruitment must be initiated when the position becomes vacant, unless suspension of recruitment can be justified fully by management for reasons unrelated to the impending retirement of a Service member.

   d. If the position was last occupied by the retired member or another military incumbent, the request to change to civilian incumbency must meet a definable management need. It cannot be made solely to allow the retired member or military incumbent to remain in the position.
SECTION 4: CONTENT OF WAIVER PACKAGES

4.1. VERIFICATION OF MILITARY SERVICE. The waiver package must be submitted on organizational letterhead, with a cover memo, to the Director, WHS or Chief Human Resources Officer, HRD. The package will state the member’s effective date of retirement from the U.S. Armed Forces, Military Service, rank, and pay grade at the time of retirement. The memo must also address this paragraph and, as appropriate, Paragraphs 4.3 through 4.5 of this issuance. The DD Form 214, “Certificate of Uniformed Service,” confirms dates of service and discharge under honorable conditions. A “Certification of Service” may also be submitted in lieu of a DD Form 214. Agencies must accept applications and use veterans’ preference for any Service member who submits a certification in lieu of a DD Form 214.

   a. Career employees were given the opportunity to apply.
   b. The proposed appointee is the best qualified candidate of all qualified employees given consideration.
c. That placement and promotion procedures in this issuance were followed. If these procedures were not followed, the selecting official must provide the reasons why these procedures were not adhered to and the justification for not doing so.
