SECTION 1: GENERAL ISSUANCE INFORMATION

APPLICABILITY. This directive applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff (CJCS) and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this issuance as the “DoD Components”).
SECTION 2: RESPONSIBILITIES AND FUNCTIONS

The ASD(HD&GS) is the principal civilian policy advisor to the Secretary of Defense and the Under Secretary of Defense for Policy (USD(P)) for assigned areas of responsibility, as follows:

a. **Interagency and International.** Represent the Secretary of Defense and the USD(P) in interagency policy deliberations and international discussions and negotiations relating to assigned areas of responsibility.

b. **Planning, Programming, Budgeting, and Execution System.** Participate in planning, programming, budgeting, and execution activities that relate to assigned areas of responsibility. Advise the Secretary of Defense, through the USD(P), and the Under Secretary of Defense (Comptroller)/Chief Financial Officer, Department of Defense (USD(C)/CFO), on DoD program and budget priorities for homeland defense activities, Defense Support of Civil Authorities (DSCA), space activities, cyber activities, defense continuity and mission assurance (MA), and countering weapons of mass destruction (CWMD) matters.

c. **Homeland Defense.** Provide overall supervision of homeland defense activities of the Department of Defense, pursuant to Section 138 of Title 10, U.S.C.

   (1) Develop, coordinate, and oversee implementation of DoD policy for:

   (a) Homeland defense activities, including homeland defense plans and the commitment of forces or other DoD resources (e.g., non-lethal weapons and capabilities in support of homeland defense).

   (c) Maritime Domain Awareness (MDA), pursuant to Homeland Security Presidential Directive-13/National Security Presidential Directive-41, and all maritime defense matters. Represent the Secretary of Defense and the USD(P) in interagency MDA and maritime defense, and lead DoD coordination of MDA and maritime defense plans, activities, and support.

   (d) The participation of National Guard units or members in homeland defense activities, pursuant to Section 902 of Title 32, U.S.C., when the Secretary of Defense determines such participation is necessary; and prepare reports to Congress, in accordance with Section 908 of Title 32, U.S.C., and DoDD 3160.01.

   (2) Coordinate the integration of homeland defense policies and programs into DoD theater security cooperation and bilateral and multilateral defense policies and programs, when appropriate.
(3) Maintain and update, as required, the DoD Strategy for Homeland Defense and DSCA.

(4) Coordinate on matters regarding the readiness posture of forces to conduct homeland defense activities.

(5) Oversee policy for the deployment and employment of non-lethal weapons for homeland defense and DSCA missions, consistent with DoDD 3000.03E.

d. Unmanned Aircraft Systems. Develop, coordinate, and provide policy oversight for the domestic use of DoD unmanned aircraft systems, in accordance with Deputy Secretary of Defense Policy Memorandum 15-002.

e. DSCA.

(1) Develop, coordinate, and oversee implementation of DoD policy for DSCA plans and activities, including:

   (a) Requests for assistance during domestic crises, emergencies, or civil disturbances.
   (b) Domestic consequence management.
   (c) Coordination on the development and validation of DSCA requirements and the provision of DoD capabilities.
   (d) Coordination on the development and approval of all DoD pre-scripted mission assignments.
   (e) DoD support to national and international sporting events, including support authorized by Section 2564 of Title 10, U.S.C.
   (f) Matters related to public health and medical DSCA.

(2) Coordinate DoD assistance to federal, State, and local officials when responding to threats involving nuclear, radiological, biological, chemical weapons, or high-yield explosives or related materials or technologies, including assistance in identifying, neutralizing, dismantling, and disposing of nuclear, radiological, biological, chemical weapons, and high-yield explosives and related materials and technologies, pursuant to Section 2313 of Title 50, U.S.C.

(3) Coordinate on DSCA plans, doctrine, and exercises, and the commitment of forces, or the employment of other DoD resources for DSCA.

(4) Develop, coordinate, recommend, and supervise the implementation of policy for defense support of civilian law enforcement agencies, including law enforcement support activities.

   (a) Develop procedures and issue appropriate direction, as necessary, for defense support of law enforcement agencies.
(b) Serve as the principal civilian advisor to the Secretary of Defense and the USD(P) for planning and executing Civil Disturbance Response Operations with the Department of Justice.

c) Coordinate on policies to further DoD cooperation with civilian law enforcement agencies.

d) Provide guidance for the use of Reserve Component personnel in support of civilian law enforcement agencies.

e) Develop policy regulating plans, procedures, and requirements of the DoD Components with authority over defense resources that may be employed to provide law enforcement support.

(f) Inform the Assistant Secretary of Defense for Manpower and Reserve Affairs, under the authority, direction, and control of the Under Secretary of Defense for Personnel and Readiness (USD(P&R)), of all requests for assistance by civilian law enforcement agencies that may be met using Reserve Component personnel and resources.

(5) Serve as the DoD manager for national special security events (NSSEs) and coordinate DoD support for all events designated as NSSEs and for other special security events. Evaluate requests for assistance for NSSE support, and prepare recommendations for approval.

(6) Advise and assist the Assistant Secretary of Defense for Manpower and Reserve Affairs under the authority, direction, and control of the USD(P&R), in the development of DoD policy for military emergency preparedness liaison officers employment.

(7) Coordinate on matters or policy related to the readiness posture of forces to conduct DSCA activities, including critical infrastructure protection and chemical, biological, radiological, nuclear, and high-yield explosives response forces.

(8) Coordinate and align homeland defense policies, plans, and programs with nuclear, chemical, and biological defense programs under the oversight of the Under Secretary of Defense for Acquisition and Sustainment (USD(A&S)).

(9) Lead and coordinate all public health and medical DSCA policies and programs.

(10) Serve as the lead DoD official for public health and medical DSCA. Receive and evaluate public health and medical requests for assistance and prepare recommendations for approval.

(11) Represent the Secretary of Defense and the USD(P), in collaboration with the Assistant Secretary of Defense for Health Affairs, under the authority, direction, and control of the USD(P&R), on White House and interagency councils and committees related to public health and medical disaster event preparedness and response, including the Senior Leader Council on Patient Movement and interagency forums related to the National Response Framework Emergency Support Function #8: “Public Health and Medical Services.” Represent the USD(P) on the National Disaster Medical System Senior Policy Group.
(12) Represent the Secretary of Defense and the USD(P), when appropriate, to governmental, non-governmental, and private sector governance organizations and advocacy groups focused on the DSCA mission.

(13) Provide guidance on the use of DoD personnel or capabilities in support of DSCA policies.

e. DoD Support of the U. S. Secret Service. Coordinate all matters pertaining to DoD support of the U.S. Secret Service, in accordance with DoDD 3025.13 and DoDIIs 3025.19 and 3025.20.

(1) Lead DoD participation in the interagency development of integrated national planning frameworks, concerning prevention, protection, mitigation, response, and recovery.

(2) Provide oversight of DoD participation in interagency development of interagency operational plans to support each of the national planning frameworks.

(3) Develop guidance and provide oversight of DoD efforts to build and sustain DoD preparedness for its roles in national prevention, protection, mitigation, and response.

(4) Coordinate and monitor DoD participation in interagency efforts to build and sustain national preparedness.

(5) Lead DoD support of Department of Homeland Security development of the annual national preparedness report to the President.

h. Climate Change. Develop, coordinate, and integrate DoD climate change policy for homeland defense activities including:

(1) National preparedness.

(2) Defense mobilization in emergency situations.

(3) DSCA.

(4) Preserving freedom of navigation.

(5) Other ASD(HD&GS) mission areas, in accordance with DoDD 4715.21 and DoDI S-2005.01.

i. Domestic Preparedness Support Initiative. Develop policy and coordinate DoD efforts, consistent with DoDD 5535.3 and DoDI 5535.10, to identify, evaluate, deploy, and transfer to federal, State, and local first responders technology items, equipment, and intellectual property to enhance public safety and improve homeland security.
j. **DoD Support to Domestic Crisis Management.**

   (1) Pursuant to DoDD 3020.44, serve as the Domestic Crisis Manager.

   (2) In coordination with the Secretaries of the Military Departments, CJCS, and OSD Principal Staff Assistants, as appropriate, develop, coordinate, and oversee the implementation of DoD-wide policy for domestic crisis management, including:

      (a) Programs, processes, and supporting infrastructure to implement crisis management within the Department of Defense, including information technology and information sharing.

      (b) Support for the President and the Secretary of Defense in a national security emergency and the coordination of such matters with the Executive Office of the President, the DoD Component heads, other Federal departments and agencies, and State and local agencies and municipalities, as appropriate.

k. **Defense Continuity.** Lead all defense continuity policy to ensure that the DoD can execute its essential functions, even in the face of asymmetric military and non-military threats and severe natural hazards posing a threat to defense personnel, installations, and infrastructure, in accordance with DoDD 3020.26.

   (1) Develop, coordinate, and oversee implementation of Defense continuity policy, including activities supporting continuity of operations, continuity of government, and enduring constitutional government.

   (2) Develop, coordinate, and oversee a comprehensive continuity program to ensure the development and exercise of continuity plans and preparedness activities that support the Secretary of Defense, the Deputy Secretary of Defense, and the DoD Component heads.

   (3) Determine capabilities and requirements for DoD continuity policy and strategy. Advocate for the resources required to develop and execute the continuity program in coordination with the OSD and applicable DoD Components.

   (4) Support the USD(P) as the DoD single point of contact for other federal departments and agencies and the National Security Council staff on continuity matters.

      (a) Develop, manage, and coordinate requirements for continuity communications capabilities supporting DoD and national missions, consistent with PPD-40.

      (b) Establish policy for National Leadership Command Capability systems and capabilities that are critical to the performance of DoD essential functions.

l. **MA.** Coordinate all MA policy to ensure that the DoD can execute its core missions, consistent with DoDD 3020.40.

   (1) Develop policy and oversee implementation of the MA strategy goals across the DoD.
(a) Establish and lead a comprehensive and integrated risk management governance and oversight steering group to:

1. Identify, prioritize, and map critical missions, systems, assets, and underlying critical infrastructure dependencies.
2. Assess vulnerabilities.
3. Prioritize risk management actions to improve warfighting effectiveness and address evolving threats to missions as they develop.

(b) Develop policy to promote MA goals, include MA objectives in the DoD’s guiding documents, and execute education and outreach on the MA process across DoD.

(c) Establish collaborative partnerships with other federal departments and agencies and the National Security Council staff and, as appropriate, internationally and with the private sector to address risks to critical missions and assets, consistent with the National Infrastructure Protection Plan.

(2) Ensure a MA approach to develop and execute the DoD’s cyber strategy.

(3) Integrate a broad range of threat- and component-specific programs and develop effective partnerships with other federal departments and agencies and, as appropriate, with the private sector to build the resilient infrastructure essential to defense operations.

(4) Serve as co-chair of the MA Executive Steering Group.

m. DoD Support to Domestic Counterterrorism. Lead all DoD domestic counterterrorism policy.

(1) Align defense policies with national policies for the prevention and disruption of terrorist attacks in the Homeland in support of key U.S. Government partners, including the National Security Council staff, Department of Justice, Federal Bureau of Investigation, and Department of Homeland Security.

(2) Align homeland defense policies, plans, and programs concerning the prevention and disruption of the use of weapons of mass destruction (WMD) by terrorists in the homeland, and align domestic policy with overall DoD counterterrorism policy, plans, and programs.

(3) Develop, coordinate, and oversee implementation of DoD policy concerning requests for interagency assistance in response to domestic terrorism crises. Advise the Secretary of Defense and other DoD officials on the use of DoD resources and capabilities in domestic counterterrorism roles.

n. DoD Global Antiterrorism Programs. Establish antiterrorism policy, standards, and guidance on protective measures to reduce the vulnerability to terrorist acts on DoD personnel, dependent family members, installations and other facilities, and critical resources. Integrate DoD antiterrorism policy into national security and DoD policy and strategy.
o. CWMD.

(1) Develop, coordinate, and oversee implementation of DoD strategy and policies for CWMD, in accordance with DoDD 2060.02.

(2) Coordinate with the OSD and other DoD Components on technology security matters related to multilateral arms control, export control, and nonproliferation, in accordance with DoDD 5105.72.

(3) Develop, coordinate, and monitor implementation of DoD policies for multilateral arms control and nonproliferation of nuclear, radiological, chemical, biological, and advanced conventional weapons and missiles.

(4) Represent the Secretary of Defense and the USD(P) in interagency and international partner CWMD policy engagements.

(5) Develop and coordinate DoD policy regarding WMD-related international sanctions regimes.

(6) Develop and oversee DoD policy regarding international WMD-related agreements and regimes promulgated by the United Nations.

(7) Provide priority intelligence requirements for collection and analysis to the Intelligence Community. Integrate WMD proliferation-related information and threat assessments into the policy formulation process.

(8) Oversee the management of the cadre of space professionals within DoD, in accordance with DoDD 3100.16.

**t. Additional Duties.** Perform duties as assigned by the Secretary of Defense or the USD(P).
SECTION 3: ASD(HD&GS) RELATIONSHIPS

Under the authority, direction, and control of the USD(P), and in the performance of assigned functions and responsibilities, the ASD(HD&GS) will:

a. Report directly to the USD(P).

b. Coordinate and exchange information with OSD officials, the DoD Component heads, and federal officials with collateral or related responsibilities and functions.

c. Collaborate, coordinate, and exchange information with other OSD Principal Staff Assistants, the CJCS, the DoD Component heads, and federal officials who have related responsibilities and functions. Close coordination will be accomplished to ensure that programs and plans for the use of forces and other high demand resources do not conflict.

d. Serve as the DoD focal point for policy matters pertaining to homeland defense activities, DSCA, space policy, cyber policy, and CWMD matters, including, but not limited to:

(1) Defense domestic consequence management.

(2) MA activities.

(3) Domestic crisis management.

(4) Alignment of homeland defense activities with counterterrorism and counter-narcotics policy and programs and homeland defense activities.

e. Serve as the principal DoD representative on assigned areas of responsibility with interagency partners, the Congress, State governments, local municipalities, and organizations in the private sector.

f. Use existing DoD facilities, systems, and services and other federal departments and agencies, when possible, to avoid duplication and to achieve maximum efficiency and economy.

g. Coordinate with the Assistant Secretary for Defense for Logistics and Materiel Readiness, under the authority, direction, and control of the USD(A&S), for the implementation of the functions described in the January 15, 2016, Memorandum of Agreement.

h. Coordinate, as appropriate, with the Principal DoD Space Advisor or successor official, under the authority, direction, and control of the Secretary and Deputy Secretary of Defense, for space policy matters.
SECTION 4: AUTHORITIES

The ASD(HD&GS) is delegated authority to:

a. Request that DoD Component heads, through appropriate channels, plan for the commitment of DoD resources in response to requests for support from civil authorities.

b. Except as retained by the Secretary of Defense, approve requests for assistance from civil authorities.

(1) Approval of such requests will be coordinated consistent with Paragraph 3.c.

(2) In the absence of the ASD(HD&GS), the Principal Deputy ASD(HD&GS) may exercise the authority of the ASD(HD&GS) to approve such requests. This authority may not be further delegated.

c. Approve requests for the following types of DoD support of civilian law enforcement agencies, in accordance with the June 28, 2016, Deputy Secretary of Defense memorandum:

(1) Non-lethal support that is unrelated to law enforcement functions, such as arrest, search, or crowd and traffic control.

(2) Support provided by non-military personnel under Section 2564 of Title 10, U.S.C., including support contracted by DoD to support civilian law enforcement agencies during certain sporting events.

(3) Chemical, biological, radiological, nuclear, and high-yield explosives detection and response capabilities for pre-planned events with the concurrence of the force providers, CJCS, and other DoD officials, as appropriate.

d. Serve as an approval authority, subject to the following conditions, for waiver of the requirement to reimburse DoD, pursuant to Section 277 of Title 10, U.S.C., up to $500,000 for costs associated with providing support to civilian law enforcement agencies under Chapter 15 of Title 10, U.S.C., or Section 502(f) of Title 32, U.S.C.

(1) Support is provided in the normal course of military training or operations, or the support results in a benefit to the element of the DoD or personnel of the National Guard providing the support that is substantially equivalent to that which would otherwise be obtained from military operations or training, as determined by the unit commander or other appropriate authority.

(2) The relevant Military Department Secretaries, as well as the CJCS, the USD(C)/CFO, the affected Combatant Commanders, the General Counsel of the Department of the Defense, and other DoD officials as appropriate, have concurred in the waiver of reimbursement.

(3) Notification must be provided to the Secretary of Defense of the use of this delegated authority at the earliest opportunity.
e. Issue DoDI s, DoD manuals, and one-time directive-type memorandums, consistent with DoDI 5025.01, implementing policy approved by the Secretary of Defense or the USD(P) in assigned areas of responsibility. Instructions to the Military Departments will be issued through the Secretaries of the Military Departments. Instructions to the Combatant Commands normally will be communicated through the CJCS.

f. Communicate directly with the DoD Component heads, as necessary, to perform assigned responsibilities and functions, including requests for advice and assistance. Communications to the Military Departments are transmitted through the Secretaries of the Military Departments, as otherwise provided in law, or as the Secretary of Defense directs in other DoD issuances. Communications to the Combatant Commanders must be in accordance with DoDD 5100.01.

g. Communicate with other federal, State, and local government officials and representatives of foreign governments, international organizations, the private sector, academia, and the general public, to carry out assigned responsibilities and functions. Communications with representatives of the Legislative Branch will be coordinated with the Assistant Secretary of Defense for Legislative Affairs, except for communications with the Defense Appropriations Committees, which must be coordinated with the USD(C)/CFO.

h. Obtain reports and information consistent with DoDI 8910.01, as necessary, to carry out assigned responsibilities and functions.

i. Negotiate and conclude international agreements in areas of assigned responsibility, in accordance with DoDD 5530.3 and in coordination with the General Counsel of the Department of Defense.
