SUBJECT: DoD Operations at U.S. Embassies

References: See Enclosure 1

1. PURPOSE. This directive:

   a. Reissues DoD Directive (DoDD) 5105.75 (Reference (a)) as DoDD 5205.75 to establish policy and assign responsibilities for the operation of DoD elements at U.S. embassies pursuant to sections 2321i and 3927(a) and (b) of Title 22, United States Code (U.S.C.) (Reference (b)) and section 113(b) of Title 10, U.S.C. (Reference (c)), and consistent with the President’s letter of instruction to Chiefs of Mission (Reference (d)).

   b. Designates the senior defense official/defense attaché (SDO/DATT) as the principal DoD official in U.S. embassies, who serves as the diplomatically accredited defense attaché (DATT) and chief of the security cooperation organization (SCO) (if an SCO is present).

   c. Provides direction to the SDO/DATT and establishes the management relationship between the SDO/DATT and the heads of other DoD elements at U.S. embassies.

   d. Provides guidance on the consolidation of U.S. defense attaché offices (DAOs) and SCOs in diplomatic missions.

   e. Incorporates and cancels DoDD 5132.12 (Reference (e)).

2. APPLICABILITY. This directive applies to OSD, the Military Departments (including the Coast Guard at all times, including when it is a Service in the Department of Homeland Security by agreement with that Department), the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this directive as the “DoD Components”).
3. **POLICY.** It is DoD policy that:

   a. DoD personnel in a foreign country who are not under the command of a U.S. geographic combatant commander (GCC) will be under the authority of the chief of mission (COM) in that country in accordance with subsections 3927(a) and (b) of Reference (b) and DoDD 2065.1E (Reference (f)).

   b. Unified DoD representation in U.S. embassies is critical to the accomplishment of national security objectives.

   c. The SDO/DATT is the COM’s principal advisor on defense issues and the senior diplomatically accredited DoD military officer assigned to a U.S. diplomatic mission. All DoD elements under COM authority are under the coordinating authority of the SDO/DATT, except for the Marine security guard detachment and naval support units.

   d. SDO/DATT nominees may assume the title and responsibilities of the SDO/DATT only after:

      (1) The Under Secretary of Defense for Policy (USD(P)) and the Under Secretary of Defense for Intelligence (USD(I)) recommend appointment of the nominee as the SDO/DATT.

      (2) The nominee completes all required training.

      (3) The nominee arrives on station.

      (4) The nominee receives his or her appointment letter signed by the Secretary of Defense (SecDef).

   e. SDO/DATT nominees may serve as the acting SDO/DATT after the criteria in paragraphs 3d(1) through 3d(3) have been met, but before the nominee receives his or her appointment letter signed by the SecDef. The responsibilities of the acting SDO/DATT are the same as the responsibilities of the SDO/DATT.

   f. A balanced distribution of SDO/DATT billets by Military Service affiliation, including the Coast Guard, promotes DoD interests and allows the Services to provide upward progression within their foreign area officer programs. The apportionment of the SDO/DATT billets by Service (e.g., Country “A” is assigned to the Navy, Country “B” is assigned to the Army, Country “C” is assigned to the Air Force) will be approved by the SecDef.

   g. Functions common to the DAO and the SCO will be consolidated to the maximum extent practical to gain efficiencies, but only if the DAO’s and the SCO’s distinct missions, funding streams, and information sharing environments can be preserved, potential conflicts of interest can be avoided, and there is no adverse impact on DAO or SCO missions.
h. Any change to the size, composition, or mandate of the DAO or the SCO will be coordinated with the Department of State (DOS) and approved by the COM in accordance with National Security Decision Directive 38 (Reference (g)).

i. Security cooperation (SC), including security assistance, functions and responsibilities may be transferred between the SCO and the DAO in accordance with DoD Instruction C-5105.32 (Reference (h)), DoD Directive 5132.03 (Reference (i)), and DoDI 5132.13 (Reference (j)), with the concurrence of the GCC and the approval of the Director, Defense Security Cooperation Agency (DSCA), and the Director, Defense Intelligence Agency (DIA).

j. SDO/DATT billets requiring foreign area officers (FAOs) should be so coded. Whether or not SDO/DATT billets are so coded, they should be filled when practical by FAOs with prior security cooperation and attaché experience, consistent with the providing Military Service's FAO program objectives.

k. DoD personnel will be selected and trained in accordance with Reference (j) before they are assigned to an SCO or a DAO to perform SC activities.

4. RESPONSIBILITIES. See Enclosure 2.
