

Department of Defense **DIRECTIVE**

NUMBER 5505.06

June 6, 2013

Incorporating Change 1, Effective April 28, 2020

IG DoD

SUBJECT: Investigations of Allegations Against Senior DoD Officials

References: See Enclosure 1

1. PURPOSE. This directive reissues DoD Directive (DoDD) 5505.06 (Reference (a)) to establish policy and assign responsibilities for reporting and investigating allegations of misconduct against senior DoD officials in accordance with the appendix to Title 5, United States Code (also known as the “Inspector General Act of 1978, as amended,”) and DoDD 5106.01 (References (b) and (c)).

2. APPLICABILITY

a. This directive applies to the OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense (IG DoD), the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this directive as the “DoD Components”).

b. Nothing in this directive will affect the authority of the DoD Component heads to initiate inquiries or investigations into matters pertaining to their Component and to determine the nature and severity of disciplinary or administrative action in particular cases, consistent with DoD 5500.07-R (Reference (d)) and DoD Instruction (DoDI) 5505.03 (Reference (e)) or other applicable laws, rules, and regulations. However, DoD Components will not initiate an investigation into such allegations against senior officials without first reporting the allegations as required and then coordinating with IG DoD.

3. POLICY. It is DoD policy that:

a. Allegations of misconduct against senior officials will be reported to the IG DoD within 5 workdays of receipt by a DoD Component. Except in unusual circumstances, the IG DoD will notify the appropriate DoD Component or Components when an investigation is initiated.

Allegations of misconduct against senior officials will be vigorously investigated by appropriate investigative organizations.

b. Allegations that a senior official personally participated in discrimination cognizable under an applicable DoD Component regulation are matters of concern to the Secretary of Defense and will be reported to the IG DoD in accordance with section 2 of Enclosure 2 of this directive. Ordinarily, inspector general organizations defer to the investigative process contemplated by the applicable DoD Component regulation. This provision does not preclude the IG DoD from conducting or directing the conduct of an investigation of allegations when the IG DoD deems such action necessary.

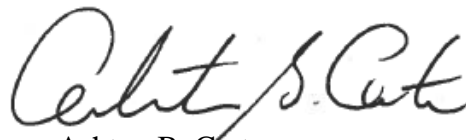

c. Adjudicative bodies investigating allegations against senior officials shall provide the IG DoD a report of determinations and notice of remedies and disciplinary or corrective actions within 5 workdays of such action being taken.

4. RESPONSIBILITIES. See Enclosure 2.

5. RELEASABILITY. **Cleared for public release.** This directive is available on the Directives Division Website at <https://www.esd.whs.mil/DD/>.

6. SUMMARY OF CHANGE 1. The change to this issuance updates references and removes expiration language in accordance with current Chief Management Officer of the Department of Defense direction.

7. EFFECTIVE DATE. This directive is effective June 6, 2013.

Ashton B. Carter
Deputy Secretary of Defense
