1. REISSUANCE AND PURPOSE

This Directive reissues reference (a) to establish policy governing the administrative processing of claims arising out of the operation of nonappropriated fund activities.

2. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities in the Department of Defense (hereafter referred to collectively as the "DoD Components").

3. POLICY

3.1. Current procedures for similar claims against appropriated fund activities should be used to process tort and personnel claims arising out of the operations of nonappropriated fund activities, both inside and outside the United States. In cases where established procedures cannot be applied to such claims, procedures of general similarity shall be used.

3.2. The payment of tort claims arising from the operations of nonappropriated fund activities shall be in accordance with the following:

3.2.1. A tort liability claim brought under reference (b) or (c) is payable with nonappropriated funds when the negligent act or omission giving rise to liability was by a nonappropriated fund employee. Liability arising from acts or omissions of appropriated fund employees or active duty military members is payable with appropriated funds.

3.2.2. A personnel claim is payable with nonappropriated funds when the claimant is a nonappropriated fund employee. Military Personnel and Civilian Employees' Claims Act claims of appropriated fund employees and active duty military members brought pursuant to reference (d), even if working with a nonappropriated fund instrumentality, are compensable with appropriated funds.

4. RESPONSIBILITIES

4.2. The Secretaries of the Military Departments shall issue regulations to implement the foregoing policy as appropriate.
