SECTION 3: PROCEDURES

3.1. GENERAL.

Pursuant to Section 402b of Title 37, U.S.C., the BNA program provides a monthly allowance for Service members who voluntarily apply and whose GHI and household size place them below 150 percent of FPG for their geographical location. The Department of Health and Human Services (HHS) periodically updates the FPG in the Federal Register in accordance with Section 9902(2) of Title 42, U.S.C.

3.2. ELIGIBILITY.

a. Eligible Service Members.

Active duty Service members with dependents are eligible for BNA and may be certified if:

- (1) They have completed initial entry training (IET).
- (2) Their GHI during the most recent calendar year (i.e., the calendar year immediately preceding the year they apply for BNA) did not exceed 150 percent of the FPG for such year, as published by the HHS for their location and the number of individuals in their household.
- (3) They have voluntarily applied for the BNA and provided the required information to determine eligibility, and if found eligible, they will be considered a certified applicant.
- (4) They are not ineligible for the allowance pursuant to Paragraph 3.2.b. or Paragraph 3.2.c.

b. Ineligible Service Members.

Active duty Service members are ineligible for BNA if:

- (1) Their GHI during the most recent calendar year exceeded 150 percent of the FPG for such year, as published by the HHS for their location and the number of individuals in their household;
- (2) They do not have dependents;
- (3) They are a cadet at the United States Military Academy, the United States Air Force Academy, or the U.S. Coast Guard Academy; a midshipman at the United States Naval Academy; or a cadet or midshipman serving elsewhere in the Military Services;
- (4) They have not completed IET;
- (5) Having been notified of potential BNA eligibility, they fail to submit a BNA application within 180 calendar days or a submission deadline established by the implementing

guidance published by the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard, as applicable; or

- (6) They elect in writing not to receive the allowance.

c. Special BNA Eligibility Considerations.

(1) Households with Multiple Eligible Service Members.

When a household contains multiple Service members determined to be eligible to receive BNA pursuant to Paragraph 3.2.a., only one allowance may be received. The household's Service members must jointly elect which eligible Service member must receive the allowance.

(2) Automatic Ineligibility of Service Members Receiving Certain Income Increases.

A Service member determined to be eligible to receive BNA pursuant to Paragraph 3.2.a. will be considered automatically ineligible if their monthly GHI increases as a result of a promotion or other permanent increase to pay or allowances, to include entry into active service, to an amount that, on an annualized basis, would exceed the limit described in Paragraph 3.2.a.(2). If the Service member is receiving BNA, the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must inform them that they are ineligible and payment of the allowance must terminate 60 calendar days after the date of ineligibility. Pursuant to Paragraph 3.7.c., the certified Service member must report changes in GHI to the BNA certifying official to be reviewed and re-certified.

(3) Ineligibility Due to Changes in Income as a Result of Disciplinary Action.

If a Service member's previous calendar year GHI was reduced due to a fine, forfeiture, or reduction in rank imposed as a part of disciplinary action or an action in accordance with Chapter 47 of Title 10, U.S.C., also known as the Uniform Code of Military Justice, they are not eligible for BNA solely due to the fine, forfeiture, or reduction in rank.

(a) A Service member described in Paragraph 3.2.c.(3) who is reinstated to the pay grade held before any reduction in rank may become eligible for BNA, provided they are otherwise eligible pursuant to Paragraph 3.2.a.

(b) A Service member described in Paragraph 3.2.c.(3) who is in receipt of BNA at the time of the fine, forfeiture, or reduction in rank may retain eligibility to BNA if they are otherwise eligible for the allowance pursuant to Paragraph 3.2.a., notwithstanding any fine, forfeiture, or reduction in rank.

(4) Ineligibility Due to Certain Duty Status.

Whenever a Service member is in a non-pay status for any reason, they are not eligible for BNA during the non-pay period. When the Service member is returned to a pay status, they may apply or reapply for BNA if they are otherwise eligible pursuant to Paragraph 3.2.a.

(5) Ineligibility Due to Certain Changes in Household Size.

A Service member will be ineligible for BNA if a change in the number of their dependents reported in the Defense Enrollment Eligibility Reporting System (DEERS) is such that the Service member's GHI exceeds 150 percent of the FPG for the Service member's location and the new number of individuals in their household. If the Service member is receiving BNA, the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must inform them that they are ineligible and payment of the allowance must terminate 60 calendar days after the date of ineligibility. If the certified Service member is receiving BNA when the change in number of dependents is reported in DEERS, pursuant to Paragraph 3.7.c., the certified Service member must report changes in the number of individuals in their household to the BNA certifying official to be reviewed and re-certified.

(6) Eligibility Due to Certain Changes in Household Size.

A Service member may become eligible for BNA if a change in the number of their dependents reported in DEERS is such that their GHI drops below 150 percent of the FPG for their location and the new number of individuals in their household, and they are otherwise eligible pursuant to Paragraph 3.2.a.

3.3. BNA ELIGIBILITY SCREENING.

a. Screening Requirements.

The Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must:

- (1) Screen Service members for BNA eligibility before they complete IET.
- (2) Screen active duty Service members, at least annually, for BNA eligibility after IET.
- (3) Maintain documentation on Service members who were screened and the results of the screenings.

b. Informing Screened Service Members.

Upon determining a screened Service member is eligible for BNA, the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard will, in writing:

- (1) Inform the Service member that they are eligible to apply for BNA, but that screening eligibility does not guarantee certification.

(2) Inform the Service member that to receive BNA, they must submit a BNA application in accordance with instructions and procedures published by their Military Service.

(3) Inform the Service member that submission of a BNA application, including substantiating documentation, and receipt of the allowance are voluntary.

(4) Inform the Service member of additional financial management and assistance programs for which they may be eligible.

(5) Provide the Service member BNA application instructions.

(6) Provide the Service member with deadlines for submitting BNA applications and substantiating documentation required under their Military Service implementing guidance, but the Military Services must establish such deadlines no earlier than 60 calendar days and no later than 180 calendar days after the date of the written screening notification. For Service members undergoing IET at the time of the screening, the application deadline must be no later than 180 calendar days following arrival at their first permanent duty station.

(7) Inform the Service member that if they do not submit a BNA application, with required substantiating documentation, by the established deadline, they will be deemed ineligible for BNA.

(8) As appropriate, inform the Service member on the counseling requirements specified in Paragraph 3.7.c. for applicants.

3.4. APPLICATION.

DoD financial counselors, pay administrators, personnel services, community or family support services, or equivalent command organizations may assist in the application process, but will not grant any Service member final certification for BNA. Assistance may include reviewing documentation, helping Service members obtain necessary paperwork, and gathering information required for certification. The amount of BNA may be estimated and shared with the Service member. The eligibility and estimation are not binding or final until they are certified by the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard.

a. A Service member seeking to receive BNA must submit a signed and complete application in accordance with this issuance and policy established by the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard.

b. The Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must develop an application that will include, at a minimum:

(1) Date of submission.

(2) The Service member's name.

(3) The Service member's DoD identification number.

- (4) The Service member's pay grade.
- (5) The Service member's years of service for purposes of payment of basic pay.
- (6) Pay entry date.
- (7) The Service member's permanent duty station or home port.
- (8) The Service member's current monthly GHI (includes lump sum payments converted to a monthly amount, e.g., a bonus prorated over the period of time to which the bonus applies).
- (9) Preceding calendar year GHI by source. Military income can be obtained and verified through the personnel and pay systems.
 - (a) The monthly amount of GHI attributable to a bonus must be prorated over the period of time to which the bonus applies. If applicable, the bonus will be prorated over the period of time for which the bonus is paid.
 - (b) Sporadic, variable, or seasonal income must be counted only during the month(s) in which it is received. If sporadic, variable, or seasonal income causes the GHI of the Service member to exceed the \$150 per month threshold specified in Paragraph 3.7.c., they must report the sporadic income amount to a certifying official to be reviewed for eligibility under Paragraph 3.2.c.(2).
 - (c) Any GHI that is received in a foreign currency must be converted to U.S. dollars using the prevailing rate of exchange at the time of application.
 - (d) Exclusions from GHI are specified in the definition of GHI in the Glossary.
- (10) Number of individuals in the Service member's household.
 - c. The application should include a statement that the applicant's signature, including any digital signature, confirms that the information in the application is accurate, to the best of their knowledge.
 - d. To the extent practicable, in-place administrative processes must be used to support BNA. When necessary, each Military Service must help applicants of other Military Services submit their application to their own Service. This should be done where reasonable access to their own Military Service is not available, such as at joint commands.
 - e. Service members may submit a BNA application without being notified after a screening. Service members who believe they may be eligible for BNA may consult with DoD financial counselors or officials designated by their respective Military Department or Service to assist in understanding requirements for eligibility.
 - f. The application will include all required information and substantiating documentation to allow the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard to determine eligibility.

g. The application will include all required information to allow the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard to compute BNA.

h. A Service member receiving BNA must annually resubmit an updated, signed application, along with substantiating documentation, to the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard.

3.5. APPLICATION ADJUDICATION.

The Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must establish procedures to determine eligibility and make a determination of the amount of BNA for each certified applicant within 30 calendar days of receiving an application.

a. The Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard must ensure adequately trained personnel are in position to process and certify applications. This includes submitting the transaction to the Defense Finance and Accounting Service or appropriate pay systems.

b. BNA is effective on the application's certification date.

c. The Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard must ensure controls over information processing (e.g., cross-system consistency checks to compare data in different systems and safeguarding personal information) are implemented while processing BNA applications.

d. Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard may reject a Service member's application if they have approved separation orders. Service members receiving BNA and pending separation may continue to receive BNA until separation.

e. Upon determining a Service member's eligibility status, the Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard must notify certified applicants in writing. At a minimum, the written notification must, as applicable, include:

(1) A statement that the Service member is deemed eligible or ineligible for BNA.

(2) A statement that if the applicant's eligibility determination could not be adjudicated, the applicant must be informed of why the application could not be processed.

(3) If the applicant has been deemed ineligible, why the application was denied.

(4) If the applicant is certified to receive BNA, the amount of the monthly BNA.

(5) If an applicant is certified, a notification that they may elect to either receive or decline BNA. Elections to decline BNA must be in writing and must be provided to the certifying official by the Service member.

(6) If an applicant is certified, applicable counseling requirements specified in Paragraph 3.7.c.

(7) Additional financial management and assistance programs for which the applicant may be eligible.

f. Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard must maintain documentation on:

(1) Service members who:

(a) Were notified.

(b) Have applied for the BNA.

(c) Were certified.

(d) Have declined BNA.

(e) Were deemed ineligible based on the criteria in Paragraph 3.2.

(2) The amount of the allowance for certified applicants opting to receive BNA.

3.6. COMPUTATION OF ALLOWANCE.

a. Standard Amount of the Allowance.

(1) BNA for certified applicants must be paid on a monthly basis. Service member eligibility will be determined pursuant to Paragraph 3.2.

(2) BNA must be computed as follows: One and a half times the most recently published annual FPG for the calendar year during which the allowance is paid based on the Service member's duty station and the current number of individuals in their household, including the Service member, minus their GHI during the preceding calendar year, divided by 12. The amount of the BNA must be rounded to the nearest whole dollar. Figure 1 depicts an example of how to compute BNA.

(3) The amount of the decrease in household income resulting from a fine, forfeiture, or reduction in rank may not be used to increase the amount of BNA.

Figure 1. Example BNA Computation

Assumptions: A Service member with the following:	
a.	A household size of five.
b.	Assigned in the State of Ohio.
c.	A prior calendar year GHI - \$39,947
d.	Applicable annual FPG - \$32,470
Sample Computation:	
BNA	= ((1.5x\$32,470) - \$39,947)/12
	= (\$48,705-\$39,947)/12
	= \$8,758/12
	= \$730 per month

b. Alternate Computation of the Allowance for Duty Outside the United States.

If a certified applicant is assigned to a duty location outside the United States, the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must make the calculations described in Paragraph 3.6.a. using the FPG for the 48 contiguous States and the District of Columbia.

c. Proration.

If a Service member is certified for BNA for less than a full month, the BNA must be prorated based on the number of days of the certified applicant's eligibility for the allowance during the month. Proration must be computed at the rate of 1/30th of the monthly BNA amount for each day of certification during the month.

3.7. ADDITIONAL BNA POLICY.

a. Geographic Locations.

(1) The HHS maintains the following geographical locations for the FPG:

- (a) The 48 contiguous States and the District of Columbia.
- (b) Hawaii.
- (c) Alaska.

(2) If a Service member receiving BNA executes a permanent change of station (PCS) and is reassigned from one FPG area specified in Paragraph 3.7.a.(1) to another, BNA must be recomputed based on the new duty location.

(3) Service members assigned to geographic locations outside the defined poverty guideline areas in Paragraph 3.7.a.(1) must use the FPG for the 48 contiguous States and the District of Columbia.

b. Other BNA Recertifying Requirements.

The Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must review BNA eligibility and if necessary, upon the Service member resubmitting an application, the amount of BNA must be recomputed pursuant to Paragraph 3.6.:

(1) Annually on the anniversary date of the original BNA application certification or annually on the date BNA was last certified, whichever is most current.

(2) Whenever a Service member provides substantiated information that their current monthly GHI increases by \$150 or more per month.

(3) Whenever a Service member provides substantiated information that the number of individuals in the household increases or decreases.

(4) Whenever a Service member receiving BNA executes a PCS and is reassigned from one FPG area specified in Paragraph 3.7.a.(1) to another FPG area, BNA must be recertified. Recertification will occur upon arrival at the new duty location using the FPG of the new location. If the PCS is to or from the 48 contiguous States or the District of Columbia to or from a location outside of the United States, it is not necessary to recertify the amount of BNA.

c. Counseling Requirements.

Upon certification, the Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must ensure applicants are counseled on the following:

(1) During participation in BNA, the Service member must report any increase or decrease in recurring monthly GHI of \$150 or more per month, or any increase or decrease in the number of individuals in their household, to the certifying official within 60 calendar days. Failure to report changes may result in termination of BNA eligibility.

(2) Receipt of BNA may affect participation of the household in certain Federal assistance programs, such as subsidized school lunch programs; the Women, Infants, and Children Program; Family Subsistence Supplemental Allowance; low-income utility assistance programs; day care programs; and other income-based assistance programs.

(3) BNA is taxable income pursuant to Section 61 of Title 26, U.S.C.

(4) That the publication of this issuance does not result in a retroactive application of benefits other than that which may result from any intervening time period between the effective dates of this issuance and any further Military Service-specific guidance.

(5) The Service member may voluntarily discontinue BNA at any time.

d. Payment Processing.

The monthly BNA is payable from the date the application is certified. The Secretary of the Military Department concerned or the Commandant of the U.S. Coast Guard must establish procedures to ensure all eligible Service members will be paid the monthly BNA within 30 calendar days of certifying the application.

3.8. EFFECTIVE PERIODS.

a. BNA is payable to eligible Service members for months beginning on and after January 1, 2023.

b. Unless otherwise extended by the Congress, no BNA may be paid after December 31, 2027.
