NUMBER 1444.02, Volume 1 November 5, 2013 Incorporating Change 1, Effective July 21, 2020

USD(P&R)

SUBJECT: Data Submission Requirements for DoD Civilian Personnel: Appropriated Fund

(APF) Civilians

References: See Enclosure 1

1. PURPOSE

a. <u>Instruction.</u> This instruction is composed of several volumes, each containing its own purpose. In accordance with the authority in DoD Directive (DoDD) 5124.02 (Reference (a)), the purpose of the overall instruction is to establish and implement policy, assign responsibilities, prescribe procedures, and establish requirements for submitting DoD civilian personnel records to the Defense Manpower Data Center (DMDC), a component of the Defense Human Resources Activity.

b. Volume. This volume:

- (1) Reissues DoD Instruction (DoDI) 1444.2 (Reference (b)).
- (2) Establishes policy and prescribes procedures and requirements for submitting DoD records on APF direct hire civilians paid exclusively from DoD APFs, including personnel serving without compensation. This includes civilian personnel employed in accordance with section 3101 of Title 5, United States Code (U.S.C.) (Reference (c)) or section 709 of Title 32, U.S.C. (Reference (d)) (e.g., U.S. citizens in U.S. and non-U.S. duty locations, non-U.S. citizens in U.S. duty locations, and military technicians).

2. <u>APPLICABILITY</u>. This volume:

a. Applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense (IG, DoD), the Defense Agencies except as noted in paragraph 2b, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this volume as the "DoD Components").

b. Does not apply to intelligence and counterintelligence agencies, including the National Reconnaissance Office, the National Security Agency, the National Geospatial-Intelligence Agency, and the Defense Intelligence Agency.

3. <u>POLICY</u>. It is DoD policy that:

- a. A comprehensive centralized repository of current and historical DoD civilian personnel data will be used for research, actuarial, and ad hoc analysis.
- (1) In accordance with DoDI 3001.02, DoDI 6490.03, and Directive-type Memorandum 17-004 (References (e), (f), and (g)), extracts are used to provide specialized reporting on the civilian workforce.
- (2) In accordance with DoDI 1000.25, Homeland Security Presidential Directive 12, and Volume 1 of DoD Manual 1000.13 (References (h), (i), and (j)), extracts of the civilian data may be used in the Defense Enrollment and Eligibility Reporting System (DEERS) to create and modify elements relevant to identity management and issuance of Common Access Cards (CACs).
- b. Personally identifiable information (PII) in the repository will be safeguarded following the requirements and procedures prescribed by DoD 5400.11-R (Reference (k)) and DoDI 5015.02 (Reference (l)). Individuals having access to PII may be held personally responsible and punishable for making unauthorized disclosures.
- c. Civilian personnel records will be submitted using Social Security Numbers (SSNs) if available.
- (1) Civilians who do not have SSNs must be submitted using a reliably generated and consistently used pseudo identifier. This identifier is to be centrally managed and not reused or simultaneously used across or within personnel databases.
- (2) Civilians who are concurrently employed in more than one position must use the same identifier across every position. Person identifier data will support the capability to correct and update a person's identity information.
- d. Computer matching programs, as prescribed by Reference (k), will be conducted with other federal and non-federal agencies to:
- (1) Verify eligibility for benefit programs and determine continued compliance with benefit program requirements.
- (2) Recover improper payments made to or delinquent debts owed by federal personnel, including current and former employees.

4. RESPONSIBILITIES

- a. $\underline{USD(P\&R)}$. The $\underline{USD(P\&R)}$ provides overall policy guidance for submitting civilian personnel records within the DoD.
- b. <u>Director, Department of Defense Human Resources Activity (DoDHRA)</u>. Under the authority, direction and control of the USD(P&R) as identified in DoDD 5100.87 (Reference (m)), the Director, DoDHRA:
- (1) Ensures proper custody of automated extracts of civilian personnel records and provides data quality control analysis and reporting, inquiry capabilities, and administrative and computer support.
- (2) Ensures civilian submissions are accomplished through secure electronic data transfer.
- (3) Ensures establishment of account numbers and passwords for all electronic submissions and provides additional system specifications.
- (4) Ensures provision of record-level data, programming, reports, and analytical support, as requested, to the USD(P&R) for special studies requiring use of civilian personnel.
- (5) Reviews the DMDC submission requirements and instructions provided in Enclosure 2 of this volume at least annually, and develops changes, as required.
- d. <u>DoD Components Heads</u>. The DoD Components heads ensure that their respective Components implement this instruction.
- 5. PROCEDURES. See Enclosure 2.
- 6. <u>RELEASABILITY</u>. Cleared for public release. This volume is available on the Directives Division Website at https://www.esd.whs.mil/DD/.
- 7. <u>SUMMARY OF CHANGE 1</u>. The change to this issuance updates references and removes expiration language in accordance with current Chief Management Officer of the Department of Defense direction.

8. <u>EFFECTIVE DATE</u>. Full compliance with the data submission requirements established by this volume is required by September 30, 2014. All other provisions of this volume are effective November 5, 2013.

2. <u>DMDC SUBMISSION INSTRUCTIONS</u>

a. <u>Data Media</u>. Data will be submitted to the DMDC via secure electronic data transfer in compliance with the data submission requirements of this volume.

b. Submission Requirements

- (1) Monthly Status (Master) File Submission Requirements. Five working days after the end of each month, the Defense Civilian Personnel Advisory Service (DCPAS), or designated submitting site, will submit a status file for the APF civilian population in accordance with the layout contained in Enclosure 3 of this volume. The status file must reflect the status of the civilians as of the last day of the month. It must cover all current employees.
