3.5. FPDS.

a. DoD maintains a CI, CT, and FP presence in designated overseas locations through FPDs. FPDs support the CCMDs by detecting and warning of threats to in-transit and assigned DoD personnel and resources. The Secretaries of the Military Departments assign MDCO SAs to FPDs, in accordance with the May 9, 2003 MOU between the Bureau of Diplomatic Security in the Department of State (DOS) and the DoD (or its successor agreement). FPD office manning levels will be determined by the MDCOs, in coordination with the Director, DIA.

(1) In accordance with Section 3927 of Title 22, United States Code, FPD members are under the direction, coordination, and supervision of the chiefs of mission. FPDs maintain close operational synchronization with:

   (a) The regional security officer (RSO).

   (b) The senior defense official/defense attaché (SDO/DATT).

   (c) Other country team members, as appropriate.

(2) In accordance with the 2003 DOS/DoD MOU (or its successor agreement), the MDCOs:

   (a) Have operational and administrative control of designated FPDs.

   (b) Fund all international cooperative administrative support services in accordance with DoDI 7060.06.

   (c) Fund the operational and maintenance costs of designated FPD.
(3) The RSO has primacy for addressing all security issues affecting DoD personnel who are operating in-country under chief of mission authority. The RSO is responsible for ensuring the FPD operates within the security guidelines and procedures established by the DOS, as outlined by the chief of mission, and in accordance with the 2003 DOS/DoD MOU (or its successor agreement).

b. The FPD’s primary mission is to detect and warn of threats to DoD personnel and resources in-transit at overseas locations without a permanent DoD CI presence. The mission further includes serving as a force multiplier for the U.S. Embassy country team in support of the DoD presence and mission, which includes, but is not limited to:

(1) Liaison.

(2) Defense threat assessments.

(3) Route and travel threat assessments.

(4) Foreign intelligence entity and international terrorist threat briefings.

(5) DoD investigative lead reporting.

(6) Intelligence report production.

(7) Conducting or assisting in vulnerability assessments of ports, airfields, other facilities, and routes used by in-transit forces.

(8) CI support to combatting transnational organized crime.

c. FPDs maintain liaison contact with host nation officials to assess an operational picture of the local intelligence, terrorist, and criminal threat.

d. The CCMDs work through the SDO/DATT for tasking the FPD, in accordance with DoDD 5205.75.

(1) The FPD will coordinate all activities with the SDO/DATT, in accordance DoDI C- 5105.81.

(2) The CCMDs will keep the FPD advised of all projected force movements through its area of responsibility.

(3) FPDs will communicate threat information directly to transiting units via established communication channels in a timely manner. FPDs provide assessment findings and reports, threat information, vulnerability assessment data, and related FP information to the CCMD.

e. Triennially, the Joint Staff will review, validate, and prioritize CCMD requests to establish FPDs.
(1) In coordination with the Joint Staff/J2, Joint Staff/J3, and Plans Directorate, CCMDs prioritize requests for FPD locations within assigned area of responsibility and submit the requests to the Joint Staff after initial coordination with the relevant U.S. Embassy.

(2) In coordination with the Joint Staff/J2, the Joint Staff/J3 consolidates the CCMD requests and validates the following requirements; locations will not be selected for an FPD:

(a) If there is an in-garrison or permanent party MDCO element within the identified country.

(b) If the DIA-established intelligence and terrorism threats are both “LOW” and the DOS-established criminal threat is “MEDIUM” or lower.

(c) Without appropriate coordination with the relevant U.S. Embassy or diplomatic post to verify acceptance of the FPD.

(d) If the DOS does not maintain a permanent party RSO in-country.

(3) Following validation of CCMD submissions against criteria identified in Paragraph 3.5.e.(2), the Joint Staff/J3 establishes a single prioritized list of remaining CCMD FPD requirements, based on the assessment criteria agreed upon by the Joint Staff, MDCOs, DIA, and the CCMDs. These criteria will include:

(a) Intelligence, terrorism, and criminal threat levels identified at the time of the assessment.

(b) Annual throughput of DoD personnel, aircraft, and vessels as reported by the CCMDs for the:

1. Current fiscal year.

2. Two immediately preceding fiscal years.

3. Projected data for the following fiscal year.

(c) The number of exercises conducted annually in-country in which DoD participates.

(d) CCMD prioritization of each identified location within its area of responsibility.

(4) The Joint Staff/J3 will provide the prioritized list of CCMDs’ FPD nominations to DIA. The Director, DIA, in coordination with the MDCOs, the Joint Staff, and the USD(I&S), will establish a prioritized list based upon available MDCO resources. CCMD FPD requirements that cannot be fulfilled due to limited MDCO resources will not be considered for staffing.

(a) The MDCOs, the Joint Staff, and the USD(I&S) will review the triennial prioritization list and adjust the list based on changing circumstances such as current and
projected increase in the volume of transient DoD personnel and country or regional threat conditions.

(b) Unfilled requirements will remain on the triennial prioritization list to potentially be filled, contingent upon MDCO resources.

(5) Any FPD requirement on the prioritized list which, during the triennial review, is found to meet one or more of the disqualifying factors identified in Paragraph 3.2.e.(2) will be:

(a) Reviewed by the MDCOs, the Joint Staff, and the USD(I&S).

(b) Considered for removal from the prioritized list or closure.

f. The Joint Staff will evaluate CCMD requests to establish FPDs that develop outside of the triennial review. If validated, the Joint Staff/J3, in conjunction with the Joint Staff/J2, will:

(1) Prioritize the new requirement using the criteria established in Paragraph 3.6.e.(3).

(2) Provide the results to the Director, DIA, who will coordinate with the MDCOs, to assess the requirement against available resources.

g. If a CCMD or MDCO requests to close an FPD earlier than the triennial review, the request will be coordinated with the Director, DIA; the MDCOs; and the DOS. If all parties concur, the Director, DIA will work with the appropriate MDCOs to close the FPD.
