3. POLICY. It is DoD policy that:

a. In accordance with section 926B of Reference (d), notwithstanding any other provision of the law of any State or any political subdivision thereof, a qualified law enforcement officer may carry a concealed firearm that has been shipped or transported in interstate or foreign commerce, if the law enforcement officer:

(2) Is carrying photographic identification issued by the DoD Component for which the individual is employed that identifies the employee as a law enforcement officer of the DoD Component.

b. In accordance with section 926C of Reference (d), notwithstanding any other provision of the law of any State or any political subdivision thereof, a qualified retired law enforcement officer may carry a concealed firearm that has been shipped or transported in interstate or foreign commerce, if the retired law enforcement officer complies with paragraphs 3b(1) and (2), or 3b(1) and (3) of this section:

c. The DoD will not reimburse any cost(s) associated with the qualification requirements contained in Enclosure 3 of this instruction or provide firearms, ammunition, or firearms qualification testing for separated law enforcement officers.

d. This instruction does **not**:

(1) Create any rights, privileges, or benefits, substantive or procedural, enforceable by any party against the United States, its departments, agencies, other entities, its officers, or any other persons.

(2) Limit the authority of a military commander, as outlined in section 930 of Reference (d), section 797 of Title 50, U.S.C., and DoD Instruction 5200.08 (References (f) and (g)), to deny entry to individuals or items based on current security or force protection conditions.

ENCLOSURE 3

PROCEDURES FOR QUALIFYING LAW ENFORCEMENT OFFICERS AND ISSUING IDENTIFICATION CARDS

1. QUALIFIED LAW ENFORCEMENT OFFICER

a. To qualify for the identification card, an individual must be an employee of a DoD Component who:

(1) Is authorized by law to engage in or supervise the prevention, detection, investigation, or prosecution of, or the incarceration of any person for, any violation of law.

(2) Has statutory powers of arrest or authority to apprehend pursuant to section 807(b) of Title 10, United States Code (also known as article 7(b) of the Uniform Code of Military Justice) (Reference (i)).

(3) Is authorized by the organization to carry a firearm.

(4) Is not the subject of any disciplinary action by the organization that could result in suspension or loss of police powers.

(5) Meets the organization's standards, if any, which require the employee to regularly qualify in the use of a firearm of the same type (e.g., revolver or semiautomatic pistol) as the concealed firearm.

(6) Is not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.

(7) Is not prohibited by federal law from receiving a firearm.

b. Upon transfer from one DoD Component to another as a qualified officer, a background check is not necessary as long as the individual:

(1) Provides a letter from the gaining Component to the command issuing the LEOSA credentials reflecting that the individual is in good standing.

(2) Possesses a current DD Form 2760, "Qualification to Possess Firearms or Ammunition."

(3) Maintains the compliance requirements that initially authorized his or her LEOSA identification card.

2. QUALIFIED LAW ENFORCEMENT OFFICER IDENTIFICATION CARDS. The cognizant DoD Component ensures that its organizations:

a. Issue photographic identification for qualified law enforcement officers indicating the individual meets all the requirements for a qualified law enforcement officer in accordance with section 926B of Reference (d). No new identification card needs to be created if the employing organization's current credential or identification card addresses these requirements.

b. Maintain data identifying the officers who have been issued the photographic identification and the dates of their qualification certification.

3. QUALIFIED RETIRED LAW ENFORCEMENT OFFICER. In order to be considered a qualified retired law enforcement officer pursuant to section 926C of Reference (d), the individual will:

a. Be separated in good standing from service with a DoD Component as a law enforcement officer.

b. Before separation, have been authorized to engage in or supervise the prevention, detection, investigation, or prosecution, or the incarceration of any person for any violation of law.

c. Before separation, have had statutory powers of arrest or authority to apprehend pursuant to Reference (i).

d. Before separation, have served as a law enforcement officer for an aggregate of 10 years or more, or separated from service with a DoD Component, after completing any applicable probationary period of service, due to a service-connected disability, as determined by that Component.

e. During the most recent 12-month period, have met, at the expense of the individual, the standards for qualification in firearms training for active law enforcement officers, as determined by the individual's former DoD Component, the State in which the individual resides or, if the State has not established standards, either a law enforcement agency within the State in which the individual resides or the standards used by a certified firearms instructor that is qualified to conduct a firearms qualification test for active duty officers within that State.

f. Have not been officially found by a qualified medical professional employed by the DoD Component to be unqualified for reasons of mental health and as a result of this finding will not be issued the identification card described in section 4 of this enclosure. A new mental health examination need not be required for an identification card to be issued.

g. Have not entered into an agreement with the DoD Component from which the individual is separating from service in which that individual acknowledges he or she is not qualified under section 926C of Reference (d) and this instruction for reasons relating to mental health and for

those reasons will not receive or accept the identification card described in section 4 of this enclosure. Nothing in this instruction requires a mental health examination for separating or separated law enforcement officers seeking a LEOSA identification card.

h. Agree that while armed, will not be under the influence of alcohol or another intoxicating or hallucinatory drug or substance.

i. Not be prohibited by federal law from receiving a firearm.

4. QUALIFIED RETIRED LAW ENFORCEMENT OFFICER IDENTIFICATION CARDS.

The cognizant DoD Component will:

a. Require any previously separated law enforcement officer requesting an identification card to submit documentation to their former law enforcement organization or agency that demonstrates that they meet the criteria in section 3 of this enclosure.

b. Determine specific required documentation.

c. Before issuing a photographic identification card, perform a National Crime Information Center or similar criminal records check to establish that the individual is not prohibited from carrying a firearm.

d. If appropriate, issue a photographic identification card similar to that in the Figure. At a minimum, the card will:

(1) Include the separated law enforcement officer's name and an identification number assigned by the issuing organization.

(2) Contain a current photograph of the separated law enforcement officer.

(3) Contain the following statements:
