SECTION 1: GENERAL ISSUANCE INFORMATION

1.1. APPLICABILITY. This issuance applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff (CJCS) and the Joint Staff, the Combatant Commands, the Office of Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this issuance as the “DoD Components”).

1.2. POLICY. It is DoD policy in accordance with DoDI 1348.33, that:

a. Members of the Military Services serving in a DoD Component, through the DoD Military Decorations and Awards Program, will be recognized with the applicable CE&S medal for qualifying service in military campaigns, expeditions, or other significant military operations, and for otherwise meritorious military service.

b. In general, only one decoration or service medal of the same type (personal military decoration (PMD), CE&S medal, or unit award) is authorized for the same act, achievement, or period of service. Service members are not authorized award of more than one DoD CE&S medal for the same act or period of service, except as authorized in this volume.

c. Receipt of a CE&S medal or a unit award for a given period does not preclude an individual from receiving a PMD for the same period.

d. Unless otherwise stated:

(1) Eligibility for CE&S medals differs from PMDs in that Service members are not recommended for DoD CE&S medals, but are authorized award based on confirmation that eligibility criteria were met through service record verification.

(2) Eligibility determinations are processed by the individual’s respective Military Department.

e. See DoDI 1348.33 for additional policy guidance regarding CE&S medals. Specific eligibility criteria, procedures, and guidance for currently authorized CE&S medals are contained in Section 3 of this volume.

f. On or after August 2, 1990, United States Public Health Service (USPHS) officers assigned, attached, or detailed for full-time or part-time duty to DoD and any of its Components are eligible for U.S. Military ribbons, medals, and decorations on the same basis as an officer of the Military Services. See Section 13 of DoDI 1348.33 for specific policy regarding award of military decorations to USPHS officers.

1.3. INFORMATION COLLECTIONS.

a. Nominations for awards for government employees and Service members, referred to throughout this volume, do not require licensing with a report control symbol in accordance with Paragraph 1.b.(12) of Volume 1 of DoD Manual 8910.01.

b. Recommendations for medal design, referred to in Paragraphs 2.7.e. and 3.4.c., do not require licensing with a report control symbol in accordance with Paragraph 1.b.(9) of Volume 1 of DoD Manual 8910.01.

1.4. SUMMARY OF CHANGE 4.

SECTION 3: DOD CE&S MEDAL PROCEDURES

3.1. PURPOSE OF CE&S MEDALS. DoD CE&S medals recognize Service members for participation in military campaigns, expeditions, or other significant military operations, and for otherwise meritorious military service. Eligibility criteria for CE&S medals are based on a Service member's:

- a. Degree of personal risk (e.g., proximity to the enemy, service in a combat zone, imminent threat of hostilities).
- b. Degree of personal hardship (deployment to a designated AOE).
- c. Participation in designated military operations.
- d. Extent of military service during specified time periods, duration, or types of duty.

3.2. CATEGORIES OF CE&S MEDALS. There are four categories of DoD CE&S medals (Table 1 shows the categorization of current and recent CE&S medals):

a. Campaign Medals. Campaign medals recognize deployed participation in large-scale or long-duration combat operations. Campaign medals are associated with the highest level of personal risk and hardship. They are awarded to Service members who are deployed to the geographic areas where the combat is actually occurring. Service members deployed to areas where combat is occurring as a result of prolonged or large-scale military combat operations should be recognized with a separate and distinct campaign medal.

b. Expeditionary Medals. Expeditionary medals recognize deployed participation in small-scale and/or short-duration combat operations or military operations where there is an imminent threat of hostilities. Expeditionary medals are also awarded to members deployed in support of combat operations, but who are not in the geographic area where the actual combat is occurring. Expeditionary medals are associated with high levels of personal risk and hardship.

c. Deployed Service Medals. Deployed Service medals recognize deployment or assignment to a designated AOE to participate in, or directly support, a designated military operation where there is no foreign armed opposition or imminent threat of hostile action.

d. Individual Service Medals. Individual Service medals recognize individual merit, direct participation in a DoD approved military activity, undertaking, event or operation, or service during a specified period. Some individual service medals, such as the Prisoner of War (POW) medal, may recognize service involving significant personal risk and hardship, while others only recognize being in active military service during a particular period of time.

3.3. TIERS OF CE&S MEDAL RECOGNITION FOR MAJOR GWOT COMBAT OPERATIONS. CE&S medal categories provide three tiers of recognition:

a. Tier 1. Campaign medals recognize Service members who are deployed to the geographic area where major GWOT combat is actually occurring. Members awarded campaign medals have the highest degree of personal risk and hardship as they are conducting the combat operations and are deployed to the area where the combat is actually occurring.

b. Tier 2. The GWOT-EM recognize Service members deployed to areas supporting the major GWOT combat operations, albeit from geographic areas away from where the actual combat is occurring. Expeditionary medals recognize the personal hardship and risk associated with deployment to a potentially hostile foreign environment; however, the personal hardship and risk is less than that incurred by members deployed to the area where the combat is actually occurring.

c. Tier 3. Service medals (e.g., GWOT-SM; National Defense Service Medal) recognize members supporting GWOT combat operations from home station, where personal hardships and risk are minimal compared to Service members who are forward deployed.

<p>Note 1: This list is not all-inclusive. Military Departments also have CE&S medals (e.g., Navy Expeditionary Medal; Air Force Good Conduct Medal; Army Good Conduct Medal). Refer to each Military Department's specific award guidance for additional information.</p> <p>Note 2: Before DoD established comprehensive CE&S medal policy, the naming conventions for DoD CE&S medals were inconsistent. This resulted in several medals with names that do not match the CE&S medal category to which they are assigned.</p>	

3.4. ACTIVATING EXISTING DOD CE&S MEDALS FOR MILITARY OPERATIONS.

a. DoD CE&S medals are designed to provide timely recognition to Service members for participation in a wide range of military operations, including combat operations, military operations that encounter foreign armed opposition or are subject to the imminent risk of foreign hostile action, military operations deemed to be a significant activity, humanitarian operations, or military service during designated periods.

b. Figure 1 provides a simplified DoD CE&S medal decision flowchart to assist with determining the appropriate DoD CE&S medal to consider authorizing or activating based on military operations, personal service, or national threats. Procedures for activating the AFEM, AFSM, HSM, NDSM, or for including new operations under the GWOT-EM, can be found in Section 4 of this volume. Procedures for creating a new campaign medal can be found in Paragraph 3.5.

Figure 1: CE&S Medal Decision Flowchart

3.5. CREATING A NEW CAMPAIGN MEDAL.

a. Deployed participation in prolonged or large-scale military combat operations should be recognized with a separate and distinct campaign medal. Campaign medals are normally established by E.O. The process for establishing a campaign medal is lengthy, requiring approval of the initial medal concept and design; development of the eligibility criteria; and extensive coordination between the OSD, the Joint Staff, Military Departments, and The Institute of Heraldry, Department of the Army. Staff actions should be expedited in order to facilitate recognition of Service members participating in the military campaign.

b. Using the AFEM to initially recognize participation in large-scale or long-duration combat operations, or small-scale or short-term combat operations that evolve into large-scale or long-duration conflicts, will not preclude the creation of a separate and distinct campaign medal.

c. The CJCS recommends creating a new campaign medal to the Secretary of Defense through the USD(P&R). At a minimum, the request will include all of the following:

- (1) Rationale for the creation of a new campaign medal.
- (2) Proposed campaign medal name.
- (3) Proposed period of award (POA).
- (4) Proposed geographic AOE.
- (5) Proposed initial campaign phase(s).
- (6) The applicable CCDR's endorsement.

3.6. TERMINATING CAMPAIGN MEDALS. Timely termination of campaign medals is pivotal to maintaining the prestige and legacy of the CE&S medals.

a. Awarding a designated campaign medal will be terminated when the geographic AOE for the award is:

- (1) No longer designated for hostile fire or imminent danger pay, as authorized by Section 310 of Title 37, U.S.C;
- (2) No longer an area in which entry of Service members on official or unofficial travel is controlled in accordance with the DoD Electronic Foreign Clearance Guide;
- (3) There were no incidences of U.S. forces deployed to the AOE being engaged in combat or being killed or injured in large-scale terrorist attacks during the previous 12 months; or
- (4) When the operational mission has changed from an armed conflict to a military presence.

b. A geographic area where award of a campaign medal is terminated in accordance with the criteria listed in Paragraph 3.6.a., but where there is still a significant military presence or ongoing military operation may transition to a more applicable DoD expeditionary or service medal (e.g., AFEM or AFSM). The request to transition from a campaign medal to an expeditionary or service medal should originate from the applicable Combatant Command and include justification for transitioning to a designated DoD expeditionary or service medal. It will be addressed to the USD(P&R), the approval authority, through the Joint Staff, and will include an endorsement from the CJCS or a designated representative.

SECTION 4: DOD CE&S MEDALS

4.1. AFGHANISTAN CAMPAIGN MEDAL (ACM).

a. Introduction. Public Law (P.L.) 108-234 required that the President establish a campaign medal specifically to recognize service by members of the uniformed services in Operation ENDURING FREEDOM. Such Military Department regulations will be approved by the Secretary of Defense pursuant to E.O. 13363.

(2) Service members awarded the GWOT-EM for ACM qualifying service between September 11, 2001, and April 30, 2005, in an area for which the ACM was authorized

subsequently remain qualified for that medal. Such members, upon application, may be awarded the ACM in lieu of that GWOT-EM. Such election is irrevocable. No Service member will be entitled to both medals for the same act, achievement, or period of service (i.e., deployment or tour in the designated operation area).

(3) Under no condition will personnel or units receive the ACM, GWOT-EM, Iraq Campaign Medal (ICM), Inherent Resolve Campaign Medal (IRCM), or AFEM for the same action, time period, or service (i.e., deployment or tour in the designated operation area).

h. Approval Authority. The Military Department Secretary concerned is the approval authority. For specific Military Department guidance, refer to:

(1) **Army.** Army Regulation (AR) 600-8-22.

(2) **Navy and Marine Corps.** Secretary of the Navy Instruction (SECNAVINST) and Secretary of the Navy Manual (SECNAVMAN) 1650.1 series.

k. Subsequent Awards.

(1) Individuals are only presented an ACM upon initial award.

(2) A separate bronze campaign star is worn on the ACM suspension and campaign ribbon to recognize each designated campaign phase in which the member participated for 1 or more days. A silver campaign star is worn in lieu of five bronze campaign stars. The ACM campaign phases and inclusive dates are listed at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>.

l. Authorized Devices.

(1) **Campaign Stars.** A bronze or silver five-pointed star, 3/16 inch in diameter.

(2) **Arrowhead Device.** A bronze replica of an arrowhead, 1/4 inch high, that may be authorized for wear by the Secretary of the Army or the Secretary of the Air Force.

(3) **Fleet Marine Force (FMF) Combat Operations Insignia.** A miniature bronze Marine Corps emblem that may be authorized by the Secretary of the Navy for U.S. Navy Service members assigned to Marine Corps units that participate in combat during the assignment.

4.3. AFEM.

a. Introduction.

(1) The AFEM, established by E.O. 10977, recognizes Service members who, after July 1, 1958, participate, or have participated, in designated U.S. military operations and encounter, incident to such participation, foreign armed opposition or the imminent threat of hostile action by foreign armed forces.

(2) The AFEM is normally awarded for combat operations and other combat support missions in which hostile action by foreign armed forces is considered imminent.

b. Award Category. Expeditionary Medal.

c. Award Criteria and Eligibility Requirements.

(1) **General Criteria.** The AFEM may be awarded to Service members who after July 1, 1958:

(a) Participate, or have participated, as members of U.S. military units in a U.S. military operation in which Service members of any Military Department participate, in the opinion of the Joint Chiefs of Staff, in significant numbers.

(b) Encounter, incident to such participation, foreign armed opposition, or are otherwise placed, or have been placed, in such position that, in the opinion of the Joint Chiefs of Staff, hostile action by foreign armed forces was imminent even though it did not materialize.

(2) **Category of Operations.** The AFEM may be authorized for the following categories of operations:

(a) U.S. military operations.

(b) U.S. military operations in direct support of the United Nations (UN).

(c) U.S. military operations of assistance for friendly foreign nations.

(3) **Degree of Participation.** Service members must have been permanently assigned, attached, or detailed to a unit that participated in or was engaged in direct support of designated operations for 30 consecutive days or for 60 non-consecutive days in the AOE or meet one of the following criteria, regardless of time spent in the AOE:

(a) Was engaged in actual combat, or duty that is equally hazardous as combat duty, with armed opposition.

(b) While participating in a designated operation was killed, or was wounded or injured requiring medical evacuation from the AOE.

(4) **Aircrew Members.** Aircrew members accumulate required days of service (consecutive or non-consecutive) while participating as a regularly assigned aircrew member of an aircraft flying sorties into, out of, within, or over the AOE in direct support of military operations. One day of service is credited for the first sortie flown on any day. Additional sorties flown on the same day receive no further credit.

(5) **Specific Limitations.**

(a) The medal will be awarded only for operations for which no other U.S. campaign medal is approved. This does not prevent award eligibility for subsequent ongoing operations if the associated campaign medal has been terminated. No individual will be eligible for both the AFEM and a campaign medal awarded during a single tour in the designated operation area. For operations in which personnel of only one Military Department participate, the medal will be awarded only if there is no other suitable award available to that Department.

(b) The military service of the Service member on which qualification for the award of the AFEM is based must have been honorable.

(6) **Relationship to Other CE&S Medals.**

(a) **Southwest Asia Service Medal (SWASM).** Service members who earned the SWASM and subsequently became eligible for the AFEM for Operation SOUTHERN WATCH may wear both awards, with the exception of those who became eligible for both awards during one tour or deployment in Southwest Asia (SWA). Service members who became eligible for both awards during their initial tour in SWA may elect to receive either the SWASM or the AFEM, but may not be issued both medals for a single tour in SWA. Service members who became eligible for both awards during their initial tour in SWA and elected to receive the SWASM may be awarded the AFEM for participation in Operation SOUTHERN WATCH during a subsequent tour in SWA.

(b) **Korea Defense Service Medal (KDSM).** Service members who qualified for the AFEM by reasons of service between October 1, 1966, and June 30, 1974, in an area for which the KDSM was subsequently authorized, are eligible for both the AFEM and KDSM. Award of the KDSM for this time period is a one-time exception to policy to comply with Sections 7286, 8308, and 9286 of Title 10, U.S.C.

(c) AFEM and AFSM for Operation JOINT ENDEAVOR, Operation JOINT GUARD, and Operation JOINT FORGE. In accordance with Section 572 of P.L. 105-85, as an exception to policy, Service members who participated in, or provided direct support to Operation JOINT ENDEAVOR, Operation JOINT GUARD, or Operation JOINT FORGE who were deployed to Bosnia-Herzegovina or Croatia, or aboard U.S. naval vessels operating in the Adriatic Sea, or operating in the air space above these respective areas, are authorized the AFEM in addition to the AFSM, provided they meet AFEM eligibility criteria.

(7) **AFEM Authorized Operations.** A list of the operations that have been approved for award of the AFEM is at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>.

d. Foreign Military Personnel. The AFEM is not authorized for foreign military personnel.

e. Procedures.

(1) The CJCS, after consulting with the Joint Chiefs of Staff, recommends award of the AFEM to the Secretary of Defense, through the USD(P&R) based on criteria listed in Paragraph 4.3.c.

(2) The award recommendation, at a minimum, will include:

(a) The name of the designated U.S. military operation.

(b) The proposed geographic AOE for award.

(c) The proposed POA (i.e., start and end dates).

(d) Documented coordination with the Military Departments.

(3) Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the AFEM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, Federal regulations, and the policies and procedures outlined in this volume.

f. Approval Authority. The Secretary of Defense is the award approval authority and has delegated this authority to the USD(P&R) in accordance with DoDD 5124.02.

g. Posthumous Award. The AFEM may be awarded posthumously.

h. Order of Precedence. The AFEM is worn after the ASM and before the VSM.

i. Subsequent Awards.

(1) Individuals are only presented an AFEM upon initial award.

(2) Subsequent awards are denoted by wearing a bronze service star on the AFEM suspension and service ribbon. Only one award of the AFEM is authorized for each designated

military operation (i.e., only one AFEM is awarded for multiple deployments for the same designated operation). A silver service star is worn in lieu of five bronze service stars.

j. Authorized Devices.

(1) **Service Stars.** A bronze or silver five-pointed star 3/16 inch in diameter.

(2) **Arrowhead Device.** A bronze replica of an arrowhead, 1/4 inch high, that may be authorized for wear by the Secretary of the Army or the Secretary of the Air Force.

(3) **FMF Combat Operations Insignia.** A miniature bronze Marine Corps emblem that may be authorized by the Secretary of the Navy for U.S. Navy Service members assigned to Marine Corps units that participate in combat during the assignment.

k. Illustration and Description. See Appendix 4A.

4.4. AFSM.

a. Introduction. The AFSM, established by E.O. 12985, recognizes Service members who, on or after June 1, 1992, participate, or have participated, in designated U.S. military operations and encounter no foreign armed opposition or imminent hostile action. The AFSM is the non-combat parallel of the AFEM.

b. Award Category. Deployed Service Medal.

c. Award Criteria and Eligibility Requirements.

(1) The AFSM may be awarded to Service members who, on or after June 1, 1992:

(a) Participate, or have participated, as members of U.S. military units, in a designated U.S. military operation deemed to be a significant activity.

(b) Encounter no foreign armed opposition or imminent hostile action.

(2) Service members must have been permanently assigned, attached, or detailed to a unit that deployed to participate in a designated U.S. military operation within the AOE for 30 consecutive days (or for the full period when an operation is less than 30 days) or for 60 non-consecutive days.

(3) Aircrew members must have participated as a regularly assigned crew member on an aircraft flying into, out of, within, or over the AOE in direct support of the designated military operation for 30 consecutive days or 60 non-consecutive days. One day of service is credited for the first sortie flown on any day. Additional sorties flown on the same day receive no further credit.

(4) The AFSM recognizes participants who deploy to the designated AOE for the qualifying operation. Outstanding or meritorious performance of non-deployed or remotely

located support units and individuals does not justify awarding the AFSM. Such performance may be recognized by the appropriate unit or PMD.

(5) The AFSM may be authorized for U.S. military operations for which no other U.S. campaign or service medal is appropriate, such as:

(a) Peacekeeping operations.

(b) Prolonged humanitarian operations.

(c) U.S. military operations in direct support of the UN or the North Atlantic Treaty Organization (NATO), and for operations of assistance to friendly foreign nations. The award is only appropriate if the NATO, UN, or foreign operation involves a concurrent U.S. military support operation.

(6) The AFSM is not authorized for participation in national or international exercises.

(7) For operations in which personnel of only one Military Department participate, the AFSM will be awarded only if there is no other suitable award available to that Department.

(8) A list of the operations that have been approved for award of the AFSM is at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>.

(9) Because the AFSM may be awarded for a prolonged humanitarian operation, distinction between the AFSM and the HSM must be maintained:

(a) The HSM is presented to individuals or units who directly contribute to and influence the humanitarian action, in accordance with Paragraph 4.8. The HSM is only awarded for service during the identified period of immediate relief. Eligibility for the HSM should terminate, and transition to the AFSM or the AFEM, if the humanitarian action evolves into an established ongoing operation beyond the initial emergency condition.

(b) For operations in which all deployed participants are awarded the HSM and for which the period of immediate relief coincides with the duration of significant deployed operations, award of the AFSM is not authorized.

(10) The military service of the Service member on which qualification for the award of the AFSM is based must have been honorable.

d. Foreign Military Personnel. The AFSM is not authorized for foreign military personnel.

e. Procedures.

(1) The CJCS recommends to the Secretary of Defense, through the USD(P&R), based on award criteria listed in Paragraph 4.4.c., award of the AFSM for U.S. military operations deemed to be significant activities.

(2) The award recommendation, at a minimum, will include:

- (a) The name of the designated U.S. military operation.
- (b) The proposed geographic AOE.
- (c) The proposed POA (i.e., start and end dates).
- (d) Documented coordination with the Military Departments.

(3) Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the AFSM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, Federal regulations, and the policies and procedures outlined in this volume.

f. Approval Authority. The Secretary of Defense has delegated AFSM approval authority to the USD(P&R) in accordance with DoDD 5124.02.

g. Posthumous Award. The AFSM may be awarded posthumously.

h. Order of Precedence. The AFSM is worn after the KDSM and immediately before the HSM.

i. Subsequent Awards.

(1) Individuals are only presented an AFSM upon initial award.

(2) Subsequent awards are denoted by wearing a bronze service star on the AFSM suspension and service ribbon. Only one award of the AFSM is authorized for each designated military operation (i.e., only one AFSM is awarded for multiple deployments for the same designated operation). A silver service star is worn in lieu of five bronze service stars.

j. Authorized Devices. The service star, a bronze or silver five-pointed star 3/16 inch in diameter, is the only authorized device.

k. Illustration and Description. See Appendix 4A.

4.5. AFRM.

a. Introduction.

1. Such 10 years of service was performed within a period of 12 consecutive years.

2. Such service will not include service in a regular component of the Military Services, including the Coast Guard, but:

a. Service in a Reserve Component that is concurrent, in whole or part, with service in a regular component of the Military Services will be included in computing the required 10 years of Reserve service.

b. Any period of time during which Reserve service is interrupted by service in a regular component of the Military Services will be excluded in computing and will not be considered a break in the said period of 12 consecutive years.

3. Such service will not include service for which the Naval Reserve Medal or the Marine Corps Reserve Medal has been or may be awarded.

(b) On or after August 1, 1990, the Service member was called to active duty and served in accordance with Sections 12301(a), 12302, 12304, and 12406 of Title 10 U.S.C., or, in the case of the U.S. Coast Guard Reserve, Section 712 of Title 14, U.S.C.

(3) Active Guard and Reserve members who receive orders changing their duty status (legal authority under which they perform duty), their duty location, or assignment to support a contingency operation are eligible for the AFRM provided one of the award criteria in Paragraph 4.5.c.(1)(b) or 4.5.c.(1)(c) are met.

(4) Members of a Naval or Marine Corps Reserve Component who are eligible to receive a Naval Reserve or Marine Corps Reserve Medal may, at their election, be awarded the AFRM in lieu of such medal.

(5) The AFRM will be awarded in lieu of the Naval Reserve and the Marine Corps Reserve Medals for service performed after 20 years from the dates on which such medals were established.

d. Foreign Military Personnel. The AFRM is not authorized for foreign military personnel.

e. Procedures. Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the AFRM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, Federal regulations, and the policies and procedures outlined in this volume. Such Military Department regulations will be approved by the Secretary of Defense pursuant to E.O. 10163.

(3) Air Force and Space Force. AFMAN 36-2806.

g. Posthumous Award. The AFRM may be awarded posthumously.

h. Order of Precedence. The AFRM is worn as determined by the applicable Military Department.

i. Subsequent Awards. (1) Not more than one AFRM may be awarded to any one person. The AFRM is presented with the applicable device upon initial award:

- (b) "M" mobilization device if initial award is pursuant to Paragraph 4.5.c.(1)(b) or 4.5.c.(1)(c).

(2) Subsequent awards are denoted by wearing the applicable authorized devices.

j. Authorized Devices.

(1) **Hourglass Device.** A bronze hourglass denotes 10-years of qualifying service. A silver hourglass and gold hourglass represent 20 and 30 years of service respectively. Simultaneously wearing a gold and a bronze hourglass denotes 40 years of service.

(2) **The “M” Mobilization Device.** Bronze “M” device.

(3) **Arabic Numerals (Bronze or Gold).** See the applicable Military Department regulation or instruction for specific guidance on wear of Arabic numerals.

(4) **Appropriate Wear.**

k. Illustration and Description. See Appendix 4A.

4.6. GWOT-EM.

a. Introduction. The GWOT-EM , established by E.O. 13289, recognizes Service members who, on or after September 11, 2001, serve or have served in military expeditions to combat terrorism.

b. Award Category. Expeditionary Medal.

c. POA. The POA for the GWOT-EM varies depending on the specific operation for which it is authorized. A full list of the POAs for each authorized military operation can be found at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>.

d. Geographic AOE. The complete list of AOE’s for the GWOT-EM can be found at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>. Presence in the AOE alone is not sufficient to justify award of the GWOT-EM; Service members must meet criteria outlined in Paragraph 4.6.e.

e. Award Criteria and Eligibility.

(1) The specific award criteria for award of the GWOT-EM is:

(a) Service members must have been permanently assigned, attached, or detailed to a unit that participated, on or after September 11, 2001 in a designated GWOT-EM operation in the specified AOE for that operation for 30 consecutive days or 60 non-consecutive days, or meet one of the following criteria, regardless of time spent in the AOE:

1. Was engaged in actual combat against the enemy and under circumstances involving grave danger of death or serious bodily injury from enemy action.

2. While participating in the designated operation was killed, or was wounded or injured and medically evacuated from the AOE.

(b) Service members participating as a regularly assigned aircrew member flying sorties into, out of, within, or over the AOE in direct support of the GWOT-EM designated operation are eligible for the GWOT-EM. Each day that one or more sorties are flown in accordance with these criteria will count as 1 day toward the 30 consecutive or 60 non-consecutive day requirement.

(2) Service members must have deployed abroad for a designated GWOT-EM approved operation to a designated AOE for that operation.

(a) The list of approved GWOT-EM eligible operations and associated inclusive dates is at: <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>.

(b) The list of the designated AOE for each approved GWOT-EM eligible operation is at <https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/>. The AOE for an approved operation may be deemed to be non-contiguous, as counterterrorism operations are often global in nature.

(3) The military service of the Service member on which qualification for the award of the GWOT-EM is based must have been honorable.

(4) Service members will only be awarded one GWOT-EM for each designated military operation, regardless of the number of deployments and periods of service supporting the operation. Service members may receive a subsequent award for each designated operation provided award criteria for each operation was achieved on separate deployments and periods of service.

(5) Under no condition will units or personnel within the United States be deemed eligible for the GWOT-EM.

(6) The following is the relationship of the GWOT-EM to other CE&S Medals.

(a) **AFEM.** Service members awarded the AFEM for an operation to combat terrorism between September 11, 2001, and October 28, 2003, in an area for which the GWOT-EM was authorized subsequently remain qualified for that medal. Such members, upon application, may be awarded the GWOT-EM in lieu of that AFEM. Such election is irrevocable. No Service member will be entitled to both medals for the same act, achievement, or period of service (i.e., deployment or tour in the designated operation area).

(b) **ACM and ICM.** In accordance with E.O. 13363:

1. Service members awarded the GWOT-EM for ACM qualifying service between September 11, 2001, and April 30, 2005, in an area for which the ACM was authorized

subsequently remain qualified for that medal. Such members, upon application, may be awarded the ACM in lieu of that GWOT-EM. Such election is irrevocable. No Service member will be entitled to both medals for the same act, achievement, or period of service (i.e., deployment or tour in the designated operation area).

2. Service members awarded the GWOT-EM for ICM qualifying service between March 19, 2003, and April 30, 2005, in an area for which the ICM was authorized subsequently remain qualified for that medal. Such members, upon application, may be awarded the ICM in lieu of that GWOT-EM. Such election is irrevocable. No Service member will be entitled to both medals for the same act, achievement, or period of service (i.e., deployment or tour in the designated operation area).

(c) **IRCM.** Service members awarded the GWOT-EM for IRCM qualifying service between June 15, 2014 and March 30, 2016, in an area for which the IRCM was authorized subsequently remain qualified for that medal. Such members, upon application, may be awarded the IRCM in lieu of that GWOT-EM. Such election is irrevocable. No Service member will be entitled to both medals for the same act, achievement, or period of service (i.e., deployment or tour in the designated operation area).

(d) **GWOT-SM.** Service members may receive both the GWOT-EM and the GWOT-SM if they meet the eligibility requirements of both awards. However, the qualifying period of service used to establish eligibility for one award cannot be used to justify eligibility for the other.

f. Foreign Military Personnel. The GWOT-EM is not authorized for foreign military personnel.

g. Procedures.

(1) The ASD(M&RA), based on the recommendation of the CJCS, will approve or terminate designated military operations and associated AOE(s) for award of the GWOT-EM.

(2) The CJCS recommendation for the ASD(M&RA) to authorize or terminate a military operation or associated AOE(s) for award for the GWOT-EM, at a minimum will include:

(b) Applicable CCDR endorsement or recommendation.

(c) Name of the designated U.S. military operation.

(d) The proposed POA (e.g., start and/or termination date).

(e) The proposed geographic AOE(s) for a new military operation, or recommendation regarding existing AOE(s) for the applicable designed GWOT-EM approved operation.

(3) For designated military operations and associated AOE(s) approved for award of the GWOT-EM, each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the GWOT-EM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, Federal regulations, and the policies and procedures outlined in this volume. Such Military Department regulations will be approved by the Secretary of Defense pursuant to E.O. 13289.

h. Approval Authority. The Military Department Secretary concerned is the approval authority. For specific Military Department guidance, refer to:

(1) **Army.** AR 600-8-22.

(2) **Navy and Marine Corps.** SECNAVINST and SECNAVMAN 1650.1 series.

(3) **Air Force and Space Force.** AFMAN 36-2806.

i. Posthumous Award. The GWOT-EM may be awarded posthumously.

j. Order of Precedence. The GWOT-EM is worn after the IRCM and before the GWOT-SM.

k. Subsequent Awards.

(1) Individuals are only presented a GWOT-EM upon initial award.

(2) Subsequent awards are denoted by wearing a bronze service star on the GWOT-EM suspension and service ribbon of the medal. A silver service star is worn in lieu of five bronze service stars.

l. Authorized Devices.

(1) **Service Star.** A bronze or silver five-pointed star, 3/16 inch in diameter.

(2) **Arrowhead Device.** A bronze replica of an arrowhead, 1/4 inch high, that may be authorized for wear by the Secretary of the Army or the Secretary of the Air Force.

b. Award Category. Individual Service Medal.

c. Award Criteria and Eligibility Requirements.

(1) The Service member must have served on active duty in the Military Services, on or after September 11, 2001, for a minimum of 30 consecutive days or 60 non-consecutive days, not including initial accession training, or

(a) Was engaged in actual combat; or

(b) Was killed, wounded, or died not due to negligence or wrongful misconduct.

(3) The military service of the Service member on which qualification for the award of the GWOT-SM is based must have been honorable.

4.8. HUMANITARIAN SERVICE MEDAL.

a. Introduction. The HSM, established by E.O. 11965, recognizes Service members who, after April 1, 1975, distinguished themselves by meritorious direct participation in a DoD-approved significant military act or operation of a humanitarian nature. The HSM may be awarded to individual Service members or to entire military units.

b. Award Category. Individual Service Medal.

c. Award Criteria and Eligibility Requirements.

(1) The HSM may be awarded to Service members who, subsequent to April 1, 1975, distinguished themselves as individuals or as members of U.S. military units or ships by meritorious, direct participation in a military act or operation of a humanitarian nature.

(2) For humanitarian operations outside of the United States:

(a) After April 1, 1975, but on or before January 6, 2016, the recipient must have been physically present at the designated location, having directly contributed to and influenced the action. The designated location is the immediate site(s) of the humanitarian operations as defined by the Department of State's request for assistance.

(b) On or after January 7, 2016, the recipient must have contributed to and influenced the humanitarian operation while deployed to the designated AOE for the humanitarian operation, as defined by the Department of State's request for assistance for overseas areas. When appropriate, the local commander may propose to the awarding authority specific clarification of designated boundaries based on the intent of the Department of State request for assistance.

(3) For humanitarian operations within the United States, the recipient must have been physically present at the designated location of the humanitarian assistance, having directly contributed to and influenced the action. The designated location is the immediate site(s) of the humanitarian operations, as defined by the Presidential authorization of Federal assistance.

(4) Specifically excluded from eligibility are Service members or elements that remain entirely outside of the AOE, or who were assigned to the AOE but were not directly supporting the humanitarian operation.

(5) Award of the HSM does not prevent or conflict with other medals or ribbons awarded on the basis of unit achievement, or of individual valor, achievement, or meritorious service. The HSM should not be awarded for humanitarian operations that occur as part of the operational plan of a military operation for which a campaign or expeditionary medal is authorized.

(6) No Service member will be entitled to more than one award of the HSM for participation in the same military act or operation of a humanitarian nature.

(7) The following types of military acts or operations may qualify for award of the HSM:

(b) Relief to a famine-stricken area.

(c) Evacuation of personnel from an area threatened by a hostile force.

(d) Support or resettlement of refugees or evacuees.

(e) Other significant military activities, directly related to humanitarian service, as designated in Military Service regulations. These must be above and beyond routine actions. For example, normal search and rescue (SAR) operations conducted by SAR units specifically trained for these types of missions would not be eligible for HSM consideration. Similarly, in accordance with the laws and traditions of the seas, the rescue of stricken vessels by naval units would not normally be eligible.

(f) Acts or operations of a similar nature, as determined by the award approval authority.

(8) Services rendered in one of the above types of act or operation must meet the following criteria:

(a) Be of major significance.

(b) Provide immediate relief, relieve human suffering, and should save lives (property may be a factor).

(c) Must have affected the outcome of the situation.

(d) Must have specific dates and must be restricted to the period of immediate relief. Periods beyond immediate relief are considered established ongoing operations beyond the initial emergency conditions, and these periods are no longer eligible for the HSM.

(e) Must have evidence that the emergency assistance was:

- 2. While engaged in military operations involving conflict with an opposing foreign force; or
- 3. While serving with friendly forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(b) The POW Medal may be awarded to any person who, while serving in any capacity with the Military Services, was held captive under circumstances not covered by Paragraph 4.15.c.(1)(a), but which the Military Department Secretary concerned finds were comparable to those circumstances under which persons have generally been held captive by enemy armed forces during periods of armed conflict.

1. Award of the POW Medal under the comparable conditions provision is the exception and not the rule. Authority to award the POW Medal under this provision may not be delegated below the Military Department Secretary concerned.

2. In cases where personnel from multiple Military Departments were held captive in the same location, the Military Department Secretaries concerned will make a joint determination as to whether the conditions were comparable to those of POWs during periods of armed conflict. If the Service Secretaries fail to reach agreement, they will request a determination from the ASD(M&RA).

(c) The period of service qualifying an individual for the POW Medal must have been honorable for the period of captivity which serves as the basis for award.

1. Any person convicted by a U.S. military tribunal of misconduct or a criminal charge or whose discharge is less than honorable based on actions while a POW is ineligible for the POW Medal.

2. POWs whose conduct is not in accord with the Code of Conduct contained in E.O. 10631 and whose actions are documented by U.S. military records are ineligible for the POW Medal.

3. Resolution of questionable cases is the responsibility of the Military Department Secretary concerned.

(2) **U.S. Civilian Personnel.** The Secretary of the Military Department concerned will evaluate requests for award of the POW Medal to U.S. civilians and will award the POW Medal upon determining that:

(b) The individual meets POW Medal eligibility criteria contained in Paragraph 4.15.c.(1).

(3) **Personnel Missing in Action (MIA).** Award of the POW Medal is based on POW Medal eligibility criteria contained in Paragraph 4.15.c.(1). An MIA designation does not serve as a basis for award of the POW Medal. The return of remains, in and of itself, does not constitute evidence of confirmed POW status.

(4) **Period of Captivity.**

(a) There is no minimum time period of captivity for award of the POW Medal. The Secretary of the Military Department concerned should evaluate each case on its own merit.

(b) A period of captivity terminates on return to U.S. military control. Escapees who do not return to U.S. military control and are recaptured by an enemy do not begin a new period of captivity for subsequent award of the POW Medal.

(5) **Veterans Benefits.** Award of the POW Medal does not constitute eligibility for benefits provided by the Department of Veterans Affairs. Eligibility for such benefits is determined by the policies and procedures published by the Department of Veterans Affairs.

d. Foreign Military Personnel.

(1) The POW Medal is authorized for award to foreign military and civilian personnel who, while serving in any capacity with the Military Services, were taken prisoner and held captive after April 5, 1917.

(2) The Military Department Secretary concerned will evaluate requests for award of the POW Medal to foreign personnel and will award the POW Medal upon determining that:

(a) The individual was serving in a capacity with a branch of the Military Services under the control and authority of the Military Department Secretary concerned.

(b) The individual meets POW Medal eligibility requirements contained in Paragraph 4.15.c.(1).

e. Procedures.

(1) Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the POW Medal, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, Federal regulations, and the policies and procedures outlined in this volume.

(2) The statutory time limits pertaining to award of military decorations do not apply to the POW Medal. The Military Department Secretary concerned may award the POW Medal upon determining that award criterion has been met.

f. Approval Authority. The Military Department Secretary concerned is the approval authority. For specific Military Department guidance, refer to:

(1) **Army.** AR 600-8-22.
