SECTION 1: GENERAL ISSUANCE INFORMATION

1.1. APPLICABILITY. This issuance applies to: OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff (CJCS) and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this issuance as the “DoD Components”).

1.2. POLICY. It is DoD policy in accordance with DoDI 1348.33 that the following award requirements and restrictions apply to the award of DoD Joint PMDs and the JMUA:

   a. Service members serving in a DoD Component will be recognized with the applicable PMD for qualifying acts of valor, non-combat heroism, or meritorious service or achievement.

   b. In general, only one decoration or service medal of the same type (PMD; Campaign, Expeditionary or Service medal; or Unit award) is authorized for the same act, achievement, or period of service.

      (1) A PMD for valor, heroism, or specific achievement within a longer period of meritorious service is not considered duplication, provided the citation for the meritorious service or the accompanying documentation justifying the award does not cite any of the actions for which the valor, heroism, or specific achievement award was earned.

      (2) A PMD for deployed meritorious service (e.g., Bronze Star Medal) within a longer period of service is not considered duplication, provided the citation or the accompanying documentation justifying an award for the longer period of meritorious service does not cite any of the actions for which the deployed meritorious service award was given.

      (3) Receipt of a unit award or Campaign, Expeditionary, or Service medal for a given period does not preclude an individual from receiving a PMD for the same period.

   c. Unless otherwise stated, only Service members assigned to a joint duty activity (JDA) or joint task force (JTF) headquarters are eligible for the DoD Joint PMDs and awards listed in Table 1.

      (1) For JTF headquarters, DoD Joint PMD eligibility is limited to the JTF commander, members of the JTF commander’s staff, and members assigned, attached, or detailed to the JTF headquarters as individuals (not as members of a Service unit).

      (2) Individual mobilization augmentees assigned to a JDA or JTF headquarters are eligible for DoD Joint PMDs.

      (3) Service members attached, detailed, or assigned on temporary orders to a JDA or JTF as individuals are eligible for DoD Joint decorations for outstanding achievement. Such impact awards should be rare and only awarded for truly outstanding achievement.
(4) Service members permanently assigned to staff or faculty positions of joint-Service schools are eligible for DoD Joint PMDs; students of joint-Service or Service-specific schools are not.

(5) Members of the armed forces of friendly foreign nations assigned, detailed, or attached to a JDA or JTF are eligible for the DMSM, JSCM, and JSAM. See Section 9 of DoDI 1348.33 for further guidance on awards to members of foreign militaries.

(6) Being under the operational control of a JDA or JTF does not constitute eligibility for a DoD Joint PMD or the JMU.

(7) Members of Military Service-specific units (i.e., Army, Navy, Marine Corps, and Air Force) assigned or attached to a JDA or JTF, or under the operational control of a JDA or JTF, are not eligible for DoD Joint PMDs or the JMU, but retain eligibility for PMDs and unit awards from their respective parent Military Service.

(a) Personnel assigned to Military Service components that are subsequently attached to a JDA or JTF for administrative or exercise purposes are not eligible for DoD Joint PMDs or the JMU.

(b) Individual Service members performing as part of a unit whose mission is Military Service-specific (e.g., mobile training teams) are not eligible for DoD PMDs or the JMU.

(8) Eligibility for DoD Joint PMDs or the Joint Meritorious Unit Award does not constitute eligibility for joint duty assignment credit, in accordance with Section 668 of Title 10, U.S.C.

d. DoD Joint PMDs are typically awarded for meritorious service, recognizing an individual’s entire period of joint assignment, but under exceptional circumstances, may be awarded as impact awards to recognize a specific act or outstanding achievement separate and distinct from regularly assigned duties.

(1) Impact award recommendations should be submitted only when the achievement is of such magnitude that delaying such recognition until completion of the individual’s tour of duty would diminish the significance of the recognition.

(2) Only under the most unusual circumstances will the DDSM, DSSM, or DMSM be awarded as an impact award for outstanding achievement to members temporarily assigned to a JDA or JTF. The DDSM, DSSM, and DMSM are intended to recognize an individual’s accomplishments over a sustained period.

e. DoD Joint PMDs may not be awarded to any Service member for an act, achievement, or period of service for which a Service-specific PMD has been awarded. Likewise, no Service-specific PMD may be awarded to a Service member for an act, achievement, or period of service for which a DoD Joint PMD has been awarded.
Service members who meet DoD Joint PMD eligibility criteria may be awarded a DoD Joint PMD upon separation or retirement.

(1) Retirement must not be used to justify a higher level decoration than the actual service, achievement, or tenure in the joint assignment supported.

(a) The period of award must only cover the member’s tenure in the joint assignment.

(b) Award recommendations must be based purely on the nominee’s achievements or service during his or her current joint tour, and not on the nominee’s previous assignments or entire career.

(2) In lieu of a DoD Joint PMD, a Service member may be nominated for a PMD from his or her parent Military Service if the retirement from military service coincides with the conclusion of the joint duty assignment. However, this exception does not permit a Service member to receive multiple PMDs for the same period of service.

g. Unless otherwise stated, a Service member who is individually assigned, detailed, or attached to a JDA or JTF will not be recommended for a PMD through his or her parent Service or a sister Service unless an appropriate DoD Joint PMD does not exist.

(1) DoD Joint PMDs will not be used to recognize valorous acts meriting recognition above the JSCM-level. Members assigned to JDAs or JTFs who perform valorous acts warranting recognition above the JSCM-level will be recommended for the appropriate PMD for valor through his/her respective parent Service. Refer to Section 4 of this manual for information regarding valor recognition.

(2) In accordance with Executive Order (EO) 12019, the DMSM is awarded for “non-combat meritorious service or achievement.” The DMSM will not be used to recognize meritorious service or achievement under combat conditions. The BSM is the appropriate PMD to recognize meritorious service or achievement under combat conditions at the DMSM level. Such BSM recommendations shall be submitted through the Service member’s parent Service. Refer to Section 5 of this issuance for additional information regarding recognition for meritorious service or achievement under combat conditions.

h. Exception to policy (ETP) requests for award of the DSSM, DMSM, JSCM, or JSAM should be limited to those Service members, who, in the opinion of the award authority, are performing joint duties in accordance with the definition of joint matters contained in Section 668 of Title 10, U.S.C.
1.3. INFORMATION COLLECTIONS. The award packages referred to throughout this volume do not require licensing with a report control symbol in accordance with Volume 1 of DoD Manual 8910.01.

1.4. SUMMARY OF CHANGE 2. This change:

   a. Incorporates use of the following revised forms into Sections 4 and 5:

      (1) DD Form 2408, “Defense Distinguished Service Medal Certificate.”

SECTION 3: PROCEDURES

3.1. DEFENSE DISTINGUISHED SERVICE MEDAL.

a. Introduction. The DDSM, established by E.O. 11545, is the highest precedence DoD Joint PMD.

b. Award Category. DoD Joint PMD.

c. Award Criteria and Eligibility Requirements.

(1) The DDSM, in accordance with E.O. 11545, may be awarded by the Secretary of Defense to any officer of the U.S. Armed Forces who performs exceptionally meritorious service in a duty of great responsibility with the OSD, the Organization of the Joint Chiefs of Staff, a specified or unified command, a Defense Agency, or for any such other joint activity as designated by the Secretary of Defense.

(2) The DDSM, in accordance with guidance in the June 3, 2003, Secretary of Defense Memorandum, is normally awarded to recognize only the most senior officers of the United States.

(a) Armed Forces whose duties bring them in direct contact with the Secretary of Defense and other senior officials within government and whose exceptional performance of duty and contributions to national security or defense have been at the highest levels.

(b) The DDSM nominee’s duties and responsibilities should bring him or her into direct and frequent contact with the Secretary of Defense and other senior officials within the Government.

1. Examples of such senior government officials are the Deputy Secretary of Defense, the CJCS, the CCDRs, the Secretaries of the Military Departments, and the Chiefs and Vice Chiefs of the Military Services.

2. Normally, such senior officers have direct and ultimate responsibility for a major activity or program that significantly influences the policies of the U.S. Government.

(3) The DDSM may be awarded to other senior officers who serve in positions of great responsibility, or to an officer whose direct and individual contributions to national security or defense are recognized as being so exceptional in scope and value as to be equivalent to contributions normally associated with positions encompassing broader responsibilities.

(4) The DDSM is intended to recognize exceptionally meritorious service and to honor an individual’s accomplishments over a sustained period. It is normally awarded for a period of time greater than 12 months, encompassing the nominee’s entire joint assignment, including any extensions. Only under the most unusual circumstances will the DDSM be awarded for a period of temporary duty.
(5) Refer to Paragraphs 1.2.b. and 1.2.c. for requirements and restrictions regarding award of Joint PMDs.

(6) The DDSM may be awarded with the “C” device to recognize exceptionally meritorious service or achievement performed under combat conditions on or after January 7, 2016. The award narrative must clearly show that the nominee was personally exposed to hostile action or under significant risk of hostile action:

(a) While engaged in action against an enemy of the United States;

(b) While engaged in military operations involving conflict with an opposing foreign force; or

(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(7) The DDSM will not be awarded to any officer for a period of service or achievement for which a Military Department’s Distinguished Service Medal, or similar decoration, has been awarded.

e. Procedures.

(1) DDSM recommendations for members of the Joint Staff or the Combatant Command Headquarters or JDAs reporting to or through the CJCS will be processed through the CJCS for recommendation to the Secretary of Defense. These recommendations will not be boarded at the Joint Staff level. The CJCS will forward recommendations to the Assistant Director, Military Personnel Division, Human Resources Directorate (HRD), WHS, for boarding and processing. Recommendations will be submitted to arrive at the Joint Staff no later than 90 days before the desired presentation date.

(2) All other DDSM recommendations will be submitted to the Assistant Director, Military Personnel Division, HRD, WHS, for boarding and processing. Recommendations require the signature of the Secretary of the Military Department concerned, applicable Under Secretary of Defense, Assistant Secretary of Defense, General Counsel of the Department of Defense, Inspector General of the DoD, or Director.

(a) In their absence, the Principal Deputy may sign the DDSM award recommendation.

(b) Recommendations will be submitted to the WHS no later than 90 days before the desired presentation date.

(3) See Sections 4 and 5 of this volume for detailed information on submitting and preparing DDSM award recommendations respectively.
f. Approval Authority. The DDSM is only approved by the Secretary of Defense.

g. Posthumous Award. The DDSM may be awarded posthumously and presented to the next of kin (NOK).

h. Order of Precedence. The DDSM is worn after the Military Service Crosses (i.e., Distinguished Service Cross, Navy Cross, or Air Force Cross) and before the Military Distinguished Service Medals (i.e., Army Distinguished Service Medal, Navy Distinguished Service Medal, and Air Force Distinguished Service Medal).

i. Subsequent Awards. Individuals are only presented a DDSM upon initial award. Subsequent awards are denoted through wear of authorized devices.

j. Authorized Devices. Refer to Appendix 3B, Figure 1, for device placement.

   (1) “C” Device. The “C” device will only be awarded to indicate award was made for meritorious service or achievement under combat conditions occurring on or after January 7, 2016.

      (a) Only one “C” device is worn to indicate initial award. The “C” device will be centered on the suspension ribbon if not worn with any other devices. Subsequent awards for meritorious service under combat conditions are indicated by oak-leaf clusters or Arabic numerals.

      (b) The “C” device, when worn with Arabic Numerals or oak-leaf clusters, will be to the wearer’s right.

   (2) Arabic Numerals (Bronze or Gold). When the “C” device is worn in combination with oak-leaf clusters and the total number of devices exceeds four, then Arabic numerals (bronze or gold) are worn in place of the oak-leaf clusters to indicate the number of subsequent awards.

   (3) Oak-Leaf Clusters (Bronze or Silver). Oak-leaf clusters, 13/32 inches in length, are worn on the suspension and service ribbon of the medal with the stems of the leaves pointing to the wearer’s right to denote subsequent awards.

      (a) A bronze oak-leaf cluster is worn to designate a subsequent award. No more than four bronze oak-leaf clusters may be worn.

      (b) A silver oak-leaf cluster is worn in lieu of five bronze oak-leaf clusters. Silver oak-leaf clusters are worn to the wearer’s right of a bronze oak-leaf cluster.

      (c) Oak-leaf clusters will be centered on the suspension ribbon when not worn with the “C” device.

      (d) Oak-leaf clusters, when worn with the “C” device, will be to the wearer’s left and the devices will be evenly spaced on the suspension or service ribbon.
1. If the total number of devices exceeds four, then Arabic numerals will be used to indicate subsequent awards rather than oak-leaf clusters.

2. Silver oak-leaf clusters are not authorized with the “C” device. Use Arabic numerals to indicate subsequent awards rather than silver oak-leaf clusters.

k. Illustration and Description. See Appendix 3A.

3.2. DEFENSE SUPERIOR SERVICE MEDAL.

a. Introduction. The DSSM, established by E.O. 11904, is the second highest precedence DoD Joint PMD.

b. Award Category. DoD Joint PMD.

c. Award Criteria and Eligibility Requirements.

(1) The DSSM, in accordance with E.O. 11904, may be awarded by the Secretary of Defense to any Service member who has rendered superior meritorious service in a position of significant responsibility with the OSD, the Organization of the Joint Chiefs of Staff, a specified or unified command, a Defense agency, or such other JDA as may be designated by the Secretary of Defense.

(2) In accordance with the guidance in the July 1, 2003 Director, Administration and Management Memorandum, subsequent to the guidance in the June 3, 2003 Secretary of Defense Memorandum, the nominee’s contributions must be at the highest level and reflect superior meritorious service in a position of significant responsibility.

(3) Refer to Paragraphs 1.2.b. and 1.2.c. for requirements and restrictions regarding award of Joint PMDs.

(4) Service members assigned or attached to a JTF as individuals (not as members of a Service unit) may be eligible for the DSSM. Members of military-specific units (i.e., Army, Navy, Marine Corps, and Air Force) assigned or attached to a JDA or JTF are not eligible for the DSSM but retain eligibility for PMDs and unit awards from their respective parent Military Service.

(5) The DSSM may be awarded with the “C” device to recognize exceptionally meritorious service or achievement performed under combat conditions on or after January 7, 2016. The award narrative must clearly show that the nominee was personally exposed to hostile action or under significant risk of hostile action:

(a) While engaged in action against an enemy of the United States;

(b) While engaged in military operations involving conflict with an opposing foreign force; or
(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(6) The DSSM for specific achievement may be awarded with the “R” device to distinguish that the award was earned for the direct hands-on employment of a weapon system or other warfighting activities that had a direct and immediate impact on a combat operation or other military operation (i.e., outcome of an engagement or specific effects on a target), including Title 10, U.S.C., support of non-Title 10 operations, and operations authorized by an approved execute order. To be designated as such, the action must have been performed through any domain, in circumstances that did not expose the individual to hostile action, or place him or her at significant risk of exposure to hostile action, on or after January 7, 2016, under one of the following conditions:

(a) While engaged in military operations against an enemy of the United States;

(b) While engaged in military operations involving conflict against an opposing foreign force; or

(c) While serving with friendly foreign forces engaged in military operations with an opposing armed force in which the United States is not a belligerent party.

(7) The DSSM is the DoD Joint PMD equivalent of the Legion of Merit and should be awarded accordingly.

(8) The DSSM is intended to recognize superior meritorious service and to honor an individual’s accomplishments over a sustained period. It is normally awarded for a period of time greater than 12 months, encompassing the nominee’s entire joint assignment, including any extensions. Only under the most unusual circumstances will the DSSM be awarded as an impact award for outstanding achievement.

(9) The DSSM will not be awarded to any member of the U.S. Armed Forces for a period of service or achievement for which another military medal, or similar decoration, has been awarded.

d. Foreign Military Personnel. E.O. 11904 limits award of the DSSM to members of the U.S. Armed Forces.

e. Procedures.

(1) DSSM recommendations approved by the CJCS will be processed entirely by the Joint Staff.

(2) DSSM recommendations approved by a CCDR will be processed entirely by the applicable Combatant Command.

(3) All other DSSM recommendations will be forwarded to the Assistant Director, Military Personnel Division, HRD, WHS, for processing. Recommendations will be submitted
no later than 90 days before the desired presentation date. Refer to Section 4 and Section 5 for information on preparing and submitting DSSM award recommendations respectively.

(4) Requests for ETPs or determinations regarding eligibility for the DSSM will be forwarded to:

(a) The Director, Joint Staff (DJS), for the CJCS, for organizations or activities that report to or through the CJCS, to include the Combatant Commands. Disapproval of an ETP request may be made at any level of command.

(b) The CMO for all other organizations or activities. Disapproval of an ETP request may be made at any level of command.

f. Approval Authority.

(1) The CJCS, for Service members assigned to the Joint Staff, and those Service members assigned to joint organizations falling under the CJCS. This authority may be delegated to the DJS, but may not be delegated further.

(2) The applicable CCDR, for Service members assigned as permanent members of their organizations and those Service members assigned to joint organizations falling under the administrative control of the CCDR. This authority may be delegated, in writing, to subordinate operational commanders in the grade of O-10.

(3) The CMO, for all other qualifying Service members. This authority may be delegated to the Director, WHS, but may not be delegated further.

g. Posthumous Award. The DSSM may be awarded posthumously and presented to the NOK.

h. Order of Precedence. The DSSM is worn after the Silver Star medal and before the LOM.

i. Subsequent Awards. Individuals are only presented a DSSM upon initial award. Subsequent awards are denoted through wear of authorized devices.

j. Authorized Devices. Refer to Appendix 3B, Figure 1, for device placement.

(1) “C” Device. The “C” device will only be awarded to indicate award was made for meritorious service under combat conditions performed on or after January 7, 2016.

(a) Only one “C” device is worn to indicate initial award. The “C” device will be centered on the suspension ribbon if not worn with any other devices. Subsequent awards for meritorious service under combat conditions are indicated by oak-leaf clusters or Arabic numerals.

(b) The “C” device, when worn with the “R” device, Arabic Numerals or oak-leaf clusters, will be worn to the wearer’s right.
(2) “R” Device. The “R” device will be awarded to indicate an award for specific achievement was made for remote impacts on combat operations occurring on or after January 7, 2016, (see “R” device award criteria).

(a) Only one “R” device is worn to indicate initial award. The “R” device will be centered on the suspension ribbon if not worn with any other devices.

(b) The “R” device, when worn with the “C” device, Arabic Numerals, or oak-leaf clusters, will be worn to the wearer’s left of the “C” device and to the wearer’s right of oak-leaf clusters or Arabic numerals.

(3) Arabic Numerals (Bronze or Gold). When the “C” device or “R” device is worn in combination with oak-leaf clusters and the total number of devices exceeds four, then Arabic numerals (bronze or gold) are worn in place of the oak-leaf clusters to indicate the number of subsequent awards.

Defense to any member of the Armed Forces of the United States, or to any member of the
armed forces of a friendly foreign nation, who has rendered outstanding non-combat meritorious
achievement or service while assigned to the OSD, the Organization of the Joint Chiefs of Staff,
a specified or unified command, a Defense Agency, or other such JDA as may be designated by
the Secretary of Defense.

(2) The required outstanding meritorious service or achievement, while of a lesser degree
than that required for award of the DSSM, must have been accomplished with distinction.

(3) Refer to Paragraphs 1.2.b. and 1.2.c. for requirements and restrictions regarding
award of Joint PMDs.

(4) Service members assigned or attached to a JDA or JTF as individuals (not as
members of a Military Service unit) may be eligible for the DMSM. Members of military-
specific units (i.e., Army, Navy, Marine Corps, and Air Force) assigned or attached to a JDA or
JTF are not eligible for the DMSM but retain eligibility for PMDs and unit awards from their
respective parent Military Service.

(5) The DMSM may only be awarded for “non-combat meritorious service or
achievement” in accordance with E.O. 12019. Service members assigned or attached to a JDA
or JTF who perform meritoriously under combat conditions or who perform combat actions
warranting recognition at the DMSM-level should be recommended for award of the Bronze Star
Medal in accordance with procedures outlined in the governing regulations of the nominee’s
respective Military Department.

(6) The DMSM is normally awarded to recognize outstanding meritorious service and is
intended to honor an individual’s accomplishments over a sustained period. It is normally
awarded for a period of time greater than 12 months, encompassing the nominee’s entire joint
assignment, including any extensions. The DMSM, when awarded for outstanding achievement,
should provide clear and concise justification as to why an impact award is warranted.

(7) The DMSM for specific achievement may be awarded with the “R” device to
distinguish that the award was earned for the direct hands-on employment of a weapon system or
other warfighting activities that had a direct and immediate impact on a combat operation or
other military operation (i.e., outcome of an engagement or specific effects on a target),
including Title 10, U.S.C., support of non-Title 10 operations, and operations authorized by an
approved execute order. To be designated as such, the action must have been performed through
any domain, in circumstances that did not expose the individual to hostile action, or place him or
her at significant risk of exposure to hostile action; on or after January 7, 2016, under one of the
following conditions:

(a) While engaged in military operations against an enemy of the United States;

(b) While engaged in military operations involving conflict against an opposing
foreign force; or
(c) While serving with friendly foreign forces engaged in military operations with an opposing armed force in which the United States is not a belligerent party.

(8) The DMSM will not be awarded to any member of the U.S. Armed Forces for a period of service or achievement for which another military medal, or similar decoration, has been awarded.

**g. Posthumous Award.** The JSAM may be awarded posthumously and presented to the NOK.
**h. Order of Precedence.** The JSAM is worn after the:

1. *Army.* Army Commendation Medal and before the Army Achievement Medal.
2. *Navy and Marine Corps.* Navy and Marine Corps Commendation Medal and before the Navy and Marine Corps Achievement Medal.

**i. Subsequent Awards.** Individuals are only presented a JSAM upon initial award. Subsequent awards are denoted through wear of authorized devices.

**j. Authorized Devices.** Refer to Appendix 3B, Figure 1, for device placement.

1. **“C” Device.** The “C” device will only be awarded to indicate award was made for meritorious service under combat conditions performed on or after January 7, 2016.
   
   - Only one “C” device is worn to indicate initial award. The “C” device will be centered on the suspension ribbon if not worn with any other devices. Subsequent awards for meritorious service under combat conditions are indicated by oak-leaf clusters or Arabic numerals.
   
   - The “C” device, when worn with the “R” device, Arabic numerals or oak-leaf clusters, will be to the wearer’s right.

2. **“R” Device.** The “R” device will only be awarded to indicate an award for specific achievement was made for remote impacts on combat operations occurring on or after January 7, 2016.
   
   - Only one “R” device is worn to indicate initial award. The “R” device will be centered on the suspension ribbon if not worn with any other devices.
   
   - The “R” device, when worn with Arabic numerals, the “C” device, or oak-leaf clusters, will be to the wearer’s left of the “C” device and to the wearer’s right of oak-leaf clusters.

3. **Arabic Numerals (Bronze or Gold).** When the “C” or “R” device is worn in combination with oak-leaf clusters and the total number of devices exceeds four, then Arabic numerals (bronze or gold) are worn in place of the oak-leaf clusters to indicate the number of subsequent awards.

4. **Oak-Leaf Clusters (Bronze or Silver).** Oak-leaf clusters, 13/32 inches in length, are worn on the suspension and service ribbon of the medal with the stems of the leaves pointing to the wearer’s right to denote subsequent awards.
   
   - A bronze oak-leaf cluster is worn to designate a subsequent award. No more than four bronze oak-leaf clusters may be worn.
(b) A silver oak-leaf cluster is worn in lieu of five bronze oak-leaf clusters. Silver oak-leaf clusters are worn to the wearer’s right of a bronze oak-leaf cluster.

(c) Oak-leaf clusters will be centered on the suspension ribbon when not worn with the “C” or “R” devices.

(d) Oak-leaf clusters, when worn with the “C” or “R” devices, will be to the wearer’s left and the devices will be evenly spaced on the suspension or service ribbon.

1. If the total number of devices exceeds four, then Arabic numerals will be used to indicate subsequent awards rather than oak-leaf clusters.

2. Silver oak-leaf clusters are not authorized with the “C” or “R” devices. Use Arabic numerals to indicate subsequent awards rather than silver oak-leaf clusters.

3.6. JOINT MERITORIOUS UNIT AWARD.

a. Introduction. The JMUA, originally called the DoD Meritorious Unit Award, was established by the Secretary of Defense on June 4, 1981 and was authorized for retroactive award to January 23, 1979.

b. Award Category. DoD Joint Unit Award.

c. Award Criteria and Eligibility Requirements.

(1) The JMUA is only awarded to joint units or JDAs. To qualify, the JDA must either report through combatant or combined command channels or pursue a joint mission under the cognizance of the Secretary of Defense; the CJCS; the commander of a unified, specified, or combined command that is also a joint command; or the Secretary of a Military Department that has been designated the EA for the Secretary of Defense.

(2) The JMUA is awarded to units in recognition of exceptionally meritorious conduct in the performance of outstanding service for periods of performance normally ranging from 1 to 3 years, but not less than 30 days. Outstanding accomplishment of a unit or JDA’s normally assigned and expected mission is not sufficient to justify award of the JMUA. The unit or JDA’s qualifying achievements must be superior to what is normally expected and must have been performed under one of the following conditions:

(a) During action in combat with an armed enemy of the United States;

(b) In a declared national emergency situation;

(c) Under extraordinary circumstances that involve national interests.

(3) Joint units and activities, including JTFs, are eligible for award of the JMUA. Members of military-specific units (i.e., Army, Navy, Marine Corps, and Air Force) assigned or
attached to joint units, activities, or JTFs, even if they are under the operational control of the joint unit, are not eligible for the JMUA, but retain eligibility for unit awards from their respective Military Service.

(4) The JMUA will not be awarded to a joint unit or activity, including a JTF, which has received any other unit award for the same achievement or period of service.

(5) Only members of the U.S. Armed Forces who were present at the time and directly participated in the service or achievement for 30 days or more are eligible.

(a) Members must have been permanently assigned or attached by official orders to the joint unit, activity, or JTF receiving the JMUA. Assigned or attached (including temporary duty or temporary additional duty) status is determined by official orders that specify the joint unit, activity, or JTF as the duty unit.

(b) Local commanders may waive, on an individual basis, the 30-day minimum time requirement for individuals (e.g., Reserve personnel on active duty and temporary duty or temporary additional duty personnel), who, in the opinion of the commander contributed directly to the achievement cited and were assigned on official orders to the awarded unit during the approved time frames.

(6) Civilians within an organization awarded the JMUA will be presented a civilian JMUA lapel pin.

(7) A listing, by unit and inclusive award period, of the approved DoD activities awarded the JMUA can be found at https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/.

d. Foreign Military Personnel. The JMUA may not be awarded to personnel of foreign nations.

e. Procedures.

(1) JMUA recommendations will be submitted through command channels and will be endorsed by commanders at all levels.

(a) Recommendations for JDAs that report directly to an OSD PSA or to the Secretary of a Military Department, for which he or she has been designated the EA for the Secretary of Defense, will be forwarded through those channels to the Assistant Director, Military Personnel Division, HRD, WHS.

(b) Recommendations for JDAs that report directly to or through the CJCS will be forwarded to the DJS.

(2) Requests for ETPs or determinations regarding eligibility for the JMUA will be forwarded through appropriate command channels to:

(a) The DJS, for the CJCS, for organizations or activities that report to or through the CJCS, to include the Combatant Commands. The DJS, for the CJCS, is authorized to grant
exceptions for those units who report directly to, or through the CJCS. Disapproval of an ETP request may be made at any level having an established command or staff position authorized in the grade of O-8 or civilian equivalent.

(b) The CMO, through the Assistant Director, Military Personnel Division, HRD, WHS, for all other organizations or activities. The CMO is authorized to grant exceptions for all other organizations or activities. Disapproval of an ETP request may be made at any level having an established command or staff position authorized in the grade of O-8 or civilian equivalent.

(3) JMUA recommendation must be in narrative form and will include:

(a) Name and location of unit, activity, or organization.

(b) Inclusive dates for the award.

(c) A narrative justification containing specific and factual data about what the activity accomplished, how it was done, what the benefits or results were, and why or how the achievement or service significantly exceeded normal unit duty performance. The narrative justification will not exceed 3 single-spaced typewritten pages. Supporting documents, as appropriate, may be attached. Figure 5 contains a sample format for JMUA recommendations.

(d) Citation.

(e) A listing of qualifying units or Service members attached but not permanently assigned, detailing full name; grade; branch of Service; and permanent unit at the time of the award period. That list must be sorted or grouped by branch of Service.

f. Approval Authority. The JMUA is awarded in the name of the Secretary of Defense. However, authority to award is delegated to:

(1) The CMO for activities that report directly to an OSD PSA or for which the Secretary of a Military Department has been designated the EA for the Secretary of Defense. The CMO will forward a copy of each JMUA approval letter to the Officer and Enlisted Personnel Management Directorate, Office of the Deputy Assistant Secretary of Defense for Military Personnel Policy, Office of the Under Secretary of Defense for Personnel and Readiness.

(2) The CJCS, or designee, for activities that report directly to or through the CJCS. The Chairman’s designee will forward a copy of each JMUA approval letter to the Officer and Enlisted Personnel Management Directorate, Office of the Deputy Assistant Secretary of Defense for Military Personnel Policy, Office of the Under Secretary of Defense for Personnel and Readiness.

g. Posthumous Award. The JMUA may be awarded posthumously.

h. Order of Precedence. The JMUA is worn after the Presidential Unit Citation and:

(1) Army. Before the Valorous Unit Award.
(2) Navy and Marine Corps. Before the Navy Unit Commendation.

(3) Air Force. Before the Air Force Outstanding Unit Award.

i. Subsequent Awards. Subsequent awards are denoted by wearing oak leaf clusters. Oak leaf clusters, 13/32 of an inch in length, are centered on the service ribbon and suspension ribbon of full-size medals, with the stems of the leaves pointing to the wearer’s right.

   (1) Bronze oak-leaf clusters are used to denote the 2nd through 5th (7th through 10th, etc.) award. No more than four bronze oak-leaf clusters will be worn. Bronze oak-leaf clusters may be worn with one or more silver oak-leaf clusters.

   (2) Silver oak-leaf clusters are used in lieu of multiples of five bronze oak-leaf clusters (e.g., the 6th, 11th). One or more silver oak-leaf clusters may be worn with up to four bronze oak-leaf clusters. They are worn to the wearer’s right of a bronze oak leaf cluster.

j. Authorized Devices. Oak-leaf cluster (bronze or silver).

SECTION 4: SUBMISSION AND REVIEW OF DOJ JOINT DECORATION AND AWARD RECOMMENDATIONS

a. Each recommendation for a DoD Joint PMD or JMUA must be entered administratively into official command or staff channels within 1 year of the act, achievement, or service to be recognized. Placement in official channels is defined as “signed by the initiating official and endorsed by a higher official in the chain of command.” Recommendations not submitted within the 1-year requirement must be forwarded as an ETP requesting a time limit waiver to the appropriate approval authority.

b. DoD Joint PMD (i.e., DDSM, DSSM, DMSM, JSCM, and JSAM) and JMUA recommendations will be submitted by official memorandum or letter (original plus three copies or via email) through command or staff channels to the appropriate approval authority identified in Section 3. Each recommendation will be prepared in accordance with Section 5 and will include a narrative justification, proposed award citation, and any other required documents. All recommendations placed in official channels must be forwarded to the designated award authority for approval or disapproval. Intermediate endorsing officials may recommend disapproval or comment on the propriety of lesser or higher awards.

c. Award authorities:

(1) Will administratively review the recommendations against award criteria contained in Section 3, and prepare the:

(a) DD Form 2408, for approved DDSMs.
(b) DD Form 2410, for approved DSSMs.
(c) DD Form 2412, for approved DMSMs.
(d) DD Form 2413, for approved JSCMs.
(e) DD Form 2414, for approved JSAMs.
(f) Approval memorandum and accompanying citation for approved JMUAs.

(2) Instructions for completing the DoD Joint PMD award certificates (i.e., DD Forms 2408, 2410, 2412, 2413, or 2414) are as follows:

(a) For DoD Joint PMDs authorized a “V”, “C”, or “R” device:

1. If using an electronic version of the applicable DD Form, select the applicable device from the drop-down menu. Only those devices authorized for each specific PMD are available for selection.

2. If using a previous hard-copy version of the form, type the applicable device authorized (e.g., with “V” device for Valor; with “C” Device for Combat Conditions; with “R”...
Device for Remote Impacts on Combat Operations) in the space available directly under the 
name of the medal. Table 3 lists the devices authorized for each DoD Joint PMD. Only the “V”, 
“C”, or “R” device will be identified on the certificate, and there will be no reference to the 
number of oak leaf clusters for previous awards.

(b) Type the grade, name, and Military Service (e.g., Brigadier General First M. Last, 
Jr., U.S. Army) of the award recipient in the space provided between the “TO” and “FOR” lines. 
The grade and Service may be abbreviations.

(c) For the date of award:

1. If using an electronic version of the applicable DD Form, select the appropriate 
day (e.g., 1ST, 3RD, 15TH, 22ND), month and year (e.g., December 2018, January 2019) from 
the available drop-down menus.

2. If using a previous hard-copy version of the form, type in the appropriate day, 
month, and year in space provided.

(d) For the approval authority:

1. If using an electronic version of the DD Form 2410, 2412, 2413, or 2414 and 
the Secretary of Defense is not signing the certificate as the approval authority, click the “Add 
Command or Office” link on the form. Type the name of the issuing agency, command or office 
in the text block above the “Command or Office” line. Type the signature block and duty title of 
the approval authority in the text block below the signature line on the bottom right-hand side of 
the certificate.

2. If using a previous hard-copy version of the form, type or letter the name of 
the issuing agency, command, or office above the “Command or Office” line on the bottom left 
side of the certificate. Type the signature block of the approval authority on the lower right side 
of the certificate above the “Secretary of Defense” line (overprinting or typing of the word “for” 
on the approval line is unnecessary).

(e) For electronic versions of the form (i.e., DD Form 2408, 2410, 2412, 2413, or 
2414), print the completed certificate in full-color in landscape orientation on 8.5 x 11 inch 
cardstock (recommended cardstock colors and weights are listed in Table 4). Forms will only be 
printed on recommended or similar cardstock. Review the form to ensure it printed correctly and 
is suitable for signature and presentation to the Service member.

(f) Have the approval authority sign on the line above their respective signature block 
on the lower-right side of the certificate.

(3) Review the proposed citation provided with the award recommendation package, and 
revise for accuracy and correct any administrative errors.

(a) If using an electronic version of the citation (DD Form 2409), once finalized, 
print the citation in full-color in landscape orientation on 8.5 x 11 inch cardstock. 
Recommended cardstock colors and weights are listed in Table 4. Forms will only be printed on

recommended or similar cardstock. Review the form to ensure it printed correctly and is suitable for presentation to the member.

(b) If using a previous hard-copy version of the citation, print the citation on the appropriate citation cardstock.

(4) For approved DoD Joint PMDs:

(a) Keep one copy of the approved PMD (i.e., signed award certificate and accompanying award citation) on file.

(b) Provide the signed award certificate, award citation, and presentation folder back to the recommending command or organization for presentation. For initial awards, also provide the applicable medal set.

(c) Provide one copy of the approved PMD (i.e., signed award certificate and accompanying award citation) to the member’s parent Military Service for filing in the member’s official military personnel file.

(5) For approved JMUAs:

(a) Keep one copy of the JMUA approval on file.

(b) Provide one copy of the JMUA approval memorandum and approved citation to the recommending organization for presentation. The recommending organization is responsible for providing each respective Military Department with a list of that Military Department’s qualifying Service members assigned or attached to the unit during the period of award. If subordinate units are included in the award, the list will include the members assigned or attached to the subordinate units. The list will include the full name; grade; branch of Military Service; and permanent unit of assignment of each member at the time of the award period.

(c) Forward one copy of the JMUA approval memorandum and approved citation to the office of the Deputy Assistant Secretary of Defense for Military Personnel Policy for inclusion on the list of approved JMUAs at: https://prhome.defense.gov/M-RA/Inside-M-RA/MPP/OEPM/.

(6) For disapproved DoD Joint PMDs and JMUAs, notify the submitting organization and return the associated award recommendation package.

d. Recommendations for DoD Joint PMDs and the JMUA officially placed into command or staff channels within 1 year of the act, achievement, or service to be recognized that were not acted on due to loss or inadvertence, may be resubmitted to the appropriate awarding authority for consideration at any time within 3 years after discovery of the fact that the recommendation was not acted on due to loss or inadvertence. Lost recommendations must be forwarded through the same official channels. The resubmission must include the requirements described in Paragraphs 4.d.(1). through 4.d.(3). Resubmissions not documented in this manner will be returned without action.
SECTION 4: SUBMISSION AND REVIEW OF DOD JOINT DECORATION AND AWARD RECOMMENDATIONS

(1) A copy of the original recommendation or its substantive equivalent. At a minimum, the recommendation should be accompanied by statements, certificates, and affidavits corroborating the events or services involved. The person signing a reconstructed award recommendation must be identified clearly in terms of his or her official relationship to the intended recipient at the time of the act or during the period of service to be recognized, even if the person submitting the recommendation had no official relationship at that time.

(2) Evidence that the recommendation was officially placed in command or staff channels within 1 year of the act, achievement, or service to be recognized.

(3) Evidence of the loss of the recommendation or the failure to act on the recommendation through inadvertence.

Note 2: The “R” device is only authorized for medals awarded for a specific achievement (e.g, impact award). It is not authorized for medals awarded for sustained meritorious service (e.g., permanent change of station (PCS) or retirement awards).

Note 3: In accordance with Executive Order 12019, the DMSM is awarded for “outstanding non-combat meritorious achievement or service.” The appropriate award to recognize combat service at the DMSM-level is the BSM.

Note 4. Award of the JSAM is not authorized to recognize combat valor. The member should be recommended for an appropriate combat valor medal (e.g., JSCM with “V”, Air Medal with “V” device; BSM with “V” device, DFC with “V” device, Silver Star Medal, Service Cross, or Medal of Honor).

SECTION 5: PREPARATION OF DoD JOINT PMD AND JOINT MERITORIOUS UNIT AWARD RECOMMENDATIONS

a. Prepare DoD Joint PMD recommendations (i.e., DDSM, DSSM, DMSM, JSCM, and JSAM) in accordance with the sample recommendation shown in Figure 2. Each recommendation will include a detailed narrative justification and award citation. Additional supporting documents will only be included if essential to justifying the award.

(1) The narrative justification must be specific, factual, and provide concrete examples of exactly what the person did, how well he or she did it, what the impact or benefits were, and how he or she exceeded expected duty performance. It must detail how the member’s actions or service met the applicable award criteria contained in Section 3. The narrative justification will not exceed:

(a) Three single-spaced typewritten pages for the DDSM and DSSM.
(b) Two single-spaced typewritten pages for the DMSM.
(c) A single-spaced typewritten page for the JSCM and JSAM.

(2) For awards authorized a distinguishing “V”, “C”, or “R” device, the narrative will state that the device is authorized and will describe how the individual’s actions met the applicable distinguishing device’s award criteria. Award criteria for each device is contained in Section 3. For JSCM recommendations with a distinguishing “V” device for valor, include the minimum requirements for valor award recommendations detailed in Paragraph 4.6. of DoDI 1348.33. Refer to Table 3 for a list of DoD Joint PMDs authorized the “V”, “C” or “R” devices.

(3) The citation is a short factual description of the act, achievement, or service.

(a) For the DoD PMDs (i.e., DDSM, DSSM, DMSM, JSCM, and JSAM):

1. If using the electronic version of the award citation (i.e., DD Form 2409, Defense Joint Decoration Citation), the maximum length is limited to the space provided on the form.

2. If using a previous version of the award citation, the length should be limited to 16 double-spaced typewritten lines; however, for the DDSM and DSSM, if it is necessary to extend the citation beyond 16 lines, single-spacing is acceptable. Previous hard-copy versions of award citations (i.e., DD Form 2409 and DD Form 2411) may be used until existing stock levels are depleted.

(b) Award citation opening sentence will identify the nominee by grade, full name, duty position, assignment location, and inclusive dates (or date of specific act). Compound grade titles (e.g., Brigadier General, First Lieutenant, Staff Sergeant) will be spelled out completely in the opening sentence, but thereafter applicable short grade title (e.g., General, Lieutenant, Sergeant) may be used. The opening sentence will identify if the award is for sustained meritorious service or for a specific meritorious achievement. (The DDSM may only
be awarded for sustained exceptionally meritorious service.) Figure 3 lists the required opening sentences for each DoD Joint PMD.

(c) Award citation closing will be limited to one sentence, and will be personalized by including the nominee’s grade and last name. Figure 4 lists the preferred closing sentences for the DoD Joint PMDs. The word “long” will only be used in the closing sentence when referring to 30 or more years of service. The closing sentence for a JSAM will not use the words “singularly,” “great,” or other similar terms.

(d) Award citations will not include code names, nor any abbreviations.

(e) Award citations will identify if the award is authorized a distinguishing “V”, “C”, or “R” device and briefly describe how the member’s actions met the applicable device award criteria. (The “V” and “R” devices are only authorized on medals awarded for specific achievement, not on medals awarded for sustained meritorious service). Table 3 lists the DoD Joint PMDs authorized the “V”, “C” or “R” devices.

(f) For instances where the member is awarded a subsequent award of the same decoration, the award citation will not indicate the number of the awards (e.g., “second award”) or use the phrase “oak-leaf cluster presented in lieu of second (third, fourth, etc.) award.”

b. Prepare DoD JMUA recommendations in accordance with the sample JMUA recommendation in Figure 5. Each recommendation will include:

(1) A detailed unclassified narrative justification, not to exceed three single-spaced typewritten pages. The narrative must be specific, factual, and provide concrete examples of exactly what the unit did, how well it was done, what the impact or benefits were, and how the unit exceeded expected duty performance. It must detail how the unit’s actions or service met the applicable award criteria contained in Section 3. If subordinate joint units are included in the award, the narrative will justify why those units are included in the award.

(2) A proposed award citation. The citation provides a brief factual description of the acts, achievements, or service. It should not embellish the accomplishments nor include superfluous adjectives. A sample JMUA citation with instructions is at Figure 6. The JMUA citation:

(a) Opening sentence will read: The (unit, activity, or organization) distinguished itself by exceptionally meritorious (achievement or service) from (Month Day, Year to Month Day, Year).

(b) Closing sentence will read: By their exemplary performance of duty, the members of the (unit, activity, or organization) have brought great credit to themselves and to the Department of Defense.

affixed to the citation. The body of the citation will be straightforward in style, with short, simple, direct, and accurate facts.

SECTION 6: LOST DoD JOINT PMD AND JMUA RECOMMENDATIONS

Recommendations for DoD Joint PMDs and the JMUA officially placed into command or staff channels in the prescribed time limitations, but which were not acted on due to loss or inadvertence, may be resubmitted to the appropriate awarding authority for consideration at any time within three years after discovery of the fact that the recommendation was not acted on due to loss or inadvertence. Lost recommendations must be forwarded through the same official channels and are contingent upon the requirements described in Paragraphs 6.1.a. through 6.1.c. Recommendations not so documented will be returned without action. The resubmission must include the following:

a. A copy of the original recommendation or its substantive equivalent. Minimally, the recommendation should be accompanied by statements, certificates, and affidavits corroborating the events or services involved. The person signing a reconstructed award recommendation must be identified clearly in terms of his or her official relationship to the intended recipient at the time of the act or during the period of service to be recognized, even if the person submitting the recommendation had no official relationship at that time.

b. Evidence that the recommendation was officially placed in command or staff channels in the prescribed time limit. Each recommendation for a DoD Joint decoration must be entered administratively into command or staff channels within one year of the act, achievement, or service to be recognized.

c. Evidence of the loss of the recommendation or the failure to act on the recommendation through inadvertence.
SECTION 7: REVOCATION OF DOJ JOINT PMDS

Any DoD Joint PMD awarded for meritorious service or a specific achievement may be revoked if facts, later determined, would have prevented the original approval of the decoration (e.g., a member’s service was not honorable pursuant to Section 8 of DoDI 1348.33).

a. Commanders or staff directors becoming aware of any such instances must immediately report the circumstances and make recommendations, through command channels, to the awarding authority for review and determination of appropriate action.

b. Awarding authorities must seek advice from their legal staff in all cases where there is doubt as to the appropriateness of the award action.

c. A DoD PMD should also be revoked if the basis for which it was awarded no longer exists (e.g., the Service member’s PCS assignment was cancelled). When the awarding authority has determined a DoD PMD should be revoked, the original orders should be rescinded and the Service member notified of the revocation by their respective Military Department.
