SECTION 1: GENERAL ISSUANCE INFORMATION

1.1. APPLICABILITY. This issuance applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this issuance as the “DoD Components”).

1.2. POLICY. It is DoD policy in accordance with DoDI 1348.33, that:

   a. Service members serving in a DoD Component, through the DoD Military Decorations and Awards Program, will be recognized with the applicable personal military decoration (PMD) for qualifying acts of valor, non-combat heroism, or meritorious service or achievement.

   b. No PMD, medal, or device in place thereof, may be awarded or presented to a person whose service after he or she distinguished himself or herself has not been honorable in accordance with Section 1136 of Title 10, United States Code (U.S.C.). Refer to Section 8 of DoDI 1348.33 for additional guidance.

   c. The decision to recommend an individual for a PMD must be performance-based. It must not be based solely on the completion of a tour of duty or deployment, nor based solely on the individual’s grade.

   d. A Service member who performs an act(s) of valor will be accorded appropriate recognition based solely on the merits of his or her actions. The Service member’s grade will not be a factor in determining the type or level of recognition, nor will any quotas be established limiting the number of valor decorations that may be recommended or approved.

   e. Recommendations for decorations and awards must be reviewed if they are placed into official channels in accordance with the statute, Executive order (E.O.), and regulatory guidance for that particular award.

   f. Each valor decoration recommendation will be acted upon within 20 work days of receipt at each echelon in the review process.

   g. DoD goals for initiating and processing valor decoration recommendations are:

      (1) Initiate valor decoration recommendations within 90 days of the act justifying award. Timely initiation helps ensure witness statements and other evidence justifying the decoration is collected as close to the date of the combat event as possible.

      (2) Military Departments forward endorsed Medal of Honor recommendations to the Secretary of Defense within 12 months of award initiation.
(3) The award authority concerned take final action on recommendations for Military Service Cross, Silver Star Medal (SSM), and lower-level valor decorations within 12 months of decoration initiation.

(4) Though better decoration initiation and processing timeliness are desired, the Department’s preeminent goal is that all Service members who perform valorous acts receive appropriate recognition. The goals stated above must not be used to avoid processing any recommendation that is initiated within statutory or regulatory time limits. Whether an individual decoration recommendation meets the DoD timeliness goals must not be a factor in determining the level of the decoration approved. The level of the decoration approved must be based solely on the merits of the act(s).

h. In general, only one decoration or Service medal of the same type (PMD, campaign, expeditionary, service medal, or unit award) is authorized for the same act, achievement, or period of service.

(1) Receipt of a unit award or campaign, expeditionary, and service medal for a given period does not preclude an individual from receiving a PMD for the same period.

(2) A PMD for valor, heroism, or specific achievement within a longer period of meritorious service is not considered duplication, provided the citation for the meritorious service or the accompanying documentation justifying the award does not cite any of the actions for which the valor, heroism, or specific achievement PMD was awarded.

(3) A PMD for deployed meritorious service (e.g., Bronze Star Medal (BSM)) within a longer period of service is not considered duplication, provided the citation or the accompanying documentation justifying an award for the longer period of meritorious service does not cite any of the actions for which the deployed meritorious service PMD was awarded.

i. Service members must be recognized for acts of valor with a military decoration for valor. Service members are not authorized to wear non-military decorations or awards specifically intended to recognize valorous actions on their military uniform.

j. Eligibility for the Purple Heart (PH) differs from other PMDs. An individual is entitled to the PH upon determination by the Secretary of the Military Department concerned that award criteria were met.

1.3. SUMMARY OF CHANGE 3. This change replaces references to the Chief Management Officer of the Department of Defense with the Director of Administration and Management (DA&M) with regard to decorations and awards responsibilities in accordance with Section 901 of Public Law 116-283, which eliminated the position of the Chief Management Officer of the Department of Defense effective January 1, 2021 and the January 11, 2021 Deputy Secretary of Defense memorandums, which implemented Section 901 and reestablished the DA&M.
SECTION 2: RESPONSIBILITIES

2.1. ASSISTANT SECRETARY OF DEFENSE FOR MANPOWER AND RESERVE AFFAIRS. Under the authority, direction, and control of the Under Secretary of Defense for Personnel and Readiness, the Assistant Secretary of Defense for Manpower and Reserve Affairs (ASD(M&RA)):

2.3. DIRECTOR, DEFENSE INTELLIGENCE AGENCY. Under the authority, direction, and control of the Under Secretary of Defense for Intelligence and Security, the Director, Defense Intelligence Agency, will, upon the request of a Secretary of the Military Department, provide an intelligence assessment to support PH adjudication for attacks potentially meeting the requirements of Section 1129a of Title 10, U.S.C.

2.4. DIRECTOR, DEFENSE LOGISTICS AGENCY. Under the authority, direction, and control of the Under Secretary of Defense for Acquisition and Sustainment, the Director, Defense Logistics Agency, procures and stocks DoD decorations and awards for procurement by the DoD Components.

   a. Establish procedures requiring their respective Departments to comply with pertinent laws, E.O.s, federal regulations, and the policies and procedures outlined in this volume.

   b. Comply with the provisions of E.O. 3524 as they pertain to designing medals and insignia.

   c. Ensure Military Department and Service award guidance (e.g., regulations, instructions, manuals) specifically reference this issuance.

   d. Notify the ASD(M&RA) before awarding any PH medals pursuant to Section 1129a of Title 10, U.S.C.
e. Request that the ASD(M&RA) approve any changes to criteria or eligibility for the SSM, LOM, DFC, BSM, PH, or Meritorious Service Medal (MSM) within their respective departments in accordance with E.O.s 11016, 11046, 11448, and 13830.

f. Notify the Secretaries of the other Military Departments when an individual is nominated for a valor award for actions in a combat engagement that involved forces of the other Military Services.

2.6. SECRETARY OF THE ARMY. In addition to the responsibilities in Paragraph 2.5., the Secretary of the Army:

a. Upon request by the Secretary of another Military Department or the Chairman of the Joint Chiefs of Staff, provides heraldic support for the design of flags, insignia, badges, medals, seals, decorations, guidons, streamers, final pieces for flagstaffs, buttons, buckles, awards, trophies, marks, emblems, rosettes, scrolls, braids, ribbons, knots, tabs, cords, and similar items as authorized by Section 7594 of Title 10, U.S.C.

b. Advises other federal departments and agencies on matters of heraldry.

c. Prescribes regulations providing for reimbursement for services furnished.

d. Acts on behalf of DoD in establishing regulations governing control in manufacture and quality of decorations.
SECTION 3: PROCEDURES FOR DoD-WIDE DECORATIONS AND AWARDS

3.1. MILITARY SERVICE CROSSES.

a. Introduction. The Military Service Crosses (Distinguished Service Cross – Army; Navy Cross – Navy and Marine Corps; and Air Force Cross – Air Force) are the second highest military decorations in precedence following the Medal of Honor. The Military Service Crosses are awarded to recognize extraordinary combat heroism not justifying award of the Medal of Honor.

b. Award Category. Personal Valor Decoration.

c. Award Criteria and Eligibility Requirements.

(1) In accordance with E.O. 13830, the Secretary of the Military Department concerned may award the applicable Service Cross, as authorized by Sections 7272, 8292, and 9272 of Title 10, U.S.C., in the name of the President, to any person who, while serving in any capacity with the Army, Navy, Marine Corps, or Air Force, distinguishes himself or herself by extraordinary heroism not justifying the award of the Medal of Honor:

(a) While engaged in an action against an enemy of the United States;

(b) While engaged in military operations involving conflict with an opposing foreign force; or

(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) The required heroism, while of a lesser degree than that required for award of the Medal of Honor, must nevertheless have been performed with marked distinction. The Service Cross is awarded for singular acts of valor or for extraordinary heroism over a very brief period, such as one or two days of a battle. The Service Cross will not be awarded for an accumulation of lesser acts of heroism over time, none of which by itself would justify this level of decoration. Nor will the Service Cross be awarded in recognition for any period of meritorious service, regardless of the scope or impact of such service.

(3) The heroic actions of each Military Service Cross nominee will be reviewed against Medal of Honor award criteria by the Secretary of the Military Department concerned to ensure the nominee’s actions do not justify award of the Medal of Honor.

(4) In accordance with Section 1136 of Title 10, U.S.C., the award is not authorized if the awardee’s service after the act justifying award was not honorable. Refer to Section 8 of DoDI 1348.33 for additional guidance.
(5) In accordance with Sections 7274, 8299, and 9274 of Title 10, U.S.C., no Military Service Cross may be awarded to any person unless:

(a) A statement setting forth the act and recommending official recognition of it was made through official channels within 3 years from the date of the act. However, the Department’s goal is for valor award recommendations to be initiated within 90 days of the act justifying award. Timely initiation helps ensure witness statements and other evidence justifying award is collected as close to the date of the combat event as possible. Once initiated each recommendation will be acted upon within 20 work days of receipt at each echelon in the review process.

(b) The award is made within 5 years after the date of the act justifying award. However, the Department’s goal is for the Secretary of the Military Department concerned to act on Service Cross award recommendations within 12 months of award initiation.

(c) Though better award initiation and processing timeliness is desired, the Department’s preeminent goal is that all Service members who perform valorous acts receive appropriate recognition. The goals stated above must not be used to avoid processing any recommendation that is initiated within statutory or regulatory time limits. Whether an individual award recommendation meets the DoD timeliness goals must not be a factor in determining the level of the award approved. The level of the decoration approved must be based solely on the merits of the act(s).

d. Foreign Military Personnel. The Military Service Crosses may be awarded to foreign military personnel pursuant to Section 9 of DoDI 1348.33.

e. Procedures.

(1) Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of its associated Military Service Cross, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, federal regulations, and the policies and procedures outlined in DoDI 1348.33 and this volume.

(2) Procedures for processing Military Service Cross recommendations for eligible foreign personnel will be in accordance with DoDI 1348.33.

f. Approval Authority. The Secretary of the Military Department concerned is the approval authority for that Department’s respective Military Service Cross. For specific Military Department guidance, refer to:

(1) Army. See Army Regulation (AR) 600-8-22.

(2) Navy and Marine Corps. See the Secretary of the Navy Instruction (SECNAVINST) and Secretary of the Navy Manual (SECNAVMAN) 1650.1 series.

(3) Air Force. See Air Force Manual (AFMAN) 36-2806. Pursuant to current statutory and E.O. guidance persons who distinguish themselves while serving in any capacity with the
Space Force are not eligible for award the Service Crosses. Once applicable guidance is revised to expand eligibility to this class of persons, this issuance will be revised accordingly.

**g. Posthumous Award.** In accordance with Sections 7282, 8300, and 9282 of Title 10, U.S.C., the Military Service Crosses may be awarded posthumously.

**h. Order of Precedence.** Military Service Crosses are worn after the Medal of Honor and before the Defense Distinguished Service Medal.

**i. Subsequent Awards.**

1. In accordance with Section 7274, 8299, and 9274 of Title 10, U.S.C., individuals are only presented a Military Service Cross medal upon initial award.

2. Subsequent awards are denoted by wearing the appropriate device on the suspension and service ribbon of the medal.

**j. Authorized Devices.** Refer to the applicable Military Department regulation for specific guidance on the wear of authorized devices. Authorized devices are:

1. Oak-leaf cluster (bronze or silver).

2. 5/16 inch stars (gold or silver).

### 3.2. MILITARY DEPARTMENT DISTINGUISHED SERVICE MEDALS.

**a. Introduction.** The Military Department Distinguished Service Medals (DSMs) are awarded to recognize exceptionally meritorious service to the United States in a duty of great responsibility. Each Military Department’s DSM has a unique design.

**b. Award Category.** PMD.

**c. Award Criteria and Eligibility Requirements.**

1. In accordance with E.O. 13830, the Secretary of the Military Department concerned may award the applicable DSM, as authorized by Sections 7273, 8293, and 9273 of Title 10, U.S.C., in the name of the President, to any person who, while serving in any capacity with the Army, Navy, Marine Corps, or Air Force, distinguishes himself or herself by exceptionally meritorious service to the United States in a duty of great responsibility.

2. The DSMs may be awarded with the “C” device to recognize exceptionally meritorious service or achievement performed under combat conditions on or after January 7, 2016. The award narrative must clearly show that the nominee was personally exposed to hostile action, or was at significant risk of exposure to hostile action:

   a. While engaged in action against an enemy of the United States;
(b) While engaged in military operations involving conflict with an opposing foreign force; or

(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(3) In accordance with Sections 7274, 8299, and 9274 of Title 10, U.S.C., no DSM may be awarded to any person unless:

(a) The award is made within 5 years after the date of the service justifying award.

(b) A statement setting forth the act or distinguishing service, and recommending official recognition of it, was made through official channels within 3 years from the date of the act or service.

(4) In accordance with Section 1136 of Title 10, U.S.C., the award is not authorized if the awardee’s service after the act or service justifying award was not honorable. Refer to Section 8 of DoDI 1348.33 for additional guidance.

d. Foreign Military Personnel. In accordance with DoD policy, the DSMs will not be awarded to foreign military personnel. The highest award for meritorious service or achievement that may be awarded to foreign personnel is the LOM in the appropriate degree.

e. Procedures. Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of its associated DSM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, federal regulations, and the policies and procedures outlined in DoDI 1348.33 and this volume.

f. Approval Authority. The Secretary of the Military Department concerned is the approval authority for that Department’s respective DSM. For specific Military Department guidance, refer to:

(1) Army. See AR 600-8-22.

(2) Navy and Marine Corps. See the SECNAVINST and SECNAVMAN 1650.1 series.

(3) Air Force. See AFMAN 36-2806. Pursuant to current statutory and E.O. guidance persons who distinguish themselves while serving in any capacity with the Space Force are not eligible for award the Military Department Distinguished Service Medals. Once applicable guidance is revised to expand eligibility to this class of persons, this issuance will be revised accordingly.

g. Posthumous Award. In accordance with Sections 7282, 8300, and 9282 of Title 10, U.S.C., the DSMs may be awarded posthumously.

h. Order of Precedence. The DSMs are worn after the Defense Distinguished Service Medal and before the SSM.
SECTION 3: PROCEDURES FOR DOD-WIDE DECORATIONS AND AWARDS

b. Award Category. Personal Valor Decoration.

c. Award Criteria and Eligibility Requirements.

(1) In accordance with E.O. 13830, the Secretary of the Military Department concerned may award the SSM, as authorized by Sections 7276, 8294, and 9276 of Title 10, U.S.C., in the name of the President, to any person who, while serving in any capacity with the Army, Navy, Marine Corps, or Air Force, distinguishes himself or herself by gallantry in action that does not warrant award of the Medal of Honor or a Military Service Cross:

(a) While engaged in an action against an enemy of the United States;

(b) While engaged in military operations involving conflict with an opposing foreign force; or

(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) The required gallantry, while of a lesser degree than that required for award of a Military Service Cross, must nevertheless have been performed with marked distinction.

(3) The SSM is awarded for singular acts of valor or for heroism over a very brief period, such as one or two days of a battle. The SSM will not be awarded for an accumulation of lesser acts of heroism over time, none of which by itself would justify this level of decoration.
Nor will the SSM be awarded in recognition for any period of meritorious service, regardless of the scope or impact of such service.

(4) In accordance with Section 1136 of Title 10, U.S.C., the award is not authorized if the awardee’s service after the act justifying award was not honorable. Refer to Section 8 of DoDI 1348.33 for additional guidance.

d. **Foreign Military Personnel.** The SSM may be awarded to members of the armed forces of friendly foreign nations for valorous acts in direct support of U.S. military operations.

e. **Procedures.**

(1) Each Secretary of a Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the SSM, ribbon, and appurtenances, which comply with pertinent laws, E.O.s, federal regulations, and the policies and procedures outlined in DoDI 1348.33 and this volume. Such Military Department regulations will, so far as is practicable, be uniform and subject to the approval of the Secretary of Defense pursuant to E.O. 13830.

(2) Procedures for processing SSM recommendations for eligible foreign personnel will be in accordance with DoDI 1348.33.

(3) To improve timeliness and efficiency, the Department has established the following goals regarding valor award recommendations:

   (a) Valor award recommendations should be initiated within 90 days of the act justifying award. Timely initiation helps ensure witness statements and other evidence justifying award is collected as close to the date of the combat event as possible. Once initiated each recommendation will be acted upon within 20 work days of receipt at each echelon in the review process.

   (b) The Secretary of the Military Department concerned should act on SSM award recommendations within 12-months of award initiation.

   (c) Though better award initiation and processing timeliness is desired, the Department’s preeminent goal is that all Service members who perform valorous acts receive appropriate recognition. The goals stated above must not be used to avoid processing any recommendation that is initiated within statutory or regulatory time limits. Whether an individual award recommendation meets the DoD timeliness goals must not be a factor in determining the level of the award approved. The level of the decoration approved must be based solely on the merits of the act(s).

f. **Approval Authority.** The Secretary of the Military Department concerned is the approval authority for award of the SSM to personnel serving in any capacity with his or her respective Military Department. For specific Military Department guidance, refer to:

(1) **Army.** Refer to AR 600-8-22.
(2) **Navy.** Refer to the SECNAVINST and SECNAVMAN 1650.1 series.

(3) **Air Force.** Refer to AFMAN 36-2806. Pursuant to current statutory and E.O. guidance persons who distinguish themselves while serving in any capacity with the Space Force are not eligible for award the Silver Star. Once applicable guidance is revised to expand eligibility to this class of persons, this issuance will be revised accordingly.

g. **Posthumous Award.** The SSM may be awarded posthumously.

h. **Order of Precedence.** The SSM is worn:

   (1) **Army.** After the Army DSM and before the Defense Superior Service Medal (DSSM).

   (2) **Navy and Marine Corps.** After the Navy DSM and before the DSSM.

   (3) **Air Force and Space Force.** After the Air Force DSM and before the DSSM.

i. **Subsequent Awards.**

   (1) Individuals are only presented an SSM upon initial award.

   (2) Subsequent awards are denoted by wearing the appropriate device on the suspension and service ribbon of the medal.

j. **Authorized Devices.** Refer to the applicable Military Department regulation for specific guidance on the wear of authorized devices. Authorized devices are:

   (1) Oak-Leaf Cluster (bronze and/or silver).

   (2) 5/16 Inch Stars (gold or silver).

k. **Illustration and Description.** See Appendix 3A.

3.4. **LEGION OF MERIT.**

a. **Introduction.** The LOM is awarded to Service members or members of the armed forces of friendly foreign nations who distinguish themselves by exceptionally meritorious conduct in performing outstanding services.

b. **Award Category.** PMD.

c. **Award Criteria and Eligibility Requirements.**

   (1) In accordance with E.O. 13830, the Secretary of the Military Department concerned may award the LOM, without degree, as authorized by Section 1121 of Title 10, U.S.C., in the name of the President, to any Service member who, after September 8, 1939, has distinguished himself or herself by exceptionally meritorious conduct in performing outstanding services.
(2) The LOM may be awarded for a specific achievement or for sustained meritorious conduct performing outstanding services.

(3) The performance must have been such as to merit recognition of key individuals for achievement or service rendered in a clearly exceptional manner.

   (a) Performance of duties normal to the grade, branch, specialty, assignment, or experience of an individual is not an adequate basis for award.

   (b) During peacetime, the term “key individual” applies to a narrower range of positions than would be the case in time of war and requires evidence of significant achievement. In peacetime, service should be in the nature of a special requirement or of an extremely difficult duty performed in an unprecedented and clearly exceptional manner. However, justification of the award may accrue by virtue of exceptionally meritorious service in a succession of important positions.

(4) The LOM may be awarded with the “C” device to recognize exceptionally meritorious service or achievement performed under combat conditions on or after January 7, 2016. The award narrative must clearly show that the nominee was personally exposed to hostile action or under significant risk of hostile action:

   (a) While engaged in action against an enemy of the United States;

   (b) While engaged in military operations involving conflict with an opposing foreign force; or

   (c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(5) The LOM for specific achievement may be awarded with the “R” device to distinguish that the award was earned for the direct hands-on employment of a weapon system or other warfighting activities that had a direct and immediate impact on a combat operation or other military operation (i.e., outcome of an engagement or specific effects on a target), including Title 10, U.S.C., support of non-Title 10 operations, and operations authorized by an approved execute order. To be designated as such, the action must have been performed through any domain in circumstances that did not expose the individual to hostile action, or place him or her at significant risk of exposure to hostile action on or after January 7, 2016, under one of the following conditions:

   (a) While engaged in military operations against an enemy of the United States;

   (b) While engaged in military operations involving conflict against an opposing foreign force; or

   (c) While serving with friendly foreign forces engaged in military operations with an opposing armed force in which the United States is not a belligerent party.

(6) The LOM is awarded to Service members without degree.
(7) In accordance with Section 1136 of Title 10, U.S.C., the award is not authorized if the awardee’s service after the service or act justifying award was not honorable. Refer to Section 8 of DoDI 1348.33 for additional guidance.

d. Foreign Military Personnel. In accordance with E.O. 13830 and Section 1121 of Title 10, U.S.C., members of the armed forces of friendly foreign nations may be awarded the LOM, in four varying degrees: Degree of Chief Commander; Degree of Commander; Degree of Officer; and Degree of Legionnaire. See DoDI 1348.33 for specific policy and procedures for awarding the LOM to eligible foreign military personnel.

e. Procedures.

(1) U.S. Military Personnel. Each Military Department will prescribe appropriate regulations for administrative processing, awarding, and wearing of the LOM, ribbon, and appurtenances, which comply with pertinent laws, EOs, federal regulations, and the policies and procedures outlined in DoDI 1348.33 and this volume. Such Military Department regulations will, so far as is practicable, be uniform and subject to the approval of the Secretary of Defense pursuant to E.O. 13830.

(2) Foreign Military Personnel. Procedures for processing LOM recommendations for eligible members of the armed forces of friendly foreign nations are contained in DoDI 1348.33.

f. Approval Authority.

(1) U.S. Service Members. The Secretary of the Military Department concerned is the approval authority for award of the LOM to Service members in his or her respective Military Department.

(a) Army. Refer to AR 600-8-22.

(b) Navy and Marine Corps. Refer to the SECNAVINST and SECNAVMAN 1650.1 series.

(c) Air Force and Space Force. Refer to AFMAN 36-2806.

(2) Foreign Military Personnel. The Secretary of Defense is the approval authority for award of the LOM to eligible foreign personnel. See DoDI 1348.33 for specific policy and procedures for awarding the LOM to eligible foreign military personnel.

g. Posthumous Award. The LOM may be awarded posthumously.

h. Order of Precedence. The LOM is worn after the DSSM and before the Distinguished Flying Cross (DFC).
i. Subsequent Awards.

(1) U.S. Service Members.

(a) Individuals are only presented a LOM upon initial award.

(b) Subsequent awards are denoted by wearing the appropriate device on the suspension and service ribbon of the medal.

(2) Foreign Military Personnel.

(a) Subsequent award devices are not authorized for wear on LOM medals awarded to foreign personnel.

(b) Authorized foreign personnel who are awarded subsequent LOMs are presented another complete medal set.

j. Authorized Devices. Refer to the applicable Military Department regulation for specific guidance on the wear of authorized devices. Authorized devices are:

(1) “C” Device.

b. Award Category. PMD.

c. Award Criteria and Eligibility Requirements.

(1) In accordance with E.O. 11016, subject to the provisions of Sections 1129, 1129a, and 1131 of Title 10, U.S.C., and Public Law 104-106, the Secretary of a Military Department will, in the name of the President of the United States, award the PH, with suitable ribbons and appurtenances, to any Service member or former Service member under the jurisdiction of that Department who, after April 5, 1917, has been wounded, killed, or who has died or may hereafter die of wounds received under any of the following circumstances:

(a) In any action against an enemy of the United States.

(b) In any action with an opposing armed force of a foreign country in which the Military Services are or have been engaged.

(c) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(d) As a result of an act of any such enemy or opposing armed forces.

(e) As the result of an act of any hostile foreign force.

(f) While being taken captive or while being held as a prisoner of war (POW). For purposes of this paragraph, a person is considered a POW if the person is eligible for the POW Medal pursuant to Section 1128 of Title 10, U.S.C.

(g) After March 28, 1973, as a result of an international terrorist attack against the United States or a foreign nation friendly to the United States, recognized as such an attack for purposes of award of the PH by the Secretary of the Military Department concerned, or jointly by the Secretaries of the Military Departments concerned if members from more than one Military Department are killed or wounded in the attack. The Secretary of the Military Department concerned will notify the ASD(M&RA) before awarding the PH for an international terrorist attack that occurs in the United States or its territories.
(h) After March 28, 1973, as a result of military operations while serving outside the territory of the United States as part of a peacekeeping force.

(j) After September 10, 2001, in an attack that was motivated or inspired by a foreign terrorist organization, which the Secretary of the Military Department concerned will treat in the same manner as an international terrorist attack, provided the attack specifically targeted the member due to his or her military service, as provided in Section 1129a of Title 10, U.S.C.

1. An attack by an individual or entity will be considered to be a foreign terrorist attack if the individual or entity was in communication with the foreign terrorist organization before the attack, and the attack was inspired or motivated by the foreign terrorist organization.

2. To assist in making a PH determination pursuant to Section 1129a of Title 10, U.S.C., the Secretary of the Military Department concerned may request an intelligence assessment from the Defense Intelligence Agency’s Defense Combating Terrorism Center. The Defense Combating Terrorism Center assessment of potential foreign terrorist attacks by an individual or entity will assess whether the individual or entity was in communication with the foreign terrorist organization before the attack, and if the attack was inspired or motivated by the foreign terrorist organization. The assessment will include supporting citations and rationale.

(2) A wound for which the award is made must have been of such severity that it required treatment, not merely examination, by a medical officer.

(a) Treatment of the wound will be documented in the Service member’s medical or health record.

(b) Award may be made for wounds treated by a medical professional other than a medical officer provided a medical officer includes a statement in the Service member’s medical record that the extent of the wounds was such that the wounds would have required treatment by a medical officer if one had been available to treat the wounds.

(3) The PH is not authorized for a wound or death that results from the willful misconduct of the member.

(4) After May 17, 1998, pursuant to Section 1131 of Title 10, U.S.C., the PH may only be awarded to a person who is a Service member at the time the person is killed or wounded under circumstances otherwise qualifying that person for award of the PH. Before this date, the Secretary of the Military Department concerned was authorized to award the PH to U.S. civilian nationals who were serving under competent authority in any capacity with an armed force of that department.

(5) In accordance with Section 1136 of Title 10, U.S.C., the award is not authorized if the awardee’s service after the qualifying incident was not honorable. Refer to Section 8 of DoDI 1348.33 for additional guidance.

Such Military Department regulations will, so far as practicable, be uniform and subject to the approval of the Secretary of Defense pursuant to E.O. 11016.

(2) The statutory time limits pertaining to award of military decorations do not apply to the PH. The PH may be awarded any time after submission of documented proof that award criteria have been met.

(2) The MSM may be awarded for outstanding achievement or service while serving in combat zones, combat zone tax exclusion areas, and areas authorized for hostile fire pay, imminent danger pay, or hazardous duty pay; however, the BSM is the appropriate equivalent level award to recognize meritorious achievement or service performed under combat conditions. Accordingly, the “C” device is not authorized for award on the MSM.

(3) The MSM for specific achievement may be awarded with the “R” device to distinguish that the award was earned for the direct hands-on employment of a weapon system or other warfighting activities that had a direct and immediate impact on a combat operation or other military operation (i.e., outcome of an engagement or specific effects on a target), including Title 10, U.S.C., support of non-Title 10 operations, and operations authorized by an approved execute order. To be designated as such, the action must have been performed through any domain, in circumstances that did not expose the individual to hostile action, or place him or her at significant risk of exposure to hostile action on or after January 7, 2016, under one of the following conditions:

   (a) While engaged in military operations against an enemy of the United States;

3.10. PRESIDENTIAL UNIT CITATION.

a. Introduction. The Presidential Unit Citation (PUC), established by E.O. 10694, is the Nation’s highest unit decoration. It is awarded by the Secretary of the Military Department concerned, in the name of the President, to military and naval units for outstanding performance in action.

b. Award Category. Unit Combat Award.

c. Award Criteria and Eligibility Requirements.

(1) E.O. 10694 authorizes the Secretary of the Military Department concerned to issue a citation in the name of the President of the United States, as public evidence of deserved honor and distinction, to any organization, detachment, installation, ship, aircraft, or other unit for outstanding performance in action on or after October 16, 1941, in the case of the Navy or Marine Corps, and on or after December 7, 1941, in the case of the Army or the Air Force.

(2) The unit must have displayed such gallantry, determination, and esprit de corps in accomplishing its mission under extremely difficult and hazardous conditions to have set it apart and above other units participating in the same campaign.

(3) The degree of heroism required is the same as that which would be required to award the following to an individual:

   (a) Army. Distinguished Service Cross.

   (b) Navy and Marine Corps. Navy Cross.

(4) Extended periods of combat duty or participation in a large number of operational missions, either ground or air, is not sufficient to justify this award. This award will normally be earned by units that have participated in a single action or successive actions covering relatively brief time spans. It is not reasonable to presume that entire units can sustain the Service Cross (Distinguished Service Cross, Navy Cross or Air Force Cross) level of performance for extended time periods, except under the most unusual circumstances.

d. Foreign Military Personnel. The PUC may be issued to units of cobelligerent nations serving with the U.S. Military Services for outstanding performance in action on or after December 7, 1941, provided that such units meet the standards established for the U.S. Military Services. Refer to DoDI 1348.33, Section 9, for specific procedures, limitations, and approval authorities.

e. Procedures. Each Military Department will prescribe appropriate regulations for administratively processing, awarding, and wearing the PUC ribbon and appurtenances, which comply with pertinent laws, E.O.s, federal regulations, and the policies and procedures outlined in DoDI 1348.33 and this volume.
f. **Approval Authority.** Pursuant to E.O. 10694, the Secretary of the Military Department concerned is the PUC approval authority. For specific Military Department guidance, refer to:

1. **Army.** Refer to AR 600-8-22.
2. **Navy.** Refer to the SECNAVINST 1650.1 and SECNAVMAN series.
3. **Air Force and Space Force.** Refer to AFMAN 36-2806.

g. **Posthumous Award.** The PUC may be awarded posthumously.

h. **Order of Precedence.** The PUC is worn:

1. **Army.** On the right side of the uniform before all other unit citations.
2. **Navy and Marine Corps.** After the Combat Action Ribbon and before the Joint Meritorious Unit Award.
3. **Air Force and Space Force.** After the Air Force Combat Action Medal and before the Joint Meritorious Unit Award.

i. **Subsequent Awards.** Subsequent awards are denoted by wearing the appropriate device on the PUC service ribbon.

j. **Authorized Devices.** Refer to the applicable Military Department regulation for specific guidance on wear of authorized devices. Authorized devices are:

1. Oak-Leaf Cluster (bronze or silver).
