Bob Clear - delay in getting mission done
- OSD, Army - need to redo offers, expand offers,
do proper awards

Clay - who in CPA involved?

Bob Clear - Army, OSD in procurement
- emergency, ∴ sole source
- no one wanted to do it, EBR only one who
could do it

Clay - who in OSD?

Dave O

(b)(6)

in OSD

Clay - Amb. Bremer said we weren't going to expand →
why didn't Corps know

- can't do what Corps wants to do.

Bob Clear - fuel imports } EBR doing both
- oil infrastructure }

- Corps was given \$300 M, money still in Ministry of Oil
- used Corps money to start projects

\$1.13 bn Corps asked PRB
.961 PRB approved, subject to
getting approp.
.745 PRB gone

∴ Corps needs \$188 M to ~~keep~~ keep going,
otherwise will stop

have 5 contracts in theater, can reach back to Corp.

- propose to use \$143 M of Ministry of Oil → use those
gov't employees, cut out EBR for contract mgmt
