They have a history of canceling many of their past requests.

Any chance of politely querying them if they really intend to do all of these or are they just picking every weekend? Support for the SoH is a WH mission with high priority, so there's no need to block every weekend "just in case"...

On next week's shuttle, the Speaker is going to take a personal staffer, this is the first time she has taken a staffer on the shuttle, would they reimburse the government rate just like the member's do?

Speaker Hastert took personal staff on almost every shuttle without reimbursement.

The members are given money to fly to/from their districts, staffers are not.

Her staffer mentioned a non-government reimb rate but I think that should only be for tamily sembers?

Question: Does staff need to reimburse or not and if they do, then govt rate?

Hi.

(b)(6)

The Speaker has just given us the word that she will not take a codel to Southern California on Friday. Thanks for helping keep a plane available, etc. In view of the President's trip today, canceling a codel is probably a good idea, given the added chaos of Members of Congress, etc. into an already difficult fire situation.

Thanks again! Kay

Just to update you, back in July, her son reimbursed 674.00 the rate at that time.

Her daughter's rate for 12 Nov will be 639.40.

All depends what date we look at the rate for reimbursement, if we have 2 weeks or more makes a big difference in costs, so her daughter will be cheaper than what her son paid in Jul.

Good Morning,

Happy Friday!

I'm hearing rumblings through the AF LL Office that Speaker Pelosi is thinking of traveling to Italy and Iraq over the Memorial Day recess. At this time, we don't have any dates available for Iraq unless we cancel Codel Lynch who's been on our calendar for awhile (27 May).

Please let us know if this is just rumor or the real deal.

Thanks so much,

Guys,

Can you let me know if the C-40C (Tail #50730) that holds 38 pax is available for Codel Pelosi's Israel trip on 15-20 May? The Speaker's office called and they are pushing for a C-32, of course, but would like to use this one if the C-32 is not available.

Thanks for your help.

I am fairly certain that DoD has a written policy that prohibits spouses and children on CODELS into combat zones. I think there was a recent article about this very topic around the first week of April -- OSD LL's (b)(6) would know about the policy and the article and I have copied her on this message.

Director of Legislative Affairs, confirmed that As for the Embassy policy, """"" SOP prohibits spouses and children on CODELs. Additionally all participants on a CODEL must have a secret clearance in order to avoid sitting out of almost every meeting/brief throughout a visit. Since the State Dept does not regularly manage personnel in combat zones, the State Dept defers to the individual Embassy policy.

Please see policy from Embassy Iraq Leg Affairs SOP below:

f. (1) Non-Congressional participants may be invited to join the delegation with the permission of the head of the delegation and Chief of Mission, or his/her designee, and the concurrence of the Commanding General, MNF-I, or his designee. While they will be treated with the same courtesy as other delegation participants,

they do not direct the functioning of the delegation and their participation in certain meetings or events may be circumscribed for security or other reasons. (2) For security and logistical reasons, because they serve no compelling operational purpose spouses and family members are prohibited from accompanying Codels or Staffdels.

Regarding the Speaker's final question, Mrs. Bush has not traveled to Iraq and Mrs. Cheney visited for the first time with the Vice President in March 2008. I believe Mrs. Cheney was considered to be here in her official capacity and did conduct an official schedule during her short time in country.

We received a request from the Speaker's office to have her husband join her on her codel into Iraq. DoD policy prohibits spouses and children on codels in Iraq or Afghanistan. I may have asked this before but is this a written policy? Does the State Dept have a policy?

Also, the Speaker would like to know if Mrs. Bush or Mrs. Cheney have ever been into Iraq since the war kicked off. I would imagine the answer is no. Can you please confirm this?

Thanks.

## One Hundred Tenth Congress U.S. House of Representatives Office of the Speaker

September 4, 2008

The Honorable Robert M. Gates Secretary U.S. Department of Defense Washington, DC 20301

Dear Mr. Secretary:

This letter serves as authorization for my travel from San Francisco to Washington DC including stops in Des Moines, Waterloo & Cedar Rapids, Iowa on Monday, September 8, 2008 for official business. Congressman Boswell, Congressman Braley, and Congressman Loebsack are invited to travel on a reimbursable basis at a government rate as well as Kate Knudson, Scott Boule and Nadeam Elshami of my staff. Additionally, Tonya McCarroll, Chris Dang and Katey Pavone of the U.S. Capitol Police are also authorized to travel.

It would be appreciated if the Department of Defense would furnish such assistance as is necessary, including military air transportation. Authorization for the expenditure of funds for the actual and necessary expenses should be made pursuant to 31 U.S.C. 1108(g).

Thank you for your prompt attention to this matter.

Is this trip still going on the G-5? Based on your earlier e mail, I believe that's the case. It appears the only difference between this trip and a normal Spkr Shuttle, is the fact that they are stopping off in Iowa on the return to view flood damage done to the state. I think we should probably keep this as a Spkr shuttle if it's still on the G-5 and have her request, as she does on all other Spkr shuttle travel, reimbursement for the other members traveling.

Sweet, your thoughts??

I am requesting your read on the cmte letter. The intent is now for this to be a CODEL. Pelosi letter is written to suggest Speaker shuttle rules of reimbursable travel. I am thinking that this trip should not be treated as a shuttle, but a CODEL. Hence, reimbursable travel is not necessary. How do you read? Do you think I need a new speaker letter?

Speaker Shuttle mission needs to now be treated as a CODEL. This is an exception to policy with regard to moving a member from their district to Washington but will be approved provided we receive a new Speaker letter. Please have the paperwork reflect the purpose of the CODEL, the fact that members and the governor will be picked up in Des Moines and taken to see damage in two other Iowa cities, and the party minus the governor will be accompanying the Speaker back to DC.

We need some clarification on if a C40 will be approved. CVAM still has C37 against the msn and the spkr office continues to ask the escort if they can get a bigger plane.
