Amendment Type: Change in Key Personnel, Other

Amendment Justification

This amendment request is to: (1) request OEA approval for Key Personnel and (2) complete an administrative correction to the "Notice of Award."

The grant application Approach and Timeline identified the Program Manager as the Key Personnel position for this grant. The application indicated that DLIR/OCS would submit the resume of the tentatively selected Program Manager for OEA approval. DLIR/OCS has tentatively selected (b)(6) to serve as Program Manager. His resume is attached for OEA approval.

The "Notice of Award," Section 18. Budget Summary indicates the Federal Grant Total as \$765,856.00. This amount should be \$763,856 which is presented in the application and SF-424. DLIR/OCS requests that OEA process an administrative correction to acknowledge the correct Federal Grant Total.
