GEA has written and disseminated group wide policy statements in support of this plan, and has developed procedures, and assigned specific responsibilities to assure implementation. The following procedures include responsibilities for implementation of these requirements and give guidance to Sourcing personnel:

- Procedure 522.05 “U.S. Government Subcontract Plans” is disseminated throughout the group and is referenced in the Sourcing Procurement Manual (PM).
- PM-2.101 “Small Business Subcontracting Plan Implementation”

These documents can be found on Sourcing’s Supplier Diversity webpage on the GE Intranet and contains most updated documents and includes other resources on SB matters.
