Distribution List and Changes of Address

The Journal of Defense Research is prepared by Battelle Columbus Division for the Defense Advanced Research Projects Agency. Regularly scheduled issues are published quarterly and are devoted to papers on a range of usually unrelated topics. In addition, an average of two issues are published annually that are dedicated to single broad categories of defense research. In all papers, that issue treating various aspects of the subject. These special issues are not scheduled for appearance at any specific time during the publishing year. Inquiries regarding placement of individuals or libraries on the distribution list for these publications should be addressed to the Director, Defense Advanced Research Projects Agency, 1400 Wilson Blvd., Arlington, Va. 22209, Attention: JDR Program Manager, telephone (301) 694-3032 or Autovon 224-1032. Recipients whose classified mailing addresses are undergoing change and who wish to continue receiving issues of the Journal must apply once again for placement on the distribution list just as though they had not been on the list previously.
