Nice work. I actually made one additional change. I removed "written" from the DSD authorization section. In this case, I sense that we may only receive a verbal and the paperwork will catch up. If the aircraft is departing (b)(1),Sec. 1.4 (a),Sec. 1.4 (b),Sec. 1.4 (d),Sec. 1.4 (g) I think that it's pretty unlikely that the DSD will actually get a signed paper.
