Good Evening (b)(6)

Thanks so much for the latest update below/understand the requirement for JTF-GTMO personnel to transfer custody/RTB. Without doubt one of our major concerns will be custody protocols during the period in-between the time the JTF-GTMO Team departs and subsequently returns; we'll need fidelity on that as soon as you can provide.

Additionally, USAF/AFAFRICA will want to be a core participant in the After-Action Review of this event so we can help the Team preclude a repeat in the future.

Thanks much, wonderful to talk to you and (b)(6) this evening, and looking forward to resolving this situation soonest.

V/R,

Good Afternoon (b)(6)

Hey Bro' - Thanks very much for the confirmation that OSD notified the Government when

(b)(1),Sec. 1.4
(a),Sec. 1.4 (b),Sec.
1.4 (d),Sec. 1.4 (g)

this situation developed; very comforting indeed... I sincerely apologize for missing the DCO - I was involved in planning ISO USAFRICOM operations when your note came in; not sure yet whether (b)(6) got your note in time.

One clarification - (b)(6) are the USAFE/AFAFRICA POCs for this action; not 100% sure who the POCs at USEUCOM are but I'll begin to investigate immediately and get them lashed up on this commo trail. More to follow on that score.

Sir,

It was great talking to you this morning and helpful to know that A1 there has the lead for any tactical issues IRT the remains. As promised here is the recap of our conversation and I've cc'd JS and OSD:

- SOUTHCOM primary POCs (in the TO line) for detainee remains is (b)(6)

and (b)(6)

- EUCOM primary POCs for tactical issues with the detainee remains is in the A1 with (b)(6)

(b)(6). We'll make sure all issues/coordination flows thru them.

(b)(1), Sec. 1.4 (a), Sec. 1.4 (b), Sec. 1.4 (d), Sec. 1.4 (g)

We will continue to coordinate with your team to ensure that our efforts are synchronized and we both

LEOPOLD/1:14-cv-00030-RDM/024162

are on the same page. All information will be funneled through (b)(6) and on SOUTHCOM side it will go through (b)(6)

On that note, I just found that we are scheduling a DCO at 1300L (1700Z) to discuss the remaining logistics associated with DHRMO (b)(1),Sec. 1.4 (a),Sec. 1.4 (b),Sec. 1.4 (d),Sec. 1.4 (g)

Please use the link below to access the room.

(b)(1),Sec. 1.4 (a),Sec. 1.4 (b),Sec. 1.4 (d),Sec. 1.4 (g)

Sorry for the short notice but this is being coordinated as we speak to have (b)(1),Sec. 1.4 (a) to participate. I'm sure there are many other questions that we didn't get a chance to address and the DCO is an excellent opportunity to discuss and clarify any issue from the tactical to the policy level. Please advise if one of your POC will be able to join in on the DCO. Thank you.

V/R

Good Morning (b)(6)

Hey Bro' - I just got off the phone with (b)(6) it sounds as if OSD-Policy made a host-nation notification when this situation developed. As soon as (b)(6) gets out of his staff meeting he is going to roll-up a quick synopsis of the facts he knows and advise the Team. If host-notification was made that is HUGE; however, we still have the pressing issue of ultimate disposition which we need to reconcile soonest.

Sincerely appreciate the teamwork on this.

Spectacular Bro! Much obliged! As you know crux of the issue for us is whether host-nation was notified (or not) and we're obviously not in a position to ask. Standing by to hear from (b)(6)

Tried to return a call to you last evening to bring you up to speed and to apologize for not re-engaging sooner. I'm ccing (b)(6) who will call you this AM and Admiral Atkins, our I3. (b)(6) will call this AM. He has the lead for Southcom. I've also cc'd (b)(6), our TRANSCOM LNO.

I'm thinking there is a communications breakdown as our folks are confident through their working with the Joint Staff that the right people have done the proper coordinating to allow the deceased person to remain where currently located. We'll get to the bottom of it this AM.
