All,

I took a crack at matching times and agenda items. My intent was to get through the DHRMO stuff first so that if we needed more time, we could use the second day to finish. In my mind, the generation of a DHRMO EXORD is the primary objective of the meet. Everything else can wait if necessary.

THURSDAY

- \* ---- World Wide Detainee Policy Conference Ends ----
- \* 12:00 - 1:30 Lunch
- \* 1:30 - 2:00 Introduction to the Supplemental Discussion and Review of Meeting Goals
- \* 2:00 - 3:00 Hot Wash DHRMO (b)(1),Sec. 14 (a)
- \* 3:00 - 3:15 Capabilities
- \* 3:15 - 3:30 Break
- \* 3:30 - 4:30 Draft DHRMO EXORD
- \* 4:30 - 4:45 Recap Day's Accomplishments and Review Day 2 Goals

FRIDAY

- \* 8:00 - 8:30 Networking Time
- \* 8:30 - 9:00 Review Potential Future DMOs
- \* 9:00 - 10:00 Review DMO Procedures and Expectations (Washington, GTMO on the Ground, Landing Location Procedures)
- \* 10:00 - 10:15 Break
- \* 10:15 - 10:30 Capabilities Assessments (who controls and/or tasks what assets)
- \* 10:30 - 11:45 Draft DMO EXORD and Revisit DHRMO EXORD (if needed)

-----BREAK-----

If we want, I think that there are a few other points that are worth discussing (mission continuity, best practices across the enterprise, etc) but I want to get your thoughts before we add additional time (Friday afternoon) to this meeting.

I also wanted to ask for some assistance on two fronts. First, I wanted to ensure that the right people are attending (do we have reps from NORTHCOM, EUCOM, medical folks); second I wanted to ensure that those who are coming have what they need in terms of lodging and the like.

Let me know what you think.

Subject: DMO/DHRMO Side-bar after World Wide Detainee Policy Conference

Classification: ~~SECRET~~

All,

Since most of us are going to be participating in the World Wide Detainee Policy Conference at the end of November, I thought that we might take the opportunity to also have an extended DMO side-bar while we are all gathered at USSOUTHCOM. I anticipate that our little meeting would run from Thursday afternoon into Friday.

Given the amount of DMO, or more specifically DHRMO, activity in recent months I believe that this is a timely area of focus.

I first wanted to get thoughts on whether or not you believe that such a conference would be helpful, and then to get your input on a possible agenda if you are interested in moving forward with a meeting.

Below are a few possible agenda items, arranged in no particular order. That said, this list is far from exhaustive.

**1. Introduce new DMO team members**

(b)(1),(b)(5),Sec. 1.4 (a),Sec. 1.4 (b),Sec. 1.4 (d),Sec. 1.4 (g)

Please let me know what you think.

Sincerely,

(b)(6)
