Movement will likely happen sometime next week. We are still making assumptions about EUCOM C-130Js taking this mission. As I said in a previous email, I question who will have OPCODE. JS and SC will assume TRANSCOM owns it.

Something to consider.

I will coordinate with OCJCS PA (b)(6) to develop talking points and further refine the actions required for JS/OSD/COCOMs once the ME submits the autopsy report.

The meeting with DASD Lietzau is scheduled for 1600 this afternoon.
