MG Nagata,

The issue has not been resolved. I suggested a "middle ground" COA below and EUCOM (b)(6) agreed to this way ahead in SEPCOR.

MG Phipps's EA (b)(6) just stopped me in the hallway. I'll be on a 1030EDT Tandberg with the EUCOM CoS (b)(6) to discuss the "middle ground" COA.

USSOUTHCOM has not weighed in on this newest COA yet. I will contact them before the Tandberg and I'm having a rep from the USSOUTHCOM WO here in J-37 DA for the 1030 session with USEUCOM CoS.

I believe this may alleviate the concerns at EUCOM, and partially satisfy SOUTHCOM. From a JS perspective, we want to resolve the issue in a way that satisfies both COCOMCs to the max extent possible.

I've CC'd my USSOUTHCOM POCs on this issue

Warren,

Definitely my lane... though I was under the (b)(6) we had smoothed this out last week. Obviously, I may have been wrong!

I am getting calls from EUCOM J3 regarding JS role to referee this dispute between SOUTHCOM and EUCOM. I believe the policy decisions have put both COCOMs in an antagonistic situation based on second and third order effects that neither wants to be in. I can jump in, but would rather to defer to your team. It is growing beyond the O6 level, with both J3s involved. Let me know if my guys can be of assistance.

Copy Sir. We'll re-engage OSD and JS for overall movement plan, and emphasize EUCOM's deadline for action. Will also begin plans for escort team replacement.

Sir

JTF-GTMO is manned on a rotational basis, and the 3 escorts are scheduled to rotate home with their units on 6-12 Oct. RADM Atkins, SC/J3 and I have discussed, and determined we need to bring them back. What are your issues, and what can we do to alleviate EUCOM concerns?
