Sir,

In conversations between OSD/P, USSOUTHCOM, and Joint Staff, it was decided that USSOUTHCOM PA will handle any medical related questions, and OSD/PA will handle any other questions in relationship to the DHRMO. Our JS/PA point of contact has been provided an update and will be kept in the loop regarding any additional information.

Also, the Medical Examiner has informed us that the autopsy will be completed no earlier than 26 OCT 12. USSOUTHCOM Commander has informed us that the command investigation will be completed no later than 28 OCT 12.

Please let me know if you have any questions or concerns.

V/R.
