Sir,

(a),Sec. 1.4 (b),Sec.  
1.4 (d),Sec. 1.4 (g)

During today's DCO conference, representatives from USSOUTHCOM, USTRANSCOM, OSD/P, and the Joint Staff discussed the way ahead for the return of the remains of detainee Adnan Farhan Abd Al-Latif (b)(6) YM-000156DP) to Yemen. During the conference, the team developed potential COAs to have the death certificate and GTMO personnel meet up with the remains in preparation for completion of the mission. Joint Staff may need to work with OSD/P to provide an info memo to the Government of Yemen but additional discussion will occur tomorrow (18SEPT) at 1000 L to firm all remaining dueouts. No additional authorities are needed to complete this mission, so at this time, the Joint Staff is in an advise and assist role.

Please let me know if you have any additional questions or concerns.

V/R,

(b)(6)
