Darryl,

I have not spoken with you about this action, have been working directly with SOUTHCOM although I know our J4 and others in EUCOM J3 have been working with your team.

I believe we (EUCOM) have done all we agreed to and then some regarding this effort and bluntly, we have crossed at least two timeline thresholds we informally established, in attempts to be cooperative and supportive in regards to moving the remains onward (where is not our concern). It is now time to have the remains transferred out of EUCOM AOR. I was and remain concerned about the variety of risks associated with maintaining the remains here in EUCOM AOR and again, bluntly, all the assurances we have received regarding onward, expeditious, movement have not been met. I'm seeking your support in developing a COA that transfers the remains of DHRMO (b)(6) out of the EUCOM AOR, now.
