See below. Is this a re-emergence of our older problem, or is this simply old drama that hasn't been updated?

Warren,

Definitely my lane... though I was under the impression we had smoothed this out last week. Obviously, I may have been wrong!

More to follow, I got it.

Mike --

I am getting calls from EUCOM J3 regarding JS role to referee this dispute between SOUTHCOM and EUCOM. I believe the policy decisions have put both COCOMs in an antagonistic situation based on second and third order effects that neither wants to be in. I can jump in, but would rather to defer to your team. It is growing beyond the O6 level, with both J3s involved. Let me know if my guys can be of assistance.

Warren

Copy Sir. We'll re-engage OSD and JS for overall movement plan, and emphasize EUCOM's deadline for action. Will also begin plans for escort team replacement.
