This is the final email I sent to the DDOs on Friday. Please "standardize" this process with a checklist for "DDO coordination on DMO / DHRMO missions." The checklist could be used by both the DDO and our office.

At a minimum, we should send a summary of the mission to the DDO, an updated POC list, the press release and instructions to notify us after launch / landing / if anything goes wrong.

I don't think the checklist needs to be any more than a single page. The coordination went smoothly this weekend and I'd like to replicate this for the future.

Finally, you'll lead the charge for the office in re-drafting the DMO / DHRMO standing EXORD. We need to get this out for COCOM coord in mid-Jan.

All,
 We are very hopeful that the Latif movement will happen imminently (days, not hours). As such, I have attached the press release (as cleared by OUSDP) and the talking points. We have not yet heard back from the Yemenis on the release or the TPs, but I did not want to wait any longer to get them to you. If the Yemenis come back with any significant heartburn over any of it (which we do not anticipate), I will let you know ASAP.

(b)(5)

Thanks so much for your patience on this one!
 More as soon as we have it.

Thanks,
