ON THE FOLLOWING DAY HE RECEIVED DEMONSTRATIONS ON HOW TO USE GRENADES. HE WAS SHOWN HOW TO PULL THE PIN AND HOW TO THROW A

GRENAD; HE DID NOT ACTUALLY THROW A GRENADE. FROM THE GRENADE TRAINING THAT HE RECEIVED AT THE CAMP HE FEELS COMFORTABLE USING GRENADES. ALL THE WEAPONS AT THE CAMP SEEMED TO BE OPERATIONAL AND WELL MAINTAINED, EXCEPT FOR ONE OF THE RPG'S, WHICH SEEMED BROKEN BECAUSE IT SET ASIDE FROM THE OTHER WEAPONS AND WAS NOT TOUCHED WHILE HE WAS THERE. HE DID NOT RECEIVE ANY OTHER TRAINING, SUCH AS MEDICAL TRAINING. THE ONLY DRUGS HE WAS GIVEN WHILE AT THE CAMP WERE PILLS AND AN INJECTION. EACH DAY HE WAS AT THE CAMP HE RECEIVED AT LEAST THREE PILLS WHICH MADE HIM FEEL DROWSY AND DIZZY. HE DID NOT RECEIVE RELIGIOUS TRAINING NOR DID ANYONE PREACH WHILE HE WAS AT THE CAMP. HE DID NOT PRAY WHILE HE WAS AT THE CAMP, BECAUSE HE FELT DIZZY MOST OF THE TIME, NOR WAS HE TOLD TO PRAY. NO ONE TALKED TO HIM ABOUT MARTYRDOM OR OF A JIHAD AGAINST AMERICANS WHILE HE WAS AT THE CAMP.
