Received several communications regarding media presence at hearing and on Camp Bucca Expressed my wish that media be himited to 2-3 representatives in the hearing tent due to its limited size. Item 21, Remarks

- Twelve pieces of evidence were submitted during the hearing. The evidence presented and examined consisted of sworn statements or Agent's Investigation Reports taken or written by CID Special Agents. A manifest from the 744th Military Police Battalion, dated 12 May 03, was also submitted during the hearing. In some cases, witnesses referred to their statements or reports to re-fresh their recollection of events under question. Thirty-one separate witnesses were heard. The witnesses were credible, although defense counsels attempted to refute the testimony of certain witnesses and highlight that previous testimony or statements were contradictory to the recorded testimony during this hearing. Based on the testimony of the witnesses and the evidence presented, I am able to make a recommendation with regard to further action involving the accused soldier.
- 2 With regard to SGT make the following recommendations to the charges and specifications alleged against him
 - a Charge 1 Violation of Article 92, Dereliction of Duty I find that a preponderance of the evidence exists to validate the specification alleged against her Clearly, SGT Edmondson had certain duties that night to safeguard EPWs, she knew of these duties by virtue of her position, grade, and previous experience, and that, according to the testimony of
 - she was willfully derelict in the performance of those duties
 - b Charge II Violation of Article 93, Cruelty and Maltreatment I find that a preponderance of the evidence exists to validate the specification alleged against her The testimony of indicate that her actions were cruel and maltreated EPW
 - c Charge III Violation of Article 128, Assault I find that a preponderance of the evidence exists to validate the specification alleged against her. The testimony of the witnesses identified previously all indicate that SGT inflicted bodily harm on EPW and that her use of force was unlawful
 - d During the course of the hearing, testimony from SPC prompted counsel for the government to request that the investigation be broadened to include violations of Article 81, Conspiracy, and Article 134, Obstruction of

Justice, against all four of the accused. I granted that request over the objection of all defense counsels. Aside from the testimony of SPC III I do not feel that further, sufficient evidence was presented to validate these charges. I, therefore, cannot report that a preponderance of the evidence suggests that these charges are true.

e I recommend that

3 Delays in proceedings

- a IO proposed original date of 28 July 03 for hearing. Defense counsels requested delay to 5 September 03 due to schedule conflicts. IO set date of 27 August 03 after consulting all counsels Defense counsels acknowledged that the time would not count against the speedy trial requirement of the government
- b 28 August 03 Defense counsels requested additional time to prepare for EPW witnesses and CID Special Agent testimony IO granted recess until 290800 August 03 At approx 2000 Hrs, defense counsels requested further delay due to problems accessing EPW witnesses IO granted further delay until 291300 August 03
- c 29 August 03 Hearing recessed until arrival of additional witnesses on leave Reconvene at Camp Doha, KU
- d 1 September 03 Hearing recessed until 021300 September 03 for additional witness Further delayed until 021430 Sep 03 at request of defense counsels for additional time to interview witness

4 Defense and Government Objections

- Defense Defense counsels objected to introduction of sworn statement of SSG in addition to his sworn testimony at the hearing SSG did not refer to his report during his testimony IO sustained objection IAW RCM 405(4)(g)(B), allowing introduction of sworn statements over defense objection when the witness is not available
- b Government Government counsel objected to defense line of questioning, asking whether certain witnesses had been advised of their rights under Article 31, or were being investigated, or had been charged with violation of Article 32, UCMJ, Dereliction of Duty IO allowed defense counsels to ask this question due to its relevance based on the testimony of the witnesses

SSG Scott A McKenzie,

Item 21, Remarks

- Twelve pieces of evidence were submitted during the hearing. The evidence presented and examined consisted of sworn statements or Agent's Investigation Reports taken or written by CID Special Agents. A manifest from the 744th Military Police Battalion, dated 12 May 03, was also submitted during the hearing. In some cases, witnesses referred to their statements or reports to re-fresh their recollection of events under question. Thirty-one separate witnesses were heard. The witnesses were credible, although defense counsels attempted to refute the testimony of certain witnesses and highlight that previous testimony or statements were contradictory to the recorded testimony during this hearing. Based on the testimony of the witnesses and the evidence presented, I am able to make a recommendation with regard to further action involving the accused soldier.
- 2 With regard to SSG McKenzie, I make the following recommendations to the charges and specifications alleged against him
 - a. Charge 1 Violation of Article 92, Dereliction of Duty I find that a preponderance of the evidence exists to validate the specification alleged against him. By virtue of his position, experience and rank, SSG had a certain duty to safeguard EPWs and was aware of those duties. The testimony of SSG SGT SGT and SPC indicate that he was willfully derelict in the performance of those duties.
 - b Charge II Violation of Article 93, Cruelty and Maltreatment: I find that a preponderance of the evidence exists to validate Specifications 2, 3 and 5 alleged against him Evidence was not presented to sufficiently validate Specifications 1 and 4 alleged against him SGT Nilsson's testimony confirms EPW account of being dragged across the ground by his armpits (Specification 2) SGT and SPC both testified to his mistreatment of EPW (Specification 3) The testimony of SSG and SGT indicate his mistreatment of EPW Other than the testimony of the EPWs themselves, I did not find corroborating testimony to substantiate the mistreatment of EPWs

- c Charge III Violation of Article 107, False Official Statements. I find that a preponderance of the evidence exists to validate the specification alleged against him. The testimony of the previous witnesses indicates that SSG McKenzie's sworn statement of 16 May was false in that he denied the mistreatment of any EPWs and that he evidently knew such denial to be false at the time, and that his intent was to deceive investigators as to the true events of 12 May
- Charge IV Violation of Article 128, Assault I find that a preponderance of the evidence exists to validate Specifications 1, 2, and 5 alleged against him Evidence was not presented to sufficiently validate Specifications 3 and 4 alleged against him The testimony of SGT and confirms EPW account of being dragged by his armpits across the ground. SGT and SPC testified as to EPW abuse. SSG and and SGT testified as to his abuse of EPW Other than the testimony of the EPWs themselves, I did not find corroborating testimony to substantiate the assualt of EPWs and
- During the course of the hearing, testimony from SPC prompted counsel for the government to request that the investigation be broadened to include violations of Article 81, Conspiracy, and Article 134, Obstruction of Justice, against all four of the accused I granted that request over the objection of all defense counsels. Aside from the testimony of SPC I do not feel that further, sufficient evidence was presented to validate these charges. I, therefore, cannot report that a preponderance of the evidence suggests that these charges are true.

Defense counsels acknowledged that the time would not count against the speedy trial requirement of the government.
- b 28 August 03 Defense counsels requested additional time to prepare for EPW witnesses and CID Special Agent testimony 10 granted recess until 290800

- August 03. At approx. 2000 Hrs, defense counsels requested further delay due to problems accessing EPW witnesses. IO granted further delay until 291300 August 03
- c 29 August 03 Hearing recessed until arrival of additional witnesses on leave Reconvene at Camp Doha, KU
- d 1 September 03. Hearing recessed until 021300 September 03 for additional witness Further delayed until 021430 Sep 03 at request of defense counsels for additional time to interview witness

4 Defense and Government Objections

- Defense Defense counsels objected to introduction of sworn statement of SSG and addition to his sworn testimony at the hearing. SSG did not refer to his report during his testimony. IO sustained objection IAW RCM 405(4)(g)(B), allowing introduction of sworn statements over defense objection when the witness is not available
- b Government Government counsel objected to defense line of questioning, asking whether certain witnesses had been advised of their rights under Article 31, or were being investigated, or had been charged with violation of Article 32, UCMJ, Dereliction of Duty IO allowed defense counsels to ask this question due to its relevance based on the testimony of the witnesses
- Defense Government counsel requested to broaden the scope of the investigation to include violations of Article 81, UCMJ, 80, Conspiracy to Obstruct Instice, and Article 134, UCMJ, Obstruction of Justice, against all four of the accused, based on testimony of SPC Based on her testimony, IO allowed government to broaden the scope of the investigation to include these two charges
- Defense Defense counsels perceived an allegation of impropriety in line of questioning by government counsel and asked that hearing area be cleared to further discuss the matter IO cleared the courtroom of all spectators, including the media I was advised by the PAO representation of a potential violation of the Freedom of Information Act in doing so, since the hearing was declared open. My legal advisor also suggested that other spectators carried the same weight as the media. Both were allowed back in, although the government counsel assured all parties that no such implied accusation was intended against any defense counsel and withdrew any further line of questioning along these lines.

- Defense defense counsels objected to line of questioning by the government of SA regarding a previous investigation by the government of MSG as irrelevant to the proceedings at hand. Government did not argue probative v prejudiced value of the questioning I sustained the objection and disallowed the questioning
- f Defense after the testimony of the final witness, SPC government counsel asked that the scope of the investigation be broadened to include violation of Article 134, Adultery and Obstruction of Justice Government withdrew its request for the adultery charge I did not allow the inclusion of this charge due to inadequate notice to the defense to prepare for the additional charges
- While EPW witnesses have agreed to be available for further testimony, their release might make it difficult to reach them once they have returned home.
- Ouring the course of this hearing, testimony from SSG SGT SGT SPC indicated that while the alleged incidents were occurring, they did not actively attempt to intervene as it was their responsibility to do as soldiers, and in the case of second soldiers and as non-commissioned officers and leaders Beyond SSG verbal attempts to stop the abuse of these EPWs, nothing else seems to have been done SGT testimony that he turned away because he could not bear to watch this treatment is especially disturbing I recommend that you consider appropriate action with regard to these soldiers and their evident failure to act to protect the enemy prisoners of war in their charge or stop the mistreatment to which they have testified, under oath

- c Defense: Government counsel requested to broaden the scope of the investigation to include violations of Article 81, UCMJ, 80, Conspiracy to Obstruct Justice, and Article 134, UCMJ, Obstruction of Justice, against all four of the accused, based on testimony of SPC Based on her testimony, IO allowed government to broaden the scope of the investigation to include these two charges
- d Defense Defense counsels perceived an allegation of impropriety in line of questioning by government counsel and asked that hearing area be cleared to further discuss the matter IO cleared the courtroom of all spectators, including the media I was advised by the PAO representation of a potential violation of the Freedom of Information Act in doing so, since the hearing was declared open My legal advisor also suggested that other spectators carried the same weight as the media Both were allowed back in, although the government counsel assured all parties that no such implied accusation was intended against any defense counsel and withdrew any further line of questioning along these lines
- Defense defense counsels objected to line of questioning by the government of SA regarding a previous investigation by the government of MSG as irrelevant to the proceedings at hand Government did not argue probative v prejudiced value of the questioning I sustained the objection and disallowed the questioning
- Defense after the testimony of the final witness, SPC government counsel asked that the scope of the investigation be broadened to include violation of Article 134, Adultery and Obstruction of Justice Government withdrew its request for the adultery charge I did not allow the inclusion of this charge due to inadequate notice to the defense to prepare for the additional charges
- on 7 September, MAJ representing the government, asked again, by e-mail attachment, that I re-consider my decision not to include the charges of adultery and obstruction of justice against SGT outlined in para 4 f above CPT representing SGT replied on 13 September after returning from another case in the United States On 17 September, I consulted with MAJ my legal advisor Summarizing his counsel, I responded to the government's request by e-mail on 18 September, affirming my earlier decision not to consider the additional charges due to the late notice given

by the government and, in the case of the adultery charge, that it was outside the scope of the hearing

- 5 While EPW witnesses have agreed to be available for further testimony, their release might make it difficult to reach them once they have returned home
- Ouring the course of this hearing, testimony from SSG SGT SPC Indicated that while the alleged incidents were occurring, they did not actively attempt to intervene as it was their responsibility to do as soldiers, and in the case of as non-commissioned officers and leaders. Beyond SSG SGT verbal attempts to stop the abuse of these EPWs, nothing else seems to have been done SGT set testimony that he turned away because he could not bear to watch this treatment is especially disturbing I recommend that you consider appropriate action with regard to these soldiers and their evident failure to act to protect the enemy prisoners of war in their charge or stop the mistreatment to which they have testified, under oath

AESE-JAD 25 July 2003

MEMORANDUM FOR LTC Article 32 (b) Investigating Officer

SUBJECT Defense Request for Delay Article 32 Investigation

- t The defense requests a delay in the Article 32(b) Investigation scheduled for 28 July 2003 until 27 August 2003. The bases for the defense delay request are as follows
- a The defense received notice of the Article 32(b) Investigation on 18 July while TDY for a contested court-martial. As of that date, defense counsel had yet to received the charge sheet or the CID report pertaining to this case. The date set for the Article 32 hearing was 28 July 2003. Defense counsel was in a contested court-martial until the evening of 24 July 2003 and is scheduled to take leave in conjunction with TDY to begin on 28 July 2003. Given the timing of the notice, approved leave and logistical problems with getting back to Italy, drawing equipment and scheduling a flight, defense counsel requests a delay in the Article 32(b) Investigation.
- b More importantly, defense counsel will not be prepared to go forward on 28 July 2003. I have yet to receive and review the packet. This is an extremely serious case, which will take extensive preparation prior to the Article 32(b) Investigation. Defense cannot provide SSG McKenzie with effective assistance without some time to prepare for the hearing.
- 2 I am the POC for this memorandum and can be reached via phone at DSN 314-634-7043 or via e-mail at amy fitzgibbons@setaf army.mil I will be back in Vicenza on 6 August 2003

SPC Timothy F Canjar,

Item 21, Remarks

- Twelve pieces of evidence were submitted during the hearing. The evidence presented and examined consisted of sworn statements or Agent's Investigation Reports taken or written by CID Special Agents. A manifest from the 744th Military Police Battalion, dated 12 May 03, was also submitted during the hearing. In some cases, witnesses referred to their statements or reports to re-fresh their recollection of events under question. Thirty-one separate witnesses were heard. The witnesses were credible, although defense counsels attempted to refute the testimony of certain witnesses and highlight that previous testimony or statements were contradictory to the recorded testimony during this hearing. Based on the testimony of the witnesses and the evidence presented, I am able to make a recommendation with regard to further action involving the accused soldier.
- With regard to SPC Canjar, I make the following recommendations to the charges and specifications alleged against him
 - a Charge 1. Violation of Article 92, Dereliction of Duty: I find that a preponderance of the evidence exists to validate the specification alleged against him. Testimony from SGT and SPC and and EPW witnesses, clearly indicate that SPC had certain duties on the night in question, that he knew or reasonably should have known of those duties, and that he was derelict of those duties
 - b Charge Il Violation of Article 93, Cruelty and Maltreatment I find that a preponderance of the evidence exists to validate Specifications 2 and 3 alleged against him Evidence was not presented to sufficiently validate Specifications 1 and 4 alleged against him. The testimony of SGT and SPC indicate SPC participation in the cruelty and maltreatment of EPW The testimony of SGT and SSG indicate his participation in the cruelty and maltreatment of EPW I felt that insufficient evidence existed to confirm his participation in the alleged cruelty and maltreatment of EPW Specification 4 was not specific with regard to the identify of the EPW. There was insufficient evidence to suggest he participated in the cruelty or mistreatment of any such unidentified EPW Clearly EPWs and

any such unidentified EPW. Clearly EPWs and and were subject to SPC or ders and his actions were cruel and represented maltreatment of both individuals

- Charge III Violation of Article 107, False Official Statements I find that a preponderance of the evidence exists to validate the specification alleged agains: him based on the testimony of witnesses already identified SPC signed two sworn statements indicating justifiable use of force against EPWs that evening The testimony of witnesses, specifically SSG states, SGT SGT and SPC indicate that his statements were false, that he knew them to be false at the time of making them, and that his statements were intended to deceive the investigators
- d Charge IV Violation of Article 128, Assault. I find that a preponderance of the evidence exists to validate Specifications 1 and 4 alleged against him Evidence was not presented to sufficiently validate Specifications 2 and 3 alleged against him Again, based on the testimony of SSG SGT SGT SGT and SPC SPC did bodily harm to these EPWs and the bodily harm was done with unlawful force
- During the course of the hearing, testimony from SPC prompted counsel for the government to request that the investigation be broadened to include violations of Article 81, Conspiracy, and Article 134, Obstruction of Justice, against all four of the accused I granted that request over the objection of all defense counsels. Aside from the testimony of SPC 1 do not feel that further, sufficient evidence was presented to validate these charges

3 Delays in proceedings

- a IO proposed original date of 28 July 03 for hearing. Defense counsels requested delay to 5 September 03 due to schedule conflicts. IO set date of 27 August 03 after consulting all counsels. Defense counsels acknowledged that the time would not count against the speedy trial requirement of the government.
- b 28 August 03 Defense counsels requested additional time to prepare for EPW witnesses and CID Special Agent testimony. IO granted recess until 290800

problems accessing EPW witnesses. IO granted further delay until 291300 August 03

- 29 August 03 Hearing recessed until arrival of additional witnesses on leave Reconvene at Camp Doha, KU
- d 1 September 03 Hearing recessed until 021300 September 03 for additional witness Further delayed until 021430 Sep 03 at request of defense counsels for additional time to interview witness.

4 Defense and Government Objections

- a Defense Defense counsels objected to introduction of sworn statement of SSG in addition to his sworn testimony at the hearing SSG did not refer to his report during his testimony. IO sustained objection IAW RCM 405(4)(g)(B), allowing introduction of sworn statements over defense objection when the witness is not available
- b Government Government counsel objected to defense line of questioning, asking whether certain witnesses had been advised of their rights under Article 31, or were being investigated, or had been charged with violation of Article 32, UCMJ, Dereliction of Duty IO allowed defense counsels to ask this question due to its relevance based on the testimony of the witnesses
- Defense Government counsel requested to broaden the scope of the investigation to include violations of Article 81, UCMJ, 80, Conspiracy to Obstruct Justice, and Article 134, UCMJ, Obstruction of Justice, against all four of the accused, based on testimony of SPC Based on her testimony, IO allowed government to broaden the scope of the investigation to include these two charges
- Defense Defense counsels perceived an allegation of impropriety in line of questioning by government counsel and asked that hearing area be cleared to further discuss the matter. IO cleared the courtroom of all spectators, including the media. I was advised by the PAO representation of a potential violation of the Freedom of Information Act in doing so, since the hearing was declared open. My legal advisor also suggested that other spectators carried the same weight as the media. Both were allowed back in, although the government counsel assured all parties that no such implied accusation was intended against any defense counsel and withdrew any further line of questioning along these lines.

- Defense: defense counsels objected to line of questioning by the government of SA regarding a previous investigation by MSG as irrelevant to the proceedings at hand Government did not argue probative viprejudiced value of the questioning I sustained the objection and disallowed the questioning
- Defense after the testimony of the final witness, SPC government counsel asked that the scope of the investigation be broadened to include violation of Article 134, Adultery and Article 128, Obstruction of Justice Government withdrew its request for the adultery charge. I did not allow the inclusion of this charge due to inadequate notice to the defense to prepare for the additional charges.
- While EPW witnesses have agreed to be available for further testimony, their release might make it difficult to reach them once they have returned home
- During the course of this hearing, testimony from SSG and SPC indicated that while the alleged incidents were occurring, they did not actively attempt to intervene as it was their responsibility to do as soldiers, and in the case of as non-commissioned officers and leaders. Beyond SSG verbal attempts to stop the abuse of these EPWs, nothing else seems to have been done SGT testimony that he turned away because he could not bear to watch this treatment is especially disturbing. I recommend that you consider appropriate action with regard to these soldiers and their evident failure to act to protect the enemy prisoners of war in their charge or stop the mistreatment to which they have testified, under oath

MSG Lisa M Girman,

Item 21, Remarks

- Twelve pieces of evidence were submitted during the hearing. The evidence presented and examined consisted of sworn statements or Agent's Investigation Reports taken or written by CID Special Agents. A manifest from the 744th Military Police Battalion, dated 12 May 03, was also submitted during the hearing. In some cases, witnesses referred to their statements or reports to re-fresh their recollection of events under question. Thirty-one separate witnesses were heard. The witnesses were credible, although defense counsels attempted to refute the testimony of certain witnesses and highlight that previous testimony or statements were contradictory to the recorded testimony during this hearing. Based on the testimony of the witnesses and the evidence presented, I am able to make a recommendation with regard to further action involving the accused soldier.
- 2 With regard to MSG Lisa M Girman, I make the following recommendations to the charges and specifications alleged against her
 - Charge 1 Violation of Article 92, Dereliction of Duty I find that a preponderance of the evidence exists to validate both specifications alleged against her MSG Girman's position, her previous experience, and her senior non-commissioned officer rank are clearly indicative that she had certain duties that night and that she knew of those duties. The testimony of SSG SGT SGT SGT and SPC all indicate that she was willfully derelict in the performance of those duties, to include her responsibilities to safeguard EPWs herself and to ensure that her soldiers also safeguarded EPWs
 - Charge II Violation of Article 93, Cruelty and Maltreatment I find that a preponderance of the evidence exists to validate specifications 1 and 2 alleged against her, but that evidence was not presented to sufficiently validate specification 3 alleged against her. The testimony of SGT and SPC indicate MSG participation in the cruel mistreatment of EPW.

 The testimony of SSG SGT and SPC indicate her cruel mistreatment of EPW I did not find that sufficient evidence existed to confirm the specification alleged against her regarding EPW.

- c Charge III: Violation of Article 107, False Official Statements: I find that a preponderance of the evidence exists to validate the specification alleged against her Based on the testimony of the witnesses previously indicated, MSG Girman's sworn statement of 16 May appears to be false in that she denies the mistreatment and assault of any of the EPWs, that she evidently knew the statement to be false, and that her statement was intended to deceive investigators as to her true actions
- Charge IV Violation of Article 128, Assault: I find that a preponderance of the evidence exists to validate specifications 1 and 2, but that evidence was not presented to sufficiently validate specification 3 alleged against her The testimony of SSG SGT SGT and SPC all indicate that MSG Girman did bodily harm to EPWs and SPC all and that the harm was done with unlawful force Again, I did not find that sufficient evidence existed to confirm the specification alleged
- Charge V Violation of Article 134. I find that the evidence presented was insufficient to validate the specification against her. The testimony of SPC indicates that while MSG Girman's inquiry of him, both about his need for an attorney and his actual knowledge of the events of 12 May, was suspicious, it does not meet the criteria to validate this charge.
- During the course of the hearing, testimony from SPC prompted counsel for the government to request that the investigation be broadened to include violations of Article 81, Conspiracy, and Article 134, Obstruction of Justice, against all four of the accused 1 granted that request over the objection of all defense counsels. Aside from the testimony of SPC III, I do not feel that further, sufficient evidence was presented to validate these charges I, therefore, cannot report that a preponderance of the evidence suggests that these charges are true
- g I recommend that you proceed with a general court martial, charging the accused with Violation of Article 92, both specifications, Violation of Article 93, Specifications 1 and 2, Violation of Article 107 and its specification, and Violation of Article 128, Specifications 1 and 2

3 Delays in proceedings

against her regarding EPW

a 10 proposed original date of 28 July 03 for hearing. Defense counsels requested delay to 5 September 03 due to schedule conflicts 10 set date of 27 August 03

- after consulting all counsels. Defense counsels acknowledged that the time would not count against the speedy trial requirement of the government.
- b 28 August 03 Defense counsels requested additional time to prepare for EPW witnesses and CID Special Agent testimony IO granted recess until 290800 August 03 At approx 2000 Hrs, defense counsels requested further delay due to problems accessing EPW witnesses IO granted further delay until 291300 August 03
- c 29 August 03. Hearing recessed until arrival of additional witnesses on leave Reconvene at Camp Doha, KU
- d. 1 September 03 Hearing recessed until 021300 September 03 for additional witness. Further delayed until 021430 Sep 03 at request of defense counsels for additional time to interview witness

4 Defense and Government Objections

- Defense Defense counsels objected to introduction of sworn statement of SSG in addition to his sworn testimony at the hearing. SSG did not refer to his report during his testimony. IO sustained objection IAW RCM 405(4)(g)(B), allowing introduction of sworn statements over defense objection when the witness is not available
- b Government Government counsel objected to defense line of questioning, asking whether certain witnesses had been advised of their rights under Article 31, or were being investigated, or had been charged with violation of Article 32, UCMJ, Dereliction of Duty 10 allowed defense counsels to ask this question due to its relevance based on the testimony of the witnesses
- Defense Government counsel requested to broaden the scope of the investigation to include violations of Article 81, UCMJ, 80, Conspiracy to Obstruct Justice, and Article 134, UCMJ, Obstruction of Justice, against all four of the accused, based on testimony of SPC Based on her testimony, IO allowed government to broaden the scope of the investigation to include these two charges
- d Defense Defense counsels perceived an allegation of impropriety in line of questioning by government counsel and asked that hearing area be cleared to further discuss the matter IO cleared the courtroom of all spectators, including the media I was advised by the PAO representation of a potential violation of the Freedom of Information Act in doing so, since the hearing was declared open My

legal advisor also suggested that other spectators carried the same weight as the media. Both were allowed back in, although the government counsel assured all parties that no such implied accusation was intended against any defense counsel and withdrew any further line of questioning along these lines.

- Defense defense counsels objected to line of questioning by the government of SA regarding a previous investigation by MSG Girman as irrelevant to the proceedings at hand Government did not argue probative v prejudiced value of the questioning I sustained the objection and disallowed the questioning
- Defense after the testimony of the final witness, SPC government counsel asked that the scope of the investigation be broadened to include violation of Article 134, Adultery and Obstruction of Justice Government withdrew its request for the adultery charge I did not allow the inclusion of this charge due to inadequate notice to the defense to prepare for the additional charges
- While EPW witnesses have agreed to be available for further testimony, their release might make it difficult to reach them once they have returned home.
- During the course of this hearing, testimony from SSG Stephen SGT SPC and SPC indicated that while the alleged incidents were occurring, they did not actively attempt to intervene as it was their responsibility to do as soldiers, and in the case of as non-commissioned officers and leaders. Beyond SSG verbal attempts to stop the abuse of these EPWs, nothing else seems to have been done SGT testimony that he turned away because he could not bear to watch this treatment is especially disturbing. I recommend that you consider appropriate action with regard to these soldiers and their evident failure to act to protect the enemy prisoners of war in their charge or stop the mistreatment to which they have testified, under oath
