(b)(2),(b)(6)

"In the name of Allah the compassionate the most merciful"

To my dearest brother (b)(6), peace be upon you, so with the mercy and blessings of Allah.

Hence, my brother; I hope that Allah make this letter get to while you are good health and wellbeing like a believer that challenges the impassable.

Brother, I don't know where to start! Do I start at zero? Should I start from the beginning? Should I start from where they have placed handcuffs over my wrists? Or should I start since they brought me here?

I don't know how to explain to you my joy and happiness! Do you remember the times that we have spent together had by hand? This was done for the sake of Allah and not for this world.

My beloved brother, I will not hide from you the things we go through here. Hardship, I have gone under hunger strike. I was hoping to archive what I have wished for! However, Allah will is grater and He intervened.

Time has come to implement "The SHARIA: Islamic laws" This was the greatest thing, which I have been waiting for! I bring to you good tidings, to comfort your heart. I will presume work after I have consulted Allah grace His name. I've hoped to meet you, but time didn't allow me. I was also hoping that no one will beat me to it!

My precious brother, I want you to hear the good news, be happy, and proud for (1)we have left not for the sake of coming back (returning).

If Allah accepts me, then don't forget to write to the family and tell them the good news in Al-MADEENAH I meant, at home, at the shop, or anywhere to which you would like to write.

If Allah wills for you to be released, then I want you to take good care of my parents. Filial devotion to them and I will be kind to you in Allah's will! We ask Allah for guidance towards our curriculum. (2)Hopefully, we will meet soon in Allah's willing in His eternal paradise.

I will never forget you brother! Peace be upon you, so with the mercy and blessings of Allah.

693...Sender: your brother Ali Abdullah Ahmed NASSIR AI-SALMY
Note: I wan to forgive me, for all my wrongdoings! I want you to ask the parents on my behalf, for forgiveness; especially, the family and the brother in general. 7/6/2006.

TN: (1) Metaphorically in Arabic he meant that he might expect to death.

(2) From the sentence above he is indicating that once he parishes they will meet again in heaven.
