9 This is the Command Center with a secret
10 significant event conference. DDO, your conference is
11 convened.

12 (b)(6) This is (b)(6) DDO at the
13 NMCC with the significant event conference. This
14 conference is convened in response to the two aircraft that
15 crashed into the World Trade Center. I will provide an
16 update as to what I know at the National Military Command
17 Center and then ask for updates from conferees.

18 At this point there have been two aircraft that
19 have collided into the World Trade Center. There's also
20 been one confirmed hijacking of an American Airlines flight
21 11. It's just being confirmed that that aircraft is still
22 airborne and heading to D.C. There have been some aircraft
23 scrambled out of Otis in response, but have not
24 intercepted. FAA, provide an update? Is FAA in the
25 conference? Joint Forces Command provide an update.

1 NORAD: Sir, at this time we have three unknowns
2 in Alaska. The first unknown is the one that's been
3 previously briefed. CCOM's ID 0255. It's turned around
4 and heading back inland on the north coast to Alaska, 140
5 knots. The second aircraft CCOM's ID 0254 is at position
6 7014 north, 15159 west at 111 knots. SIGNAR has deferred
7 tactical action, tactical decision. The third unknown in
8 Alaska CCOM's ID 0233, position 5802 north, 15646 west
9 that's 379 knots, 31,000 feet. And, sir, that action has
10 been identified now as an airborne A-3. So, to summarize,
11 we have two unknowns in Alaska; one on the north coast, one

1 Nobody is answering the phone down. I'll put you
2 out to Jack, to the personnel folks. They'll probably help
3 you out with this okay. Sir, are you still with.

4 DDO: This is the DDO. Who are you trying to
5 reach? Last calling station who are you trying to reach?
