MEMORANDUM FOR THE SECRETARY OF DEFENSE

FROM: Douglas J. Feith

SUBJECT: Status of Snow Flake on Improving Jordanian and Saudi Border Controls

- You asked about the need to improve Saudi and Jordanian controls along the Iraqi border to prevent the passage of illicit persons and materials.
- We are working with J-5 on a draft demarche that we would ask the State Department to send to Jordan and Saudi Arabia on:
  - the need to improve their border controls and
  - how we can help them to do so.
- The draft should be up to you for approval this week.
