## THE DANGER OF SLEEPING DURING PRAYERS

SATAN PEEES INTO THE EARS OF THOSE WHO FALL ASLEEP WHILE PRAYING.

The Hadith

Burkhari vol. II, no. 245 If one sleeps and does not offer the prayer, Satan urinates in his ears.  
Narrated Abdullah: The Prophet said, "Satan urinated in his ears."

**"This 'sharia-law' business is crap . . . and I'm tired of dealing with the crazies!"**

**- NJ Governor Chris Christie...**

**"There is no 'Clash of Civilizations' between the Muslim world and the West. There is only a clash of ignorance."**

**-Andre Azoulay**

**"Islam is not the enemy. It is not synonymous with terror. Nor does Islam teach terror. American and its friends oppose a perversion of Islam, not the great world faith itself. Lives guided by religious faith, including literal beliefs in holy scriptures, are common to every religion, and represent no threat to us."**

**-The 9/11 Commission Report**

**"Some Westerners have argued that the West does not have problems with Islam but only with violent Islamist extremists. Fourteen hundred years of history demonstrate otherwise."**

**- Samuel Huntington**

**Koran(8:39) – “And fight with them until there is no more persecution and religion should be only for Allah”**

**Sahih Muslim (1:33) – the Messenger of Allah Muhammed said “I have been commanded to fight against the people till they testify that there is no god but Allah, that Muhammad is the messenger of Allah.”**

**Sahih Bukhari (8:387) – Allah’s Apostle Muhammed said “I have been ordered to fight the people till they say ‘None has the right to be worshipped but Allah’”**

**Ibn Khaldun (1332 - 1406) was a renowned Maliki jurist, philosopher, historian, and sociologist**

**“In the Muslim community, the holy war is a religious duty, because of the universalism of the [Muslim] mission and [the obligation to] convert everybody to Islam either by persuasion or by force .... The other religious groups did not have a universal mission, and the holy war was not a religious duty for them, save only for purpose of defense.... Islam is under obligation to gain power over other nations.”**

- Thomas Jefferson reporting to Congress on what Tripoli's envoy to London, Ambassador Sidi Haji Abdrahaman, replied when when asked what right he had to extort money and to take slaves in this way:

“The ambassador answered us that [the right] was founded on the Laws of the Prophet (Mohammed), that it was written in their Koran, that all nations who should not have answered their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as prisoners, and that every Mussulman who should be slain in battle was sure to go to heaven.”

“Religious institutions that use government power in support of themselves and force their views on persons of other faiths, or of no faith, undermine our civil rights. Moreover, state support of an established religion tends to make the clergy unresponsive to their own people, and leads to corruption within the religion itself. Erecting the ‘wall of separation between church and state,’ therefore, is absolutely essential in a free society.”

- Thomas Jefferson

## Ideology, Religion, Faith, Law and a Constitution

An *ideology* is a set of ideas that constitutes one's goals, expectations and actions; it can be thought of as a comprehensive vision in looking at things.

*Religion* is a collection of cultural systems, belief systems and worldviews that establishes symbols that relate humanity to spirituality and to moral values.

*Faith* is trust, hope and belief in the goodness, trustworthiness or reliability of a person, concept or entity. Religious faith is a belief in a transcendent reality, set of teachings or a supreme entity.

*Law* is a system of rules and guidelines, usually enforced through a set of institutions. It shapes politics, economics and society in numerous ways and serves as a social mediator of relations between people.

A *constitution* is a body of fundamental principles or established precedents according to which a state or other organization is acknowledged to be governed.

**Interfaith dialogue refers to cooperative and positive interaction between people of different religious traditions (i.e., "faiths") and spiritual or humanistic beliefs, at both the individual and institutional level with the aim of deriving a common ground in belief through a concentration on similarities between faiths, understanding of values, and commitment to the world.**

**Islam has long encouraged dialogue to reach truth (not interfaith dialogue which seeks to find common between people and leave differences aside). Islam also stresses that the supreme law of the land should be Islam and that Islam regulates all life affairs and therefore regulates how non-Muslim and Muslims live under an Islamic state, with historical examples coming from Muslim Spain, Mughal India, and purportedly even starting as far back as Muhammad's time, where Muslims, Christians and Jews reputedly lived in harmony.**

**Is This What Islam Is? Islamism?**

**Is This Who Muslims Are? Or Aren't?**

**Is A Clash Of Civilizations Inevitable? Or Ongoing?**

**Maybe Not...**

**These Are Muslims Too....**

Islam is the last of the “Revealed” faiths...

A 1,400+ year struggle for respect (as well as converts, treasure and territory)...

The drive for dominance is hard-wired into the *Qur'an* and *Hadith*...

Islam cannot be reformed, “modernized” or secularized, to do so would be to make it into something other than Islam...

Islam CAN only be revived, to the 7<sup>th</sup> century paradigm (see Salafism)

**Jihad is not a pillar but has been defined as a “duty.”**

**Jihad takes many forms, for example:**

*“The traditional concept of Jihad is based upon a division of the world into two zones; one the zone of Peace, the other of War. It requires initiating hostilities for religious reasons. It is true that the regime has not enacted a law to realize slavery in Sudan, but the traditional concept of Jihad does allow slavery as a by-product of jihad.*

**-Sadiq al-Mahdi, Prime Minister of Sudan (1986-1989), statement made in 1999.**

- Jihad of the Sword** (*jihad bis saif*) refers to *qital fi sabilillah* (armed fighting in the way of God, or holy war), the most common usage by Salafi Muslims
- Jihad of the Tongue** (*jihad bil lisan*) is concerned with speaking the truth and spreading the word of Islam with one's tongue
- Jihad of the Heart** (*jihad bil qalb/nafs*) is concerned with combating Shaitan (the Devil).
- Jihad of the Hand** (*jihad bil yad*) refers to choosing to do what is right and to combat injustice

- **Lesser Jihad and Greater Jihad** (*al-jihad al-akbar*). Based on except of Al-Khatib al-Baghdadi , an 11th-century Islamic scholar, referencing a statement by Jabir ibn Abd-allah . Jabir reportedly said, "The Prophet... returned from one of his battles, and thereupon told us, 'You have arrived with an excellent arrival, you have come from the Lesser Jihad to the Greater Jihad — the striving of a servant (of Allah) against his desires.'" Thus the distinguishing of two forms of jihad: "greater" and "lesser." Numerous Islamic scholars dispute the authenticity of this reference

## DON'T PRAY LOOKING UP

IF YOU PRAY WITH YOUR EYES LIFTED UP TOWARD HEAVEN, THEY WILL BE SNATCHED OUT OF YOUR HEAD.

### The Hadith

**Muslim vol. I, nos. 863 Chapter CLXXIII** It is forbidden to lift one's eyes toward the sky in prayer. Abu Huraira reported Allah's Apostle saying: "People should avoid lifting their eyes towards the sky while supplicating in prayer, otherwise their eyes would be snatched away."

**Is This The Future For Us?**

**Red Team Study on Afghan Fratricide-Murder Risk to U.S.**  
**Troops 4 Apr 2011**

**Subsection: Theological survey of ANA/ANP (ANSF) troops:**

**Q. – What happens to U.S. soldiers who die in Afghanistan vs a suicide bomber?**

**A. – Majority of ANSF troops do not believe that U.S. soldiers who are KIA in Afghanistan will go to Heaven/Paradise but to Hell as they are Kufr (infidels). A large minority thought that a suicide bomber would go to Heaven/Paradise as they were fighting kufr. A slight majority of ANSF religious education officers believe that suicide bombing is justified and the bomber (martyr) automatically goes to Paradise.**

**If the future might be a violent globalized clash  
between Islam and all others,  
why not just surrender to the inevitable?**

**\*Convert, submit or die; become Muslim or a  
*Dhimmi*...**

**Would it be wiser and more  
peaceful to change and  
accommodate to Islam?**

**•Only Christians and Jews get this choice, all others (Hindus, Buddhists, Pagans, Jainists, Shintoists, Gnostics [Mandeans, Manicheans], Pharisees, Zoroastrians, etc) must either convert or be killed.**

**How bad could the change be? Such a change wouldn't really impact me or my family, would it?**

**Islam is just a further expression of Judaism and Christianity, as an Abrahamic faith, isn't it?**

**Islam is the religion of Peace, isn't it?**

**Islam is compatible with democracy, isn't it?**

**I can still watch football, right?**

**So Let's look at the Constitution of the  
United States, how it might be "improved"  
by Islam.**

- Reject Democracy
- Not have non-Muslim friends
- Not celebrate non-Muslim festivals (Christmas, Easter, Passover, Kwanza)
- Not join the police or armed forces
- Not vote or stand for election
- Demand the release of all Muslim believers in the hands of the disbelievers
- Reject integration with non-Islamic society
- Abide by Shari'a and not any "man-made law"

**“We the people of the United States, in order to form a more perfect Union, establish justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity....**

**-Incorrect, obviously, so the Preamble must be struck out.**

- There is only one God and that God is Allah.**
- Only Allah can provide domestic tranquility, if it is His will.**
- Only Allah can provide any general welfare, if it is His will.**
- The only hope for true peace, true justice and true liberty is via complete Submission to the Will of Allah.**
- Only by surrendering totally to the will of Allah can anyone receive what Blessings Allah deems His slaves to be worthy of.**
- Only Allah is perfect, men can never be.**

•Recognition that the only valid government is one  
Divinely ordained means that any type of government  
which tries to deposit power and justice in fallible and  
sinful people is not only ridiculous but actually is a sin,  
as it subverts the omnipotence and omniscience of  
Allah.

•Worse, any such attempt is *shirk* and those who try it  
are apostates.

## Next:

- Remove second paragraph of Article VI, to wit, the:

**"Constitution, and the laws of the United States which shall be made in pursuance thereof, and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme Law of the Land."**

Only the will of Allah, as delineated via the *Qur'an*, *Hadith* and *Sira*, as expressed through *Sharia*, can be the supreme law of the land, as no human-derived constitution or law can ever be legitimate.

-In addition, the second sentence of in Article VI must be amended. **(This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding).**

Next:

-The last sentence of Article VI must also be changed or greatly modified, as with the introduction of *Sharia* as the supreme law of the land, the previous corrupt, outmoded and unfair legal systems would require restructuring.

(The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States)

- In order to hold any high office or public trust in the United States, there MUST be a religious test as an initial requirement. Obviously non-Muslims should never attain power over Muslims, while qualifying Muslims are inherently gifted by Allah to rule justly over the non-Muslim *dhimma*.

As well, the selection of judges (actually *Qadis*, *Muftis*, *Cazis*, etc) would need to reflect Islamic qualifications as the prime litmus test for eligibility.

# —YAWNING COMES FROM HELL—

ALL YAWNING IS FROM SATAN  
ACCORDING TO THE PROPHET.

The Hadith  
Vol. IV, no. 509  
Narrated Abu  
Huraira: The Prophet  
said, "Yawning is  
from Satan."

Now, the 27 amendments - - -

## The 1<sup>st</sup> Amendment:

-Modification necessary to reflect that Islam is now the official religion of the land. In accordance with existing and recognized *Sharia* laws drawn from the *Quran (Sura:ayat)* and *Hadith* in reference to *dhimma*, all submitting Christians and Jews will need to pay the *jizyah* poll tax, wear distinctive dress or markings, not proselytize, not build new churches or temples, move to housing that is not higher than any Muslims home, and must not use transportation superior to what Muslims have.

(Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.)

### The 1<sup>st</sup> Amendment-cont'd-:

- Additionally, common sense abridgements to freedom of speech and the press will be necessary, as judged by appropriate *ulema* or state authorities, lest anyone commit blasphemy against Allah, His Messenger and Prophet, or Islam in general.

Peaceful assembly would remain unrestricted for male Muslims and the right of redress would be redirected to the local *Diwan*, *Shura*, *Qadi* or *Mufti*, as appropriate.

## The 2<sup>nd</sup> Amendment:

-Unrestricted “gun rights” will remain valid for male Muslims only, all other arms will be confiscated in order to ensure the safety and prosperity of the Muslim community.

(A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed.)

## The 4<sup>th</sup> Amendment:

- Will remain fully valid for Muslims, will have “qualified” application to those Christians and Jews who, in accordance with the 1<sup>st</sup> amendment, openly accept *dhimmi* status.

(The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.)

## The 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> Amendments:

-As with the 4<sup>th</sup>, all inherent rights remain fully valid for Muslims, qualified for *dhimma*.

V Amendment - No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

VI Amendment - In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the state and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense.

VII Amendment - In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise reexamined in any court of the United States, than according to the rules of the common law.)

## The 9<sup>th</sup> Amendment:

- To be struck from the Constitution in its entirety.

(The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.)

## The 10<sup>th</sup> Amendment:

-Will be amended to indicate that all powers are delegated from Allah and none are reserved either to the States or the people. It is self-evidently ridiculous to think that any government based on the “whims” of a people can be just or legitimate, as only Allah can truly govern in the interests of humanity, regardless of what any “people” might wish.

(The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.)

### The 13<sup>th</sup> Amendment:

-To be struck from the Constitution in its entirety, or duly amended to allow slavery as a result of *jihad* or indentured servitude as payment in lieu of money as a result of debts.

(Section 1. - Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.

Section 2. - Congress shall have power to enforce this article by appropriate legislation.)

### The 16<sup>th</sup> Amendment:

-Will need to be extensively modified to account for the creation and maintenance of *waqf*'s and the implementation of *tawaruq*.

(The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several states, and without regard to any census of enumeration.)

## The 19<sup>th</sup> Amendment:

- Modified to show that all male Muslims have unrestricted voting rights. Non-Muslim male *dhimma* should be allowed limited local suffrage, subject to qualifications and restrictions based on local *ulema* or state authority considerations and decisions. Examination of future suffrage rights for female Muslims to be considered by the appropriate *ulema shura*.  
(The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of sex. Congress shall have power to enforce this article by appropriate legislation.)

## The 21<sup>st</sup> Amendment:

-Will need to be repealed, with a concurrent re-institution of the 18<sup>th</sup> Amendment on the prohibition of the manufacture, sale or transport of alcohol to Muslims. There will need to be modifications of the 18<sup>th</sup> Amendment in order to allow the continued manufacture and sale of alcohol to the extensive *dhimma* population, with appropriate heavy taxation for that privilege.

(Section 1. - After one year from the ratification of this article the manufacture, sale, or transportation of intoxicating liquors within, the importation thereof into, or the exportation thereof from the United States and all territory subject to the jurisdiction thereof for beverage purposes is hereby prohibited.)

•

Over the course of time, with the natural shrinkage of the *dhimma* population and corresponding growth of the *umma*, by birth and conversion, future amendment to complete abolition of alcohol will be possible.

All remaining Amendments:

- To be reviewed by competent *ulema* and judged in accordance with principles of the *Qur'an* and *Hadith*.

## Provisions to be Inserted in "Islamic" Constitution:

- Declare Islam as the state religion of the United States of America
- That the teaching of the *Qur'an* and *Islamiyat* be compulsory, that the learning of Arabic be facilitated, and that secure and correct printing and publication of the *Qur'an* be facilitated.
- That all existing laws be brought in conformity with the injunctions of Islam as laid down in the *Qur'an* and *Sunnah*; that no law be enacted which is repugnant to Islam.
- The proper organization of *zakat*, *waqf* and mosques be ensured.
- That the State will prevent prostitution, gambling and the printing, circulation and display of obscene literature and advertisements.
- That a Federal Shariat Court/Council of Islamic Ideology be constituted to make recommendations to the President and Congress about the ways and means of enabling and encouraging the Muslims of the United States to order their lives in accordance with the principles of Islam.

## NO DOGS OR CATS ALLOWED

AN ANGEL CANNOT ENTER A HOME IF A DOG IS THERE! THE SELLING OF CATS IS FORBIDDEN. THEY CANNOT BE PETS!

### The Hadith

**Bukhari vol. IV, nos. 539** Narrated Abu Talha: The Prophet said, "Angels do not enter a house which has either a dog or a picture in it."

**Bukhari vol. IV, no. 540** Narrated Abdullah bib Umar: Allah's Apostle ordered that the dogs should be killed.

**Muslim vol. I, no. 551** Ibn Mughaffal reported: The Messenger of Allah ordered killing of the dogs, and then said: "What about them, i.e. other dogs?" and then granted concession to keep the dog for hunting and the dog for the herd and said: "When the dog licks the utensil, wash it seven times and rub it with dirt the eighth time."

## That Other Document....

### - The Declaration of Independence:

To be declared null and void, then destroyed as a legal document. It will be removed from all public and private institutions and dwellings.

The presence of the following statements mandate this destruction; **"We hold these truths to be self-evident..." and "... Governments are instituted among men, deriving their just Powers from the Consent of the Governed."**

Manifestly impious and subversive statements are anathema to the indisputable fact that only Allah has the right and ability to govern justly.

## Impact on Some Current Political Issues:

- Gay, Lesbian and Transgendered rights, marriage, etc would become moot, as homosexuality is a sin in Islam, punishable by death.
- Equal rights will become moot as only male Muslims can enjoy full rights; women are divinely subservient to men to the point where they do not have any rights even over their own bodies. *Dhimmi's* will never be equal to Muslims, period.
- Crimes such as rape and adultery become much more murky and potentially lethal in judgment, especially for the woman. (see *Hudud*)
- Abortion as a defining issue becomes moot, as it is discouraged and illegal if the woman is past her 4<sup>th</sup> month.
- The entire legal industry would quickly shrink, as tort law and case law is phased out and divorce, alimony, child support and inheritance pass into the hands of *Qadi's*; *Qisas*, *Hudu*, *Diyya* and *Ta'zir* would replace existing Penal Codes (*Lex Talionis* replacing correctional/rehabilitative efforts).
- Environmentalism as an issue would vanish.

**Can We Combat This?**

**Yes, read the U.S. constitution and follow it!**

**The Constitution is the supreme law of the land, enforce it as such!**

**Treat Islamism as a political ideology, which it is.  
Wahhabism, Deobandism, etc are also political, not religious.**

**If Islamism is a political ideology, can it be defeated?  
Is there an example of the United States defeating such a pervasive ideology?**

## Defeating the ideology of White Supremacy:

Most visible form in the United States was the Ku Klux Klan, founded by Confederate Army veterans in Tennessee, 1865. Openly violent against blacks and Republicans into 1880s.

Resumption of violence in 1915 into early 1940s, anti-black, anti-Catholic, anti-Semitic, anti-communist, nativists.

Third resurrection of white supremacists in 1950s into 1970s, anti-Civil Rights and pro-segregationists.

How was this ideology of white supremacism, which at one point had 4 million open active adherents and an estimated 4-6 million more supporters, defeated?

It was declared a terrorist organization, actively and often violently confronted by legal and, on occasion, by military authorities. Held rallies, marches, confronted it in education, desegregated institutions and enforced it. Did not worry about offending white supremacists or making more, we confronted it and defeated it!

**Be smarter about the history of Islam than Muslims are!**

**Understand the *Qur'an* as a political document, which is about victory and totalitarian domination, not about redemption.**

**Qur'an 58:14-20 –**

**Have you not seen those who have taken as friends a people who are under Allah's wrath. They are neither of you or of them, and they swear to a falsehood knowingly. Allah has prepared a severe torment for them. Evil are the deeds they are doing. They have made oaths a covering under which they debar others from the Way of Allah. For this they shall have a disgraceful torment. Neither shall their riches avail them anything to protect them from Allah nor their children. They are fellows of Hell in which they shall live forever.**

**The Day Allah raises them up, they shall swear to Him as they swear to you, thinking that their oaths will avail them something. Know it well that they are liars. Satan has over-powered them and has caused them to forget God's remembrance. They are of Satan's party. Know it well that those of Satan's party are indeed the real losers. Surely the most abject of the creatures are those who resist Allah and His Messenger.**

**There is no compulsion in religion. The right course has become clear from the wrong.**

**- Quran 2:256**

**When the sacred months have passed, then kill the polytheists wherever you find them and capture them and besiege them and sit in wait for them at every place of ambush. But if they should repent, establish prayer, and give zakat, let them go on their way.**

**- Quran 9:5**

**Fight those who do not believe in Allah or in the Last Day and who do not consider lawful what Allah and His Messenger have made unlawful and who do not adopt the religion of truth from those who were given the Scripture. Fight until they give the jizyah willingly while they are humbled.**

**- Quran 9:29**

**There is one human race. A single day brought us all forth from our father and mother. No man is born superior to another. But one man's fate is a doom of unhappy days, another's is success; and on others the yoke of slavery's hardship falls.**

WHAT IS THIS MOLE?  
SHOULD WE CUT IT OFF?

NO, IT IS THE "SEAL  
OF PROPHETHOOD" IT PROVES  
THAT I MOHAMMED AM A PROPHET.

## THE SEAL OF PROPHETHOOD... Chapter CMLXXIX

### The Qur'an

**Surah 33:40** Mohammed is not the father of any of your men, but (he is) the Apostle of Allah and the Seal of the Prophets (rests upon him).

### The Hadith

**Bukhari vol. I, no. 189; vol. no. 741**

Narrated As-Sa'ib Yazid: ... "I stood behind him (i.e. Allah's Apostle) and saw the Seal of Prophethood between his shoulders, and it was like the "zir-al-Hijla" (the size of a button on a small tent or a partridge egg)".

**Bukhari vol. IV, no. 741** Narrated As Sab'ib Bin Yazid: ... "standing behind him (i.e. Allah's Apostle) I saw the Seal (of the Prophets) between his shoulders."

**Muslim vol. IV, no. 5790-5793**

## THE FACT PERTAINING TO THE SEAL OF HIS PROPHETHOOD, IT'S CHARACTERISTIC FEATURE AND ITS LOCATION ON HIS BODY.

**Jabir B. Samura reported:** "I saw the Seal on his back as if it were a pigeon's egg." This hadith has been narrated on the authority of Simak with the same chain of transmitters. As-Sa'ib B. Yazid reported: My mother's sister took me to Allah's Messenger and ... I stood behind him and I saw the Seal between his shoulders."

**Abdullah B. Sarjis reported:** "I saw Allah's Apostle and ate with him bread and meat... I then went after him and saw the Seal of Prophethood between his shoulders on the left side of this shoulder having spots on it like moles."
