Dear Bill,

~~(S)~~ In response to your October 26 letter concerning provision of Redeye missiles to Pakistan, the Defense offer to sell ~~(S)~~ Redeyes through FMS procedures for U.S. \$2.8 million is still valid. Defense is prepared to provide the Government of Pakistan a LOA for this quantity upon their request.

OSD 3.3(b)(4),(5),

~~(S)~~ The original quantity of Redeyes was offered to Pakistan for immediate delivery by diverting U.S. Army stocks. It is necessary to determine with the Army if the larger quantity can be made available to Pakistan from stocks without a significant adverse impact on U.S. force readiness. After reviewing the Army position, expected in the next two weeks, I will be in a better position to provide a response to your query.

(6)

~~(S)~~ As you request, we will review the total package to ensure that there are no duplications in services associated with the increased quantity of missiles which would unnecessarily add to the total price.

Sincerely,
