MEMORANDUM FOR THE PRESIDENT

SUBJECT: Progress in the Counterinsurgency Program

In my memorandum of 2 June on progress in the Counterinsurgency Program, the use of South Viet-Nam as a counterinsurgency laboratory was described. Other countries with counterinsurgency problems of an incipient or active character are also being used for the training of military officers through temporary duty assignments.

Seven officers have been rotated as observers in Thailand, ten in Laos, five in Latin America, and eight in Europe and the Middle East. In addition three officers are currently on rotation in Laos, three in Thailand, and seven in Latin America.
