MEMORANDUM FOR DISTRIBUTION LIST

SUBJECT: U.S. Strategic Objectives and Force Posture,
Summary of Issues for Decision

Attached for your review and comment is a revised "Summary of Issues for Decision" which takes many of your comments into account. Some of the comments submitted by State and OMB addressed the fundamental structure of the issues posed for decision by the Executive Summary. These I felt should be discussed by the Coordinating Group and I did not reflect them in the attached draft.

This draft has not been reviewed within OSD. Hence, OSD reserves the right to submit comments or, and suggested changes to the draft along with other agencies.

LCol Merritt will advise you of the review schedule for the attached paper.
