Through: Under Secretary of Defense for Policy *JS* 6 OCT 1983

SUBJECT: Response to King Fahd on His Security System Request -- ACTION MEMORANDUM

Boeing request to install "Deflection, Protection & Offensive System C-4" on King Fahd's two personal B-747 aircraft arrived at State on September 23, and was forwarded for DoD consideration on September 26. OUSDRE expects to complete review with a favorable recommendation before the end of September. State should be able to issue the license in early October.

Proposed reply from you to King Fahd congratulates him on Prince Bandar's success in Lebanon, informs him of the status of the request and assures him that we are expediting the case. A copy of the letter will be provided to Prince Bandar.

Recommend that you sign the letter at Tab A.
