29 April 1977

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Subject: NATO Action Program (U)

X 1067

1. Reference your memorandum of 11 April 1977, subject as above, requesting comments and practical recommendations on how to implement Ambassador Komer's proposals. As you are aware, most of the Tabs to Komer's Action Program have not been received.
2. I am in general agreement with the contents of Ambassador Komer's paper and with its forceful approach. The Joint Staff has developed some detailed remarks which I have attached.
3. I stand ready to assist in any way in laying the ground work for your presentation before the DPC.
4. This memorandum is regraded UNCLASSIFIED when separated from the classified enclosure.

5. The Commission is authorized to conduct such investigations as may be necessary to determine the causes of the present economic situation, the extent of the economic emergency, and the measures which should be taken to correct such economic emergency. It is the duty of the Commission to report to the President and to the Congress the results of its investigations and to recommend such measures as it may deem appropriate in the areas of consumer protection,

6. The Commission is authorized to conduct such investigations as may be necessary to determine the causes of the present economic situation, the extent of the economic emergency, and the measures which should be taken to correct such economic emergency. It is the duty of the Commission to report to the President and to the Congress the results of its investigations and to recommend such measures as it may deem appropriate in the areas of consumer protection, stocks, and undertake such special programs to increase investment in the United States. The Commission is authorized to use such funds as may be available to it for the purpose of carrying out its duties.
