

~~TOP SECRET SENSITIVE~~

Finally, the request to change instructions has not been considered in the Working Group -- they should be asked to prepare a paper, with arguments and alternatives for systematic SCC discussion.

Summary:

[redacted] (it should be held for use to win a significant Soviet step (e.g. MIRV levels), and we should at least block any Soviet effort for a similar exception for single RV SS-18s. We should not begin asking questions (which implies a willingness to agree) at this point in the negotiation -- and certainly not without full staffing by the Working Group.
