MEMORANDUM FOR THE HONORABLE CASPAR W. WEINBERGER
The Secretary of Defense

SUBJECT: Security Assistance Policy for Lebanon (U)

I have reviewed your memorandum of June 1, 1984 on this subject and concur on the need to revise the policy in NSDD-128 governing security assistance to the Government of Lebanon. ~~LOT~~

The actions recommended in your memorandum governing future transfers of equipments to the Government of Lebanon appear sensible. Specifically, transfers of major equipment currently on order should be undertaken after a careful review of requirements and after consultations with the GOL regarding the future mission and organization of the Lebanese Armed Forces. ~~LOT~~
