FROM: Donald Rumsfeld *DR*

SUBJECT: MoD Group

Should we develop a Ministers of Defense group that would include people like Portugal, Spain, Italy, Norway, Japan, UK, Australia, Poland, Turkey, Romania, Qatar, Uzbekistan, Colombia and 8 or 10 others?

Doug and Larry, what do you think?

Thanks.

Doug is working on a process to do this. I think we should do it, and we should develop a venue to do something with them.
