~~(S)~~ Liberia. Special envoy Jeter and AMB Milam describe the situation as best in seven years, largely thanks to ECOMOG's improved performance. DOD got a pat on the back for facilitating airlift of fresh troops. Next steps: reintegration/training for ex-fighters, elections prep by UN and NGOs, police training, etc. UNSYG has evinced personal interest in Liberia, which some will view as an early litmus test of his leadership. DIA is less sanguine than State that this (14th) peace agreement will hold.
