Jim,
Please read my email from the Office of the (b)(6) (b)(6)

YES!!!! Honorary Consul General
I'm soooooo excited about the humbling honor!

It's amazing that with all my expertise in Middle Eastern/Arab history, their natural enemy, their ally, the complex cultures and politics etc etc besides being fluent in Arabic.....
it's ironic that I get the request from the state of Korea -which is NOT my expertise.

However as a lover of International Politics/Foreign Affairs, I do find the Korean Statehood quite interesting, especially with the unknowns and new opportunities with the new regime in North Korea.
(I'm a lover of conflict problem solving, and have a keen sense of seeking opportunities in chaos)

But again, Korea's not my expertise.....or nor do I speak the native language.

With all that disclosed to the (b)(6) (b)(6)
(b)(6) he still registered my abilities, leadership and capabilities and found it to be an asset to his efforts.

When he took me to the Four Seasons for lunch last month, he clearly extracted my traits, and discussed nominating me to an "Official" diplomatic position focused on strengthening US-Korean relations, especially during these volatile times in Korea

What's so cool is that building or fostering US relations is something I do everyday in "passing"....
(last Saturday I did it with over 60 different Countries at once!)

In other words....It's NOT "work" when you're good at it -and truly enjoy it!

But needless to say...it's awesome to be acknowledged with an Official title and Diplomatic status!

-especially from a World Leader I find so accomplished, respectful, and intelligent
(and would only work with someone based on pure merit, and capabilities)

As you know, my first and foremost desire is to be CentCom Ambassador....

It's a lot more effort....since it comprises if over 60 Nations -but I have a lot more passion and experience with it!

(plus I would really like working with the Commander! :-))

I hope to see you soon!

Sincerely

Jill

Dear Ms. Jill Kelley,

My name is (b)(6) at the Korean embassy in Washington DC and am writing to ask you a question.

(b)(6) (b)(6) gave me your contact information.)

We have heard of your interest in Korea, efforts to strengthen US-Korea relations and cooperation on US-Korea issues such as the FTA. Thus, we are currently looking into appointing you as Honorary consul of Korea in the Tampa area. As you know, this position would involve roles such as supporting welfare of Korean citizens in your area.

It would be very helpful if you could let us know whether you are interested in holding such a position. For necessary measures, we would have our consular office in Atlanta contact you. We look forward to hearing from you.

Best regards,

And of course, (b)(6) organized the perfect event -she's so pretty and perfect!

And, the nail biting part, my speech, went over very well.

In my speech, I gave my commitment to protecting and preserving the USCentCom/Coalition's relations, and being a zealous advocating their interests and efforts -and to stay undivided.

And as the Ambassador, to make it my priority to advance global trust, international exchange, and camaraderie within the Command.

I whole heartedly thanked them for appointing "me" to represent the largest and greatest military coalition in the world. But most importantly, I thanked Gen Mattis for his priceless support and glorious leadership. I said, without him, this would not be a reality!

Then I said a speech in Arabic....it was a hit!

(I said it in Classical Arabic so all the Moslems from any country could understand -since the Koran is only read in Arabic) I said spoke something different to the Moslems...

I spoke in Arabic to begin my Leadership emphasizing the importance of cross-cultural and interfaith dialogue -to foster a greater understanding, tolerance and acceptance between the USA and the Islamic World.

And thanked them for aligning with the USA in fighting the "common" enemy (and not to let any "agenda or propaganda" shake their confidence and commitment to the USA)

Everyone in the main conference room was smiling. It was a full house of US and Foreign Military -great turnout, much bigger than I expected!

Harward also spoke -really flattering words about "Madame Ambassador"

He explained how they decided to designate this new position -and why the CentCom unilaterally chose me. :-) (which was very humbling to hear in front of a million guys)

He told the audience about the long history of Mrs Kelley and CentCom...and that I pioneered the advocacy for stronger diplomacy between CentCom and the Coaliton -especially in the time of War

Needless to say, Bob was a Rockstar, he truly outdid himself! I was humbled by his kindness and flattery.

The reception afterwards was truly spectacular. I must have shaken a million hands in the receiving line.

They also made a huge cake -like for a wedding!

(oh boy, if you were there..... (b)(6)

Very a special day, indeed.

Wish you could've been there!

Thank you again Jim for all your support. I'm eternally grateful!

Your (humbled) Ambassador,

Jill

That said, I look forward to meeting your State Dept Visitors from Colombia...
You may not know, but I speak Spanish fluently
So holding a conversation with them will be quite easy -and enjoyable.

(b)(6) used to have the most fascinating guests in his box...
The conversations among us were more exciting than the game itself! Lol!

Which reminds me...

Since we saw each other last, the (b)(6) nominated me to be the Honorary Consul General to Korea...

(b)(6) would appreciate that they just passed the Free Trade Agreement with the United States.

If you want to consider having the Rays visit/tour South Korea, let me know?

(b)(6) Thank you again for your kind invitation, and mostly for your friendship.

I look forward to seeing you on the 25th.

Dear Jill,
Next week, The International Council of the Tampa Bay Region, Inc. will be hosting a delegation of 4 distinguished visitors through the U.S. Department of State's International Visitor

Leadership Program. The visitors are from Afghanistan, Nepal and Pakistan and will be in Tampa Bay for an "Intra-Regional Trade and Commerce" Program. The visitors will be accompanied by 2 USDOS Interpreters for a total of 6 in the delegation. They will be arriving in Tampa Bay on Thursday, May 10 and departing on Wednesday, May 16. They will have three days for professional meetings during their visit.

I am attaching the bios to this email for your information. The US Department of State has asked us to help them protect the visitor's privacy and security during their visit to the United States and has requested that these bios be distributed only to those individuals holding professional meetings with our visitors. We appreciate you helping us in this effort. Please let me know if you should have any questions or you require further information.

I am also attaching an overview of The International Council for your information, which will also provide you with some history of the International Visitor Leadership Program.

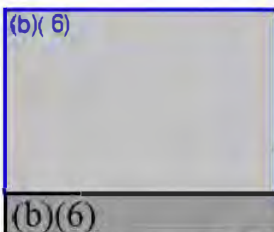

The Department of State has outlined the following specific objectives for the project:

- Provide an overview of policies, practices, tariffs and negotiations concerning national and international trade;
- Explore the history, evolution and implementation of the North America Fair Trade Agreement (NAFTA) and the ongoing debate associated with this agreement;
- Illustrate logistics and transportation challenges and solutions related to intra-regional trade, such as cold chain maintenance and efficient freight transport; and
- Showcase the private sector support for increased trade, as well as for small businesses and economic development.

Thank you so very much for your gracious offer to host a dinner for the visitors on **Monday, May 14**. Please let me know what time we should arrive for dinner as well as directions to your home. As we discussed, and if at all possible, perhaps we can include a visit to Coalition Village on Monday late afternoon following their tentative meetings with Congressman Jim Davis and the Port of Tampa?

We greatly appreciate your support of The International Council of the Tampa Bay Region, and look forward to your participation in this unique program.

Many thanks and kind regards,

Dear Jill,

Thank you again so very much for your assistance with our request for a CENTCOM meeting. Our distinguished Members of Parliament from Afghanistan have arrived in the United States and begun the Washington, DC segment of their program.

I received their final Program Briefing Book yesterday, which I am attaching to this email. In addition, their Pentagon Program is attached as well. Also, the updated bios are attached as well. since we are now hosting 13 visitors rather than 14 visitors. You may, of course share this information with those individuals who will be meeting with the delegation.

When you have confirmation for the time of the meeting with CENTCOM on July 5th, would you please let me know? I will need to send a copy of the Tampa Bay Program to State early next week.

Please let me know if you need any additional information.

Many thanks and kind regards,

I am sorry that I couldn't make the Dinner.

As I mentioned to you, I had accepted another invitation for a function the same evening.

I was not informed about the Afghan visit until a few days before, so my Calendar was already filled.

I am also sorry that I did not get a chance to give the guests a more substantial brief on the Coalition (it was almost all about the US efforts), and I was prepared to bring them to the Coalition Village.
Let's see. Maybe next time.

I am looking forward to meet you and (b)(6) as well as the other CENTCOM/Coalition Honorable Ambassadors on Thursday for the French celebration of the Bastille Day.

Hi Jill,

I'm sorry to hear that (b)(6) is home in (b)(6) and unable to join us on Tuesday evening. I am sure our visitors would have enjoyed meeting (b)(6)

I am attaching the participant list for the visitors we will be hosting this week. The information highlighted in yellow is for internal purposes, but the names and titles are all there. The delegation from the People's Republic of China is departing on Monday (if flights are available), and therefore will not be at the dinner on Tuesday, August 28 from 6:00 pm - 9:00 pm.

It would be wonderful if Admiral Harward could join us and say a few words to the group! Please let me know your guest list at your earliest convenience.

(b)(6) Please let me know if you and (b)(6) plan on attending the Welcome Party tonight. The event is from 6:00 pm - 9:00 pm, with the doors opening at 5:00 pm. We were told shuttles from the Mahaffey Theater will be providing the transportation to and from Tropicana beginning at 5:00 pm. We were planning on departing on the shuttle bus at 4:45 pm this afternoon. I will have the tickets and the parking pass for you with me. If you plan to arrive after we leave, I will leave the parking pass and tickets with (b)(6) the driver for the group.

We look forward to seeing you!!

Bob, As per our discussion, I received a phone call yesterday from a lady (b)(6), from the State Dept.

She told me that there was many meetings and debriefing about Me -since the US Embassy in Kabul had received a number of letters and formal requests for my Visit.

She said the State Dept was glad to hear such enthusiastic and positive reporting from the Embassy, and would look into sponsoring me.

She was even more excited to hear that I had previously communicated the Official letter with our CentCom leaders, and she was happy to know they would be in support of my Visit (she would like to confirm that, since it would strengthen my sponsorship)

Needless to say, it was a very flattering, unexpected phone call. Wish you heard the great things she said to me -can't believe that a number of meetings, letters and emails were being exchanged and discussed in reference to me, and about supporting the Parliament's official request.

Her contact is below.

Thank you for your phone call today.

I'm honored that the State Department has met (and been debriefed) about the Official request of my Visit, made by the Afghan Parliament to the US Embassy in Kabul.

I am honored by their petition of me, and would be humbled to serve the request to foster, promote and proliferate future relations and agreements with the Members of Parliament.

As I stated in our conversation, COMISAF John Allen is well aware of the invitation by Parliament, and is in support of my visit to Kabul.

As per your request, I attached the scanned copy of the Official invitation sent by the Speaker of the Afghan Parliament.

I look forward to hearing back from your HQ's about the status and approval of the State's sponsorship of my Visit to Kabul.

Please feel free to contact me with any questions.

Sincerely,

Jill Kelley

Jim,
I just got home from the RNC Convention...
Ryan's speech was like taking 2 Ambien!
(thankfully the audience was a "show" within itself :-)

I also dropped by the International Ambassadors box.....when the (b)(6) saw me, he yelled "Jill! I'm so happy your rescheduling the Dinner next week, since I have plans to attend the DNC"

When the other Ambassadors heard the (b)(6) -a number of other Ambassador came over like a bee line....and thanked me for their invitation, and said they're looking forward to the new date!
I told them "I'm waiting for "Superman" to come back with a new date, since he's out busy saving the world!" :-)

We spoke about how challenging and difficult your job is....and how you're leading the world -in the most historical period.

We agreed how amazing it must be that you're single-handedly re-writing history.
Everyone thinks you're a RockStar!

I'm looking forward to my lunch tomorrow with the British Parliament and the PM's (b)(6)
(b)(6) But won't be announced until 2 weeks)

Hope you're having a great night! Looking forward to tomorrow -only because it's the last evening of this pandemonium!

Sincerely
Jill

Jim,

I hope you're well! I'm here in the midst of the RNC party. Tampa looks like Disney World --under Marshall Law! Lol! :-)

Yesterday I had dinner at a State Dept Sponsored International Group here for the RNC...and sat with (b)(6) to UK Prime Minister Cameron (b)(6)

Very cool guy. We had a very stimulating conversation about the Mid East and Britain's new policies in the new "rebel run" nations.

He truly enjoyed our conversation, and invited to visit him at 10 Downing. (you and I should go together and pay a visit to (b)(3):10 USC §130c :-)

(b)(6)

Today, the new (b)(6) had his convoy pick me up, to join him and the Korean Delagation at a Korean War Tribute --I was the only female among all the Korean Diplomats and Members of Parliaments (b)(6) so the Korean media would'nt stop taking photos of me!

Blinding.

And tomorrow I'll be seeing (b)(6) (b)(6) He asked me to introduce him to the Governor of Florida, since ill be watching Romney give his acceptance speech from the Gov's Box.

I said sure! It's the least I can do for our close ally and partner in the Coalition!

On a separate note... (b)(6) (b)(6) office called me, and asked me to join him for a private Dinner on Tuesday Sept 4th at his Residence.

(or the Cosmos Club -or anywhere else I prefer)

He said I can bring you -if your plans have changed again.

If you are available, where would you prefer the dinner to be hosted?

I look forward to hearing back from you -and hopefully seeing you.

Your friend,
Jill

Bob,

I'm in Hawaii and received this email from the (b)(6) (b)(6)

I'm honored that (b)(6) truly did enjoy our Dinner.

He seemed genuinely appreciative of my efforts to foster and proliferate AFG & Islamic relations.

(in addition to the positive feedback he conveyed -from the US Embassy in Kabul, from the Parliamentarians)

And as you see his kind invitation below....he's personally asking Me to be his "Special Guest" at the AFG National Day dinner on Wednesday.

Unfortunately I fly back from Hawaii to Tampa that day....but I re-routed to my flight to DC in order to accept this honor by the (b)(6)

(I don't think the Embassy asked the other guests to be the Special Guest of the evening)

I wish the invite wasn't so late...but to his defense, we JUST met 5 days ago.

Can you attend with Me?

Dear Jim,

(b)(5),(b)(6)

However, on Thursday morning, right before I left to DC --I hosted the Turkish Parliament 2 hours before my flight

(I don't know if you heard -but your Deputy truly impressed them!)

It was a very effective meeting that successfully served a stronger a greater trust between US Military & Turkey during this volatile time.

The Members of Parliament asked questions concerning our influence in Syria, and allowing their expansion of Turkish control across Syria, and the other suspensions they have - quite compelling (in fact, sometimes the questions could fairly be taken as an *accusation* :-)

Nonetheless, the (honorary) Coalition Ambassador is very well informed about the present political/religious dilemmas, the future challenges, and not to mention- some pushback, based on their past relations

(ahem, Ottoman Empire)

With that said, they were relieved to speak with someone well versed about Parliaments greatest priority (thankfully, some of the members spoke Arabic, so a translator wasn't necessary to communicate or relate)

Thankfully, it went very well. They were raving about your HQ's, and the "new friend" they have at Central Command -Adm Harward!

They told me very impressive Turkish proverbs about the honor of getting (Bob) such great leadership and character....

Then admitted that they actually didn't trust the US Military, but this meeting changed their whole perspective on US Military leadership commanding the Arab wars!

At the end, I was surprisingly invited to be their guest -On behalf of the Parliament of Turkey :-)

With that said, thank you for having a terrific Deputy!

Sincerely

Jill

It's my honor to 'bridge the world' and let them know "who America really is" especially with the wars today.

With that said, your words of appreciation is priceless -coming from the most epic Commander, that the free-world looks up to!

(b)(6)

A couple weeks ago, Bob and I stopped by (b)(6) office....

(b)(6) I mentioned to (b)(6) that a number of the NATO Ambassadors (that attended the (b)(6) Nat'l Day Reception with me) asked me again that they're anxiously awaiting for a new date for the "Coalition Ambassador Appreciation Reception"

(b)(6)

(b)(6)

I asked (b)(6) if we can come up with a new date....and (b)(6) said January, would be most likely the soonest for your schedule.

(because of the holidays)

Today, I spoke with (b)(6) And asked him if he had any preference? And he suggested that You propose the date...

With that said, can you suggest a date that works for your January (or February) with your schedule?

(I thoroughly understand that emergencies come up)

(b)(6)

And again, per (b)(6) request, the Coalition Ambassador Appreciation Reception will NOT be in your Honor- just honoring the Coalition Nations for their years of support and service to Central Command

Thank you in advance!

Dear Jill,

Thank you again so very much for your assistance with our request for a CENTCOM meeting. Our distinguished Members of Parliament from Afghanistan have arrived in the United States and begun the Washington, DC segment of their program.

I received their final Program Briefing Book yesterday, which I am attaching to this email. In addition, their Pentagon Program is attached as well. Also, the updated bios are attached as well, since we are now hosting 13 visitors rather than 14 visitors. You may, of course share this information with those individuals who will be meeting with the delegation.

When you have confirmation for the time of the meeting with CENTCOM on July 5th, would you please let me know? I will need to send a copy of the Tampa Bay Program to State early next week.

Please let me know if you need any additional information.

Karl,
I hope you're well.....TGIF!!

When I saw Adm Harward at my Coalition Luncheon this past Tuesday, he said he would be available for the VIP visit of the Afghan Parliamentarians (Thursday July 5th)

With that said, can we plan for 3pm at CentCom followed by Coalition Village
(or vice versa, doesn't matter in which order or itinerary you decide)

And as you know, I would LOVE for you to join these Distinguished Visitors at my home for a formal Dinner.
(Adm Harward is attending as well)

Please let me know your thoughts.
Thank you again, for everything.
Sincerely
Jill

It was nice to see you at the Garden Party – unfortunately we did not get to visit beyond “hello” with the crowd. Thanks for the invite for lunch tomorrow with the gang, but unfortunately I have a VTC with the Pentagon tomorrow during lunch. Bob Harward will sit in for me! I understand there is an Afgh group coming to Tampa and that you will assist/host, much as you did the other group. GEN Mattis has alerted me to the mission, so we’ll be standing by.

Thanks for your continued hospitality and support. See you soon.

We are all ready for a lunch tomorrow.

We need to start a 1200 hrs. due to other commitments in the afternoon.

What are the "practicalities"? (Where will the lunch take place etc.).

The four guests I have mentioned below are all available.

Do you want me to ask a few more?

I am out of office the next couple of hours.

Is that possible for You, and the rest of the guests?
If not, we will just keep it for Wednesday as scheduled (without Harward)

Dear Jill,

Next week, The International Council of the Tampa Bay Region, Inc. will be hosting a delegation of 4 distinguished visitors through the U.S. Department of State's International Visitor Leadership Program. The visitors are from Afghanistan, Nepal and Pakistan and will be in Tampa Bay for an "Intra-Regional Trade and Commerce" Program. The visitors will be accompanied by 2 USDOS Interpreters for a total of 6 in the delegation. They will be arriving in Tampa Bay on Thursday, May 10 and departing on Wednesday, May 16. They will have three days for professional meetings during their visit.

I am attaching the bios to this email for your information. The US Department of State has asked us to help them protect the visitor's privacy and security during their visit to the United States and has requested that these bios be distributed only to those individuals holding professional meetings with our visitors. We appreciate you helping us in this effort. Please let me know if you should have any questions or you require further information.

I am also attaching an overview of The International Council for your information, which will also provide you with some history of the International Visitor Leadership Program.

The Department of State has outlined the following specific objectives for the project:

- Provide an overview of policies, practices, tariffs and negotiations concerning national and international trade;
- Explore the history, evolution and implementation of the North America Fair Trade Agreement (NAFTA) and the ongoing debate associated with this agreement;
- Illustrate logistics and transportation challenges and solutions related to intra-regional trade, such as cold chain maintenance and efficient freight transport; and
- Showcase the private sector support for increased trade, as well as for small businesses and economic development.

Thank you so very much for your gracious offer to host a dinner for the visitors on **Monday, May 14**. Please let me know what time we should arrive for dinner as well as directions to your home. As we discussed, and if at all possible, perhaps we can include a visit to Coalition

Village on Monday late afternoon following their tentative meetings with Congressman Jim Davis and the Port of Tampa?

We greatly appreciate your support of The International Council of the Tampa Bay Region, and look forward to your participation in this unique program.

Judging from the previous example, I guess it will take 3 weeks or so.
If I get the result, I will let you know as soon as possible.

Glad you liked my Bio!
(it was difficult to talk about myself, but was able to articulate myself and mission)

Last night was lovely. The (b)(6) is a big fan of yours...so clearly we hit it off!!!

It was an enjoyable evening, since I got to meet (again) with all the Foreign Ambassadors, including the (b)(6) (b)(6) etc etc etc
(all natural enemies)

It began quite polarized, so began initiating "communication" -by bringing out the best in each
(thankfully I'm not an eye soar. -so I can use my good for the sake of better!)

Clearly I find gratification in unification and communication -the answer!

I'm still here at the Ritz. I'm practicing my speech for tomorrow.... since almost 60 Nations will be representing themselves at my home
-for my 3rd Official Appreciation Reception.

My speech is pretty heavy... and will stress the importance of Coalition's zealous advocacy and support to the US Military -especially in the War in AFG and the global war on terror.
Let's hope I don't forget my lines! :-)

I hope to see you soon, Jim-and thank you for everything you do. to preserve everything we have.

Your friend,
Jill

Karl,
I hope you're well.....TGIF!!

When I saw Adm Harward at my Coalition Luncheon this past Tuesday, he said he would be available for the VIP visit of the Afghan Parliamentarians (Thursday July 5th)

With that said, can we plan for 3pm at CentCom followed by Coalition Village
(or vice versa, doesn't matter in which order or itinerary you decide)

And as you know, I would LOVE for you to join these Distinguished Visitors at my home for a formal Dinner.
(Adm Harward is attending as well)

Please let me know your thoughts.
Thank you again, for everything.
Sincerely
Jill

(b)(6)

DCDR Harward, Chairman (b)(6) and I finalized the date of the Ceremony to take place this Thursday. I know this gives short, but we thought it was best for a number of reasons.

COMISAF Gen Allen is so excited for this honorable Nomination.....he would like to VTC into the Ceremony. So whenever your team gets specifics, please let his team in Kabul coordinate the technicalities.

I didn't know if you can also extend invites to the senior staff at SOCOM
(of course all the CentCom senior staff are invited -with all the Coalition partners)

In addition (b)(6) is going to request all the SNR's pass an "Official announcement" to their respective Embassies today -informing their Ambassadors about the recent appointment of an Ambassador between Centcom and the Coalition.
(this "PR" will help me full force with my agenda to *protect and preserve* the support from our Coalition Nations)

Thank you in advance for all the planing that will go into making this special day truly unforgettable.
Please call or email me if you have any questions.

Sincerely,

Jill

ps wait until you hear my speech "in Arabic" to our Moslem partners in the audience :-)
