I was off the grid for a few hours. I will hand you over to (b)(6) who will take point.
Thanks.

Regarding your question of Dr. John Haggmann's status at the Uniformed Services University of the Health Sciences in the past, I was able to find:
He was a medical student here from October 1976- May 1980.
He was a faculty member here, Assistant Professor in Military and Emergency Medicine, whose faculty status went inactive in June 2000.
