thanks - and sorry for this but under our Reuters copyright rules I have to say the following or I will get in trouble: i can show it to you to verify identity on background, but i'm not giving permission to give to anyone else or publish.  
:) ok?

Hi there. I got your message...but haven't had a chance to get back to you yet. It's been one of those days.

I know exactly what he looks like, so feel free to send it to me. And, I haven't heard about anything new.

Hi (b)(6)

I found a picture of Dr. Hagmann. If I forward it you, is there someone at USUHS who knows what he looks like?

And anything else, new?

Thanks,
